

Weekly Vaccine Digest 1/13

Los Angeles County Department of Public Health

Dear Colleagues and Partners,

Happy Holidays! Below are the LACDPH weekly vaccine administration and order updates, upcoming webinars, and newsworthy events. Please see the links at the bottom of this page for a pdf version of this document and the links that were shared in LACDPH Office Hours from 1/11.

If you received this email and would like to be added to our listserv, please contact our COVID-19 Provider Vaccine Call Center at covidvaccinereq@ph.lacounty.gov

Table of Contents

- **Page 1: Welcome, Order and Administration Reminders, Future of WSSSRW**

- **Page 3: LACDPH/CDPH Provider Office Hours links, MyTurn Update, MyTurn/myCAvax Unified Login Experience**
- **Page 4: Therapeutics**

Order and Administration Reminders

- **REMINDER:** Please place all orders in myCAvax by the Monday 1/16/23 5pm deadline. In observance of MLK Holiday, the CDPH Provider COVID-19 Call Center will be closed on Monday, January 16, 2023 and reopen on Tuesday, January 17, 2023. The Holiday ordering cadence can be found [here](#).
- Administration Checklist can be found [here](#). **REMINDER:** Please report all COVID-19 doses administered within 24 hours to your medical record system and to CAIR as soon as practicable and no later than 72 hours.
- Temperature excursion worksheet can be found [here](#).
- CDC anaphylaxis job aid can be found [here](#).
- CDC coadministration resources can be found [here](#).
- Pediatric COVID-19 checklist can be found [here](#).
- COVID-19 Vaccine Product Guide can be found [here](#).
- COVID-19 Provider Operations Manual can be found [here](#).
- Guides to preventing administration errors can be found [here](#) and [here](#).
- CDC COCA call slides on Clinical Guidance and Patient Education for Bivalent COVID-19 vaccines can be found [here](#).
- CDC Guidance on Vaccine Administration Errors and Deviations can be found [here](#).
- CDC COVID-19 Vaccine Related NDC Codes can be found [here](#).
- CDC COVID-19 Program Provider Requirements and Support can be found [here](#).

Future of Western States Scientific Safety Review Workgroup

- With COVID-19 vaccines now incorporated into the national routine immunization schedule from infancy through adulthood, reflecting extensive and ongoing safety monitoring, the **Western States Scientific Safety Review Workgroup is disbanding**. Future national recommendations are expected to suffice as the basis for proceeding in California.
- The FDA recently [announced](#) that a meeting of its Vaccines and Related Biological Products Advisory Committee (VRBPAC) is scheduled for January 26, 2023, to discuss future COVID-19 vaccination regimens.

COVID-19 Bivalent Booster Vaccine Administration Guidance

- **Ages 6 months – 4 years and completed the Moderna primary series:** 1 bivalent Moderna booster dose
- **Ages 6 months – 4 years and completed the Pfizer primary series:** no booster dose is recommended at this time
- **Age 5 years and completed the Moderna primary series:** 1 mRNA Moderna or Pfizer booster dose
- **Age 5 years and completed the Pfizer primary series:** 1 bivalent Pfizer booster dose
- **Ages 6 years and older and any primary series:** 1 bivalent mRNA Moderna or Pfizer booster dose
- **COVID 19 Vaccine Timing Chart can be found [here](#)**

Vaccine Marketplace Reminder

With bivalent products and monovalent products in demand, this is a reminder that the Vaccine Marketplace is a great space for all providers to share excess doses of all vaccine types. For those who may need a refresher on what the marketplace is [link here](#) or how to post, there is an interactive provider guide CDPH has released [link here](#)

General Updates

- Janssen/J&J vaccine product sunset postponed until the end of May
- Novavax expires at the end of February and McKesson will stop shipments at the end of January
- Supply of Pfizer's Bivalent infant/toddler vaccine for 4 months-5 years remains tight through 19 January
- Moderna monovalent vaccines begin to expire February/March
- Pfizer monovalent 12+, only the Comirnaty label will be available after January
