SITUATION			
Current Situation:	<p>Work on the well will continue throughout the weekend. No operations that may cause loud noise and/or vibrations are planned, and daily monitoring indicates that well operations are not affecting air quality.</p> <p>The Los Angeles County Department of Public Health, Los Angeles County Fire Department-Health Hazardous Materials Division, and the California Division of Oil, Gas, and Geothermal Resources continue to monitor the situation.</p> <p>If you smell gas in this vicinity, please leave the area and dial 9-1-1.</p> <p>The Community Health, Safety and Notification Plan is available on the Department of Conservation’s website at https://www.conservation.ca.gov/dog/Pages/DOW-RGC10-well.aspx. For more information on the project, call the incident information line at (310) 908-1236 or email mdrhotelshotline@gmail.com.</p>
