

STONEWALL LEADERSHIP TRAINING PROGRAM: APPLICATION'S OPEN!

Want to change the world? Do you identify within the LGBTQ+ family? We are looking for leaders who will bring unique perspectives, have a desire to create change, are passionate and committed to contributing to the development of a community of LGBTQ+ leaders. The Stonewall Democratic Club Leadership program is designed for LGBTQ+ people (and strong allies/advocates) who want to utilize leadership roles to better the quality of life of our community. You will be joining a cohort of other LGBTQ+ leaders with their own personal journeys of authentic leadership and together you all will establish how your own inclusive leadership can drive cultural and political change within our country.

The Stonewall Leadership Program will provide the cohort with the opportunity to:

- Reflect on the importance of their identity and the value it creates in developing their leadership practice
- Understand what authentic leadership might look like for them
- Learn the basics of government structure and how to successfully run for different seats
- Understand how policy impacts our everyday lives and those in our communities
- Campaign basics
- And more

The cohort will have guest speakers from within the political arena to share their experiences and impart advice.

Click [here](#) to apply for Stonewall Democratic Club Leadership Program , application closes Wednesday, December 15, 2021 at midnight.
