

**ORDER No. 2023-03 OF THE LOS ANGELES COUNTY HEALTH OFFICER**

**ORDER OF THE LOS ANGELES COUNTY HEALTH OFFICER**

**COVID-19 Reporting Requirements**

**Issue Date: Thursday, March 30, 2023**  
**Effective at 12:01am on Monday, April 03, 2023**

**Brief Highlights:**

**3/30/2023:**

- Continues the Los Angeles County Department of Public Health (LACDPH) requirements for the reporting of COVID-19 test results, hospitalizations, deaths, and clusters to LACDPH to allow for ongoing public health surveillance.

**Please read this Order carefully.**

**Summary of the Order:**

As the County of Los Angeles ends its COVID-19 emergency declarations on March 31, 2023, it remains important to continue public health surveillance<sup>1</sup> efforts to understand trends in COVID-19 infections, hospitalizations, and deaths and the impact they may be having in the community and within various sectors. Accordingly, this County Health Officer Order (Order) continues the requirement for laboratories to report COVID-19 test results and for providers to report COVID-19 hospitalizations and deaths. Although COVID-19 test results, hospitalizations, and deaths will continue to be reported to the Los Angeles County Department of Public Health (LACDPH), from a public health surveillance perspective, these individual reports do not provide sufficient context regarding the continued impact COVID-19 infections may have on various sectors within Los Angeles County. This is especially true with the wide availability and use of COVID-19 home test kits outside of a healthcare or laboratory testing facility. Consequently, this Order also continues the local COVID-19 cluster reporting requirements for healthcare facilities, skilled nursing facilities, community care facilities, worksites, residential congregate settings, and educational settings, as outlined in this Order. Reporting of clusters of COVID-19 cases to LACDPH will facilitate public health surveillance of COVID-19 and provision of rapid Public Health guidance to facilities and sites that may be experiencing a COVID-19 outbreak.

This Order is effective within the County of Los Angeles Public Health Jurisdiction, defined as all cities and unincorporated areas within the County of Los Angeles, except for the cities of

<sup>1</sup> *Public health surveillance* is defined as “the ongoing, systematic collection, analysis, and interpretation of health-related data essential to planning, implementation, and evaluation of public health practice.” Centers for Disease Control and Prevention (CDC). *Introduction to Public Health Surveillance*. **COUNTY OF LOS ANGELES DEPARTMENT OF PUBLIC HEALTH  
ORDER OF THE HEALTH OFFICER**

Long Beach and Pasadena that must follow their respective City Health Officer orders and guidance. This Order is effective at 12:01 am on Monday, April 03, 2023.

**UNDER THE AUTHORITY OF CALIFORNIA HEALTH AND SAFETY CODE (HSC) SECTION 120175; CALIFORNIA CODE OF REGULATIONS (CCR), TITLE 17, SECTION 2501; AND LOS ANGELES COUNTY CODE, SECTION 11.04.010  
THE COUNTY OF LOS ANGELES HEALTH OFFICER ORDERS:**

- 1) Purpose.** Although the state-wide emergency declaration has ended and the local emergency will soon end, COVID-19 continues to spread and pose a risk to persons within Los Angeles County. It remains important to maintain public health surveillance of COVID-19 infections, severe outcomes, and case clusters. This Order continues the requirement to report COVID-19 tests, hospitalizations, deaths, and clusters to LACDPH, which provides local situational awareness of any changes in infection patterns and levels. Rapid reporting also helps LACDPH provide prompt guidance to facilities and sites that are experiencing an outbreak among their patients, residents, or workers. The County Health Officer will continue to monitor data regarding the evolving scientific understanding of the risks posed by COVID-19, including the impact of vaccinations, and may amend or rescind this Order based on analysis of data and knowledge.
- 2) Intent.** The primary intent of this Order is to continue the COVID-19 testing, hospitalization, death, and cluster reporting requirements to allow for ongoing situational awareness of COVID-19. This Order does not alter any COVID-19 reporting obligation under California statutory or regulatory law.
- 3) Interpretation.** All provisions of this Order must be interpreted to effectuate the purpose and intent of this Order as described above. The summary at the beginning of this Order as well as the headings and subheadings of sections contained in this Order are for convenience only and may not be used to interpret this Order. In the event of any inconsistency between the summary, headings, or subheadings and the text of this Order, the text will control.
- 4) Facilities Subject to this Order.** This Order applies to the following facilities and sites within the County Public Health Jurisdiction, as detailed in this Section.
  - a) Healthcare Facilities.** Healthcare Facilities subject to this Order include the following facilities or settings:
    - i) Acute Care Hospitals
    - ii) Acute Psychiatric Hospitals
    - iii) Chemical Dependency Recovery Hospitals
    - iv) Hospice Facilities
    - v) Respite Care Facilities
    - vi) Skilled Nursing Facilities

