

P2E Prison to Employment Program

Funding for P2E (Prison to Employment) will provide employment and training to formerly incarcerated and other justice-involved individuals looking to return to the workforce.

Funds awarded under this grant are designed to assist with short term training, supportive services or employment needs of California's justice-involved and formerly-incarcerated populations.

If you or someone you know has a criminal background and needs help with getting a job and identifying a career path, **contact us!**
