COVID-19 TESTING	Testing is Prioritized and Strongly Encouraged for: Symptomatic persons with: • Fever or chills, Cough, Shortness of breath or difficulty breathing, Fatigue, Muscle or body aches, Headache, New loss of taste or smell, Sore throat, Congestion or runny nose, and Nausea or Vomiting. Symptomatic persons who are: • Hospitalized • Healthcare workers and other first responders • Employees and residents in group living settings, and • Over 65 years old or with <u>underlying health conditions</u> that place them at higher risk of serious complications Asymptomatic persons: • If they are part of a public health investigation • If they live or work in high risk settings, such as skilled nursing facilities or homeless shelters • If they are a close contact of someone with a confirmed positive diagnosis of COVID-19, or • If they are an essential worker. Prioritization of routine testing among other asymptomatic people is not recommended at this time. People over the age of 65 or with underlying conditions do not necessarily need to be tested unless they have symptoms, have had an exposure or have been told by public health to be tested. Please check with your healthcare provider about your specific situation and let their medical advice guide you.

	Testing is Available by Appointment only What L.A. County Residents and Employers Need to Know About COVID-19 Testing Now: Click Here for more information. L.A. County Transitions to COVID-19 New Test Scheduling Platform: Click Here for more information. - For more information about COVID-19 testing in Los Angeles County Click Here - To find a testing site near you Click Here - For Frequently asked questions Click Here As of 11/19/2020, approximately 3,473,983 people in Los Angeles County have been tested for COVID-19. Nine percent (9%) of those who have been tested have tested positive for COVID-19.																		
COVID-19 RELATED MEDICAL SHELTERING OPERATIONS	As of July 1, 2020, DHS has assumed the role of operational lead for the County’s Medical Sheltering program from the CEO’s Office of Emergency Management (OEM).
