Mayor and Members of City Council
City of Rancho Palos Verdes
30940 Hawthorne Boulevard
Rancho Palos Verdes, CA 90275

Dear Mayor Cruikshank and Councilmembers,

I am writing to you about the five million dollars in funding that I am providing your city in response to the ongoing land movement that has devastated homes and communities across Rancho Palos Verdes. While I understand that the city has major costs associated with this disaster, I urge you to use this funding to immediately provide individual assistance to the impacted residents.

I talk to people every day who are at the end of their rope. We still need to fight for more state and federal resources. But in the meantime, our residents are getting more desperate every day, and they need this help now.

My office and the County stand ready to help you put together a process that expedites this assistance. We can't allow this funding to be caught in any red tape. This is a crisis, and we need to meet this moment.

Sincerely,

JANICE HAHN
Supervisor, 4th District
County of Los Angeles
