MARCH 2026

Santa Clara County Firefighters Celebrate 10 Years of Night to Shine!

Another unforgettable Night to Shine marked our 10th year serving individuals with special needs in our community. In partnership with Bridges Community Church in Los Altos, local medical providers, Santa Clara County Firefighters, and volunteers, we created a safe and joyful prom night for more than 250 honored guests. Night to Shine celebrates individuals with disabilities (ages 14+) with a red carpet, music, dinner, dancing and a special crowning where every guest is honored as a King or Queen. For a decade, this event has shown the power of community partnership, creating a place where everyone feels valued and celebrated.

THIS MONTH'S HIGHLIGHTS

CERT NEWS

We were honored to be invited to the annual Campbell Community Emergency Response (CERT) on February 7, and continue our ongoing collaboration and partnership with the City of Campbell and its communities. A special thank you to Ashley St. Cin for her continued efforts in bringing Campbell residents and County Fire together. We also extend our gratitude to Engine Company 80 (Vierra, Irvine, Navarro) for attending and supporting this special event.

PROBATIONARY SUCCESS

Congratulations to our newest members who successfully completed their 18 month probation. Hannah Barnett-Powell, Jackson Hattick, and Robert McQuillin. As new firefighters, their job is to continue to protect the community, to continually challenge themselves, and to create new opportunities to serve the public.

Commitment to Safety

Seasonal weather driving and road hazards can be challenging. Prepare by starting your drive a little earlier and watch out for changing road conditions. Please see the links below for more information.

FEBRUARY EVENTS

Tuesday, February 10

At approximately 11:30 am, Battalion 83, Rescue 83, Engine 82, Engine 78, Engine 80, and Safety Officer 72 were dispatched to a vehicle fire that was extending into the vegetation on Highway 17 near Lark Ave. Crews arrived on scene to find a vehicle fire had begun to spread into the adjacent vegetation. Rescue 83 and Engine 83 quickly deployed multiple hose lines to extinguish the fire while Engine 78 was assigned as Rescue Group to confirm that all occupants were safely out of the vehicle. Fire crews remained on scene for the next hour to confirm full extinguishment before turning the scene over to CHP who maintained traffic control and facilitated a tow for the damaged vehicle.

Wednesday, February 18

E84 and E83 responded to a report of a vehicle vs a pedestrian on HWY17. A Caltrans worker was located about 60 feet below. A rescue response was initiated and Rescue 83 and Battalion 83 responded to assist with the extrication. Engine 83 was assigned Medical group, Rescue 83 became Rescue group and Battalion 83 assumed Incident Command. Rescue 83 crew set up a haul system and the patient was brought up safely to the roadside. Patient care was transferred to County Ambulance 17. CNT thanks CHP and County Ambulance in this amazing rescue of this Caltrans worker. Please remember to be safe when driving around any highway roadwork or emergency! Please see Caltrans and California's office of Traffic Safety campaign at <https://gosafelyca.org>

Saturday, February 21

The Santa Clara County Fire Department responded to reports of a gas leak at Good Samaritan - Mission Oaks acute care facility on Los Gatos - Almaden Road. The occupants were temporarily evacuated while SCCFD and PG&E ensured no hazards were present in the structure. Due to the nature of the incident and the occupancy, a large number of resources from SCCFD, Santa Clara County EMS, LGMS PD, and PG&E were on scene and worked together to ensure the building was safe for continued use. PG&E certified the building safe and all occupants were returned to their rooms after approximately two hours.

EMPLOYEE EXCELLENCE AWARD

Tri-annually, the Santa Clara County Fire Department recognizes a staff member for excellence in service. Fire Captain Jon Pittman, currently serving as the Public Information Officer at Headquarters, has been selected for this prestigious honor in recognition of his dedication to both the department and the community. Candidates for this award must meet six criteria established by the County of Santa Clara, including demonstrating ethical conduct rooted in honesty and integrity; committing to efficient, effective, and high-quality service; valuing the community; upholding fiscal responsibility; exhibiting mutual respect; and encouraging innovation and flexibility.

The department is proud to congratulate Captain Pittman for his tireless efforts to provide meaningful and innovative service to the organization and the community. His support of the countywide Holiday Toy Drive, exemplary work as a Public Information Officer, and dedication to providing timely and accurate information to both the department and the public have earned our continued respect and appreciation for his outstanding work in the field.

READY, SET, GO

READY

Being READY for wildfire starts with maintaining an adequate defensible space and by hardening your home. Defensible space is the buffer you create by removing dead plants, grass and weeds. Hardening your home means using construction materials that can help your home withstand flying embers finding weak spots in the construction, which can result in your house catching fire.

SET

Being SET means staying informed, alert, and ready to act quickly if conditions change. During this phase, residents should monitor local alerts, prepare to implement their evacuation plan, and ensure homes and properties are defensible.

GO

The GO phase of the Ready, Set, Go wildfire preparedness program signals that it's time to act immediately. When ordered to evacuate, leave without delay and follow directions from local authorities to ensure your safety. Going early and calmly can save lives and help emergency responders do their jobs safely.
