

PUBLIC MEETING NOTICE

Marin Avenue Safety Study

Date	October 15, 2026 • 6:00 PM
Location	Tam Valley Community Center 203 Marin Ave, Mill Valley, CA 94941
Purpose	Review updated concepts and provide community feedback

Help Shape the Future of Marin Avenue

Join Marin County Public Works to review proposed concepts for future safety improvements along Marin Avenue. Your input is an important part of the process and will help guide the project team as the concepts are further refined. Please join us to learn more, review the proposed concepts, and share your feedback with the project team.

Project Concepts

- Extend the north-side sidewalk on Marin Avenue from Spruce Street westward to Maple Street (Focus Area 1).
- Develop concepts to improve traffic safety on Marin Avenue from Maple Street to Bell Lane (Focus Areas 1 and 2).
- Review updated concepts and discuss potential benefits and tradeoffs.
