How to Comment on Marin County Board of Supervisors' Meeting Agenda Items

In response to the local shelter-in-place order, the County of Marin has made several changes to Board of Supervisors' meetings. In compliance with the Governor's order to stay home, and to protect the public's health and prevent the disease from spreading, in-person participation at Board of Supervisors meetings is **not allowed** at this time. You may participate in the meetings remotely.

Here are the ways you can share your opinions!

Before the Meeting—Send an email

Before the meeting: Email your comments to BOS@marincounty.org no later than 3:30 p.m. the Monday before the Board meeting date. Include the agenda item number you are addressing, your name, and address. Emailed comments will be forwarded to the Board of Supervisors and will be placed into the public record. (Attachments to emails are permitted.)

During the meeting — Submit an online comment

Submit your agenda comments **during** the meeting — to be read **during** the meeting.

While the Board meeting is in progress, complete the specific comment form available at <https://www.marincounty.org/depts/bs/meeting-comments> - for **each** agenda item you want to “speak” on. During the meeting, your comment will be read (up to a time limit set by the Board President) when the specific agenda item is considered by the Board. Your comment will become part of the public record.

(In order to ensure staff receives your comment **during** the meeting, it is recommended that you submit your remarks using the comment form *early in the meeting*. Only one comment per speaker will be read. Attachments to the comment form are **not** permitted and will not be read. Use BOS@marincounty.org to transmit comments with attachments. The comment form is available **only** while the Board meeting is in progress.)
