

Organization Mission:

Advocates for Mentally Ill Housing, Inc. (AMIH) is a Placer County based non-profit organization seeking to enrich the lives of people with mental illness through housing, employment, and supportive services.

Position Summary:

AMIH is seeking people with personal lived mental health experience for a full time position on the Mobile Crisis Team within the Placer County Department of Health and Human Services. Duties may include but are not limited to the following: general office duties, administrative support, answering a warm line, assisting the on duty Mobile Crisis Clinicians on evaluating clients in the field, as well as other duties as assigned. Previous experience in direct client services preferred.

Qualifications Required:

- Personal lived experience with mental illness.
- Willingness to complete job related tasks and accept training.
- Must have a flexible schedule, including some evening shifts.
- High school diploma or GED
- A positive attitude, and works well with different personalities and cultures.
- Knowledge of computers, MS Office, or email.
- Fingerprints, drug and alcohol testing, and criminal background checks are required pre-employment.
- Previous experience in direct client services preferred.

AMIH is an equal opportunity and drug free employer.
