LOS ANGELES COUNTY COMMISSIONERS COUNTY-RELATED FINANCIAL DISCLOSURE QUESTIONNAIRE

The following questionnaire requests certain information with respect to the financial and other interests that may be connected with the County or with your duties as a commissioner, committee member, or board member. In the spirit of the purposes of such disclosure, your answers should be liberally construed to disclose any interests that might be reasonably expected to be particularly affected by commission/committee/board action or to be disclosed in the public interest. Before answering any of the questions, please read the definitions listed below carefully; they are intended to further your understanding of the types of information that should be disclosed.

NOTE: The information called for in the financial disclosure questionnaire relates only to income, real property, investments, or business interests which are the subject of business transactions with the County, or which are subject to the regulation, inspection, or enforcement authority of the County or of the commission, committee or board for which you are being considered for appointment. YOU ARE NOT REQUIRED to disclose this information if such is not the case.

When describing any investment of business interest, you need only describe it sufficiently to identify it. Thus, with respect to real property, the address or other precise identification of the location would be given. With respect to ownership interests in business entities the name of the business entity and a statement of the nature of your interest (e.g., common stock, partnership interest, director, trustee, etc.) is sufficient.

With respect to disclosure of remuneration, the business entity that is the source should be described, but the nature of the income (e.g., dividends, salary, etc.) need not be described.
