Free Workshop Series

CalJOBS: Overview and Resume Builder

CalJOBS is a California online resource to help job seekers. If you are new to CalJOBS, this overview workshop will introduce you to the most important features including the Dashboard, Background Wizard, Resume Builder and Virtual Recruiter. Learn to navigate this comprehensive website to find employment and future training opportunities. The first hour of class will be dedicated to registering you for a CalJOBS account. The next two hours you will dig deeper into the world of CalJOBS. Get hands-on assistance from a qualified instructor.
