**Virtual Community Meeting Saturday, January 18th 4:00 p.m.:** Eaton Fire officials will host a virtual community meeting and provide an update on the current fire situation, address questions, and discuss recovery. The meeting will be streamed live on YouTube: <https://www.youtube.com/@LosAngelesCountyFD>. A question-and-answer session will follow the presentation. Please submit your questions in advance via email at [2025.eaton@firenet.gov](mailto:2025.eaton@firenet.gov).

**Current Situation:** Today, the incident will continue infrastructure assessments, ensuring safety of personnel and equipment working in the area. The HazMat response which provides decontamination to personnel and equipment will remain active. Air Operations will continue to assist firefighters in extinguishing hot spots that are inaccessible by ground. Containment continues to increase, with a total of 60 miles of control lines established around the fire's perimeter, including 8 miles of hand lines. As repopulation efforts progress, the focus remains on ensuring that people are allowed back into a safe and secure environment.

**Weather:** Marine influence will gradually diminish throughout the day. By Sunday, relative humidity is forecasted to decrease to around 30 percent. Mild, terrain-driven winds will continue through Sunday. Very dry conditions are predicted for Monday and Tuesday, with minimum relative humidity as low as 8 percent.

**Damage Assessment:** Damage inspection teams have completed inspections for 90% of all structures within the fire perimeter.