**b) Community Care Facilities.**

- i) Adult Residential Care Facilities, all license types
- ii) Continuing Care Retirement Communities
- iii) Intermediate Care Facilities of all license types, including those for the Developmentally Disabled
- iv) Psychiatric Health Facilities, including Acute Psychiatric Hospitals
- v) Residential Care Facilities for the Elderly
- vi) Residential Facility Chronically Ill
- vii) Social Rehabilitation Facilities
- viii) Long-Term Care Facilities
- ix) Congregate Living Health Facilities
- x) Residential Substance Use Treatment Facilities
- xi) Mental Health Treatment Facilities

**c) Workplace Settings.**

- i) Places of employment as defined in [Cal/OSHA COVID-19 Prevention Non-Emergency Regulations](#), section 3205(a)(2)(A)-(D).

**d) Residential Congregate Settings.**

- i) Shelters for Persons Experiencing Homelessness
- ii) Emergency Shelters
- iii) Correctional Facilities
- iv) Group Homes, Boarding Houses; Overnight Camps

**e) Educational Settings**

- i) Adult and Child Daycare Facilities
- ii) TK-12 Schools
- iii) Institutes of Higher Education (IHE) programs, colleges, universities, and trade and technical schools

**5) Definitions.** For purposes of this Order the following terms have the meanings given below:

**a) COVID-19 Case.** A person who:

- i) Has a positive viral test (i.e., a PCR or antigen test, including self-administered and self-read tests) for COVID-19 and/or
- ii) Has a positive COVID-19 diagnosis from a licensed healthcare provider.

- b) **COVID-19.** COVID-19 means coronavirus disease 2019, the disease caused by the SARS-CoV-2 virus.
- c) **Linked COVID-19 Cases.** Cases that have had a close contact between persons as defined by the [Cal/OSHA COVID-19 Prevention Non-Emergency Regulations](#) or may include individuals who are members of the same risk cohort (for example, individuals were present at some point in the same setting during the same time period while they were infectious), even without an identified close contact.

**6) Laboratory and Provider Reporting Requirements.**

a) **All reporting laboratories must:**

- i) Report SARS-CoV-2 virus positive and non-positive test results (e.g., not detected, inconclusive, and specimen unsatisfactory) to LACDPH, via electronic transmission.

b) **All reporting laboratories that are not reporting electronically must:**

- i) Register with the California Department of Public Health (CDPH) [Health Information Exchange \(HIE\) Gateway](#) and complete the enrollment process for [Infectious Disease Electronic Laboratory Reporting](#) within 1 week of receipt of this Order.
- ii) Initiate Electronic Laboratory Reporting immediately upon completion of the onboarding process.

c) **All hospitals must:**

- i) Designate a liaison with their facility to coordinate and communicate with LACDPH regarding COVID-19.
- ii) Provide LACDPH a line list for all COVID-19 positive hospitalized inpatients, as detailed in the following reporting guidance:  
<http://publichealth.lacounty.gov/acd/docs/HospCOVIDReportingGuide.pdf>

d) **All mandated reporters must:**

- i) Report COVID-19 hospitalizations and deaths, as required by California Code of Regulations, Title 17, section 2500 and the State Public Health Officer Order: <https://www.cdph.ca.gov/Programs/CID/DCDC/Pages/COVID-19/Order-of-the-State-Public-Health-Officer-Revision-of-Mandatory-Reporting-of-Covid-19-Results-by-Health-Care-Providers.aspx>. More details on how to report are available at <http://publichealth.lacounty.gov/acd/ncorona2019/reporting.htm>

**7) COVID-19 Cluster Reporting Requirements for Various Sectors.**

- a) **Cluster Reporting Methods for All Sectors:** Facilities in sectors outlined in section 7 subdivisions (b) through (e) below must report clusters of COVID-19 cases to LACDPH online at <http://www.redcap.link/covidreport> or by phone at 888-397-3993

or 213-240-7821. Educational settings should follow the unique reporting methods outlined in Section 7(f).

