(Electronically and Telephonically)

**Urgency and Non-Urgency Ordinances for SB 9 Lot Splits and Residential Projects
in the Single-Family Residential (RS) Zone District
Case No. 21-0006-ORD**

ATTENTION: The Virtual Meeting is held pursuant to Assembly Bill (AB) 361. The meeting will be Virtual because meeting in person would present imminent risks to the health or safety of attendees. The public may only view the meeting on Goleta Channel 19 and/or online at <https://cityofgoleta.org/goletameetings> and not in Council Chambers.

NOTICE IS HEREBY GIVEN that the Goleta City Council will conduct a public hearing to consider adoption of Urgency and Non-Urgency Ordinances related to implementation of Senate Bill 9 of 2021 (SB 9) (Case No. 21-0006-ORD). The date, time, and location of the City Council public hearing are set forth below. The agenda for the hearing will also be posted on the City website (www.cityofgoleta.org).

HEARING DATE/TIME: Tuesday, December 21, 2021 at 5:30 P.M.

PLACE: Teleconference Meeting; Given the local, state, and national state of emergency, this meeting will be a teleconferenced meeting (with detailed instructions for participation included on the posted agenda)

PROJECT LOCATION: The regulations would apply citywide within the Single-Family Residential (RS) Zone District, including areas of the City within the Coastal Zone.

PROJECT DESCRIPTION: The proposed ordinances would amend Title 5 (Business Licenses and Regulations), Title 16 (Subdivisions), and Title 17 (Zoning) of the Goleta Municipal Code (GMC) to ensure the City's regulations comply with SB 9 and to maintain City authority to regulate SB 9 projects where possible. Proposed amendments to the GMC include the following:

- An amendment to Title 5 to include a cross-reference prohibition of Short-Term Vacation Rental licenses for any site where an SB 9 project was approved under Title 16 or Title 17.
- New standards and procedures in Title 16 for urban lot splits in the Single-Family Residential (RS) zone district to subdivide existing residential lots in two. Consistent with SB 9, urban lot splits will be processed ministerially if certain objective standards are met.
- New standards and procedures in Title 17 to process applications for up to 2 principal dwelling units on lots in the RS zone district. This could be an additional unit on an existing lot that already has a principal dwelling or up to two new dwelling units on a newly created lot through an urban lot split described above. Consistent with SB 9, these new residential dwelling units will be processed ministerially if certain objective standards are met.

The Planning Commission will consider the above-described ordinances at a public hearing on December 13, 2021. Any recommendations from the Planning Commission will be provided to City Council.

ENVIRONMENTAL REVIEW: Under California Government Code Sections 65852.21(j) and 66411.7(n), the adoption of an ordinance implementing the provisions of SB 9 is not a project and therefore exempt from the requirements of the California Environmental Quality Act.
