

SUNPOWER®

by Hooked on Solar

Now Hiring for Solar Coordinators!

Are you looking for a long-term sales career with dedicated growth potential?

Do you want to work for a locally- & family-owned company committed to its community?

Does the future of solar power excite you?

If you said “yes” to all those questions, this could be the opportunity for you!

The **Solar Coordinator** position is a **full-time, entry-level** position responsible for following up with potential clients via phone to set consultation appointments, so **people skills, tenacity, & organization** are essential!

The position pays **\$15-17/hour, plus benefits & performance incentives** that, with proven excellence, opens the door to promotion to the positions of Solar Advisor and, eventually, Solar Consultant.

For more information & application instructions, please go to [the Indeed posting](#) or email your **Cover Letter & Resume** to [Don & Everett](#) with your name and “Solar Coordinator Position” in the subject line.