- b) **Healthcare Facilities.** The Facility must report within 24 hours when they know of at least two (2) Linked COVID-19 Cases identified in patients four or more days after admission (i.e. nosocomial cases) or three (3) Linked COVID-19 Cases among staff within a 14-day period.
- c) **Skilled Nursing Facilities and Community Care Facilities.** The Facility must report within 24 hours when they know of at least one (1) COVID-19 Case in a resident or three (3) Linked COVID-19 Cases among staff within a 14-day period.
- d) **Workplace Settings.** Employers are required to report within 24 hours when they know of at least three (3) Linked COVID-19 Cases among an exposed group of workers (employees, assigned or contracted workers, or volunteers) within a 14-day period.
  - i) For large workplaces with more than 100 on-site workers, employers must also report when 5% of the workers are COVID-19 cases within a 14-day period, even if they are unlinked to each other.
- e) **Residential Congregate Settings.** Residential Congregate Settings must report within 24 hours when they know of at least three (3) Linked COVID-19 Cases among residents or staff
  - i) For large settings with more than 100 persons present in the setting, the Facility must report when 5% of the persons present are COVID-19 cases within a 14-day period, even if they are unlinked to each other.
- f) **Educational Settings (TK-12 Schools, Early Care and Education (ECE), and Colleges and Universities).** Educational settings must notify LACDPH of all clusters of at least three (3) Linked COVID-19 Cases who were on campus at any point within the 14 days prior to illness onset date (school-associated cases). Cases include employees, children/students, and visitors.
  - i) All site-associated COVID-19 clusters should be reported online through the secure web application, the Shared Portal for Outbreak Tracking (SPOT): [https://spot.cdph.ca.gov/s/?language=en\\_US](https://spot.cdph.ca.gov/s/?language=en_US). All clusters with information for the cases should be reported to LACDPH immediately, and no later than 1 business day of being notified of the third, or last, case in the cluster. Educational settings that need assistance with reporting can contact: [ACDC-Education@ph.lacounty.gov](mailto:ACDC-Education@ph.lacounty.gov)

- 8) **Obligation to Follow County Health Officer Orders and Directives and Mandatory State and Federal Rules.** All Facilities and Workplaces must follow any applicable orders of the County Health Officer and any applicable rules issued by state or federal authorities, including but not limited to Cal/OSHA regulations. Based on local health conditions, this Order may include a limited number of health and safety requirements that are more protective or more detailed than those contained under other rules. Employers must adhere to applicable Cal/OSHA regulations relating to COVID-19 health and safety measures in

COUNTY OF LOS ANGELES DEPARTMENT OF PUBLIC HEALTH  
ORDER OF THE HEALTH OFFICER

the workplace. In the event of a conflict between provisions of any County Health Officer Order and any order or rule, the provision that is more protective of health supersedes the conflicting, less protective provisions of the other order or rule.

- 9) Copies.** The County shall promptly provide copies of this Order by: (a) posting it on the Los Angeles Department of Public Health's website ([publichealth.lacounty.gov](http://publichealth.lacounty.gov)), (b) providing it to any member of the public requesting a copy, and (c) issuing a press release to publicize the Order throughout the County.
- 10) Severability.** If any subsection, sentence, clause, phrase, or word of this Order or any application of it to any person, structure, gathering, or circumstance is held to be invalid or unconstitutional by a decision of a court of competent jurisdiction, then such decision will not affect the validity of the remaining portions or applications of this Order.
- 11) Amendments to Order.** This Order may be revised in the future as the State Public Health Officer amends its guidance to reflect evolving public health conditions and recommendations issued by the federal Centers for Disease Control and Prevention (CDC) and other public health authorities. Should local COVID-19 conditions warrant, the County Health Officer may issue orders that are more protective than the guidance and orders issued by the State Public Health Officer.
- 12) Statutory Authority.** This Order is issued pursuant to California Health and Safety Code (HSC) section 120175; California Code of Regulations (CCR), Title 17, section 2501; and Los Angeles County Code, section 11.04.010.
- 13) Effective Date.** This Order shall become effective at 12:01am Monday, April 3, 2023, and will continue to be until it is revised, rescinded, superseded, or amended in writing by the County Health Officer.

**IT IS SO ORDERED:**

A handwritten signature in blue ink, appearing to read 'Muntu Davis, M.D., M.P.H.', is written over a horizontal line.

3/30/2023

**Muntu Davis, M.D., M.P.H.**

County Health Officer,  
County of Los Angeles
