

SPA 3 – EL MONTE

WHY BECOME A MEMBER?

The Health Neighborhood seeks to address the challenges of access by creating a streamlined process that includes increased communications between providers, community-based organizations, and government agencies for easier access and referral pathways.

WHAT TO EXPECT FROM YOUR PARTICIPATION:

As a participant, you will be able share the services/resources your agency provides, refer to other partners for services and supports outside the scope of your agency, network with our community partners.

HEALTH NEIGHBORHOOD CONCEPTUAL FRAMEWORK

The Health Neighborhood Initiative brings together providers that serve the El Monte community to establish and enhance collaborative relationships and promote the integration of whole-person care. Participating service providers are linked to an extensive network of governmental and community supports. These providers come together with vital input from the community to enhance the health and wellbeing of neighborhood residents.
