

Join us in conversation to help create communities that . . .

. . . Reduce carbon pollution and curb climate change through land use and transportation

--BOB BROWN, *former San Rafael Community Development Director*

. . . Deliver housing choices that meet equity, economic, and environmental needs

--THE REV. BETTY PAGETT, *housing advocate, League of Women Voters of Marin*

. . . Respect environmental constraints and the natural environment

--NONA DENNIS, *former President, Marin Conservation League; environmental advocate*

. . . Create vital, livable communities that express architectural richness of place

--JOHN KING, *urban design critic, San Francisco Chronicle*

*Moderated by KATE SEARS, Marin Supervisor
(with ample time for audience questions & comments)*
