SITUATION

Current Situation:	<p>Work to clean out and re-abandon the well at 4360 Via Marina will continue throughout the weekend.</p> <p>Additionally, the Community Health, Safety and Notification Plan developed by Unified Command is now available. The plan aims to ensure the public is aware of site activities and notified of any significant developments as the project proceeds. Copies of the plan will be available at the project site and posted on the Department of Conservation’s website: https://www.conservation.ca.gov/dog/Pages/DOW-RGC10-well.aspx.</p> <p>The Los Angeles County Department of Public Health, Los Angeles County Fire Department-Health Hazardous Materials Division, and the California Division of Oil, Gas, and Geothermal Resources continue to monitor the situation.</p> <p>If you smell gas in this vicinity, please leave the area and dial 9-1-1.</p> <p>For more information on the project, call the incident information line at (310) 908-1236 or email mdrhotelshotline@gmail.com.</p>
