

JOIN OUR VIRTUAL TOWN HALL

LA COUNTY POST-FIRE ASSESSMENT PLAN

MAY 29 | Thursday | 6:00 PM

Join the Los Angeles County Department of Public Health and partners for a virtual town hall on the ongoing post-fire recovery efforts, including:

- Latest Lead Testing Results
- Mosquito Control Support
- Launch of the Eaton Area Soil Testing Program

Experts will share soil and lead testing findings, discuss mosquito prevention strategies, and answer your questions about protecting your health and property during the recovery.
