

Title of Email: Last Chance to Register – Total Internship Management Workshop

This is your last chance to register for the Total Internship Management Workshop!

Next Wednesday (September 25th), The Lincoln Chamber of Commerce, Sacramento State University, SAFE Credit Union, The El Dorado Hills Chamber of Commerce, The Loomis Basin Chamber, The Roseville Chamber of Commerce, Golden Sierra, Placer County, Sierra College, The Rocklin Chamber of Commerce, Valley Vision and William Jessup University will welcome **Dr. Robert Shindell from [Intern Bridge](#)**, the nation's leading experiential education consulting firm to share a newfound approach to internships based on in-depth research and proven strategies. In this full-day, highly interactive and participatory workshop, participants will learn how to:

- Effectively implement an impactful internship program;
- Utilize software to manage your intern projects and programs;
- Identify future hires through a no-strings-attached 12-week interview;
- Create and maintain a pipeline of highly qualified and educated full-time job candidates;
- Increase your organization's brand awareness on university and college campuses; and

Check out some of the comments from past participants in this unique event:

"Great session. We have an established program with 70+ summer interns at more than 15 locations but I still learned a lot about how we can improve our program. Walking away with a list of ways to improve and action items; great session and well worth the time."

"I had not seen an agenda so I was not sure what to expect. Great PowerPoints and handouts. In the last 30 years I have been to dozens of workshops. Dr. Robert is in the 2% of all presenters I have had the opportunity to hear."

"Better than I anticipated! Great and relevant to our business needs. Dr. Robert did a great job of communication and sharing practical ideas to help develop and grow internship programs. Liked the light hearted and fun approach. Great event connecting regional academic and businesses together!"

This workshop has been accredited by both HRCI and SHRM-PDC and by attending you will receive six (6) CEU Credits!

If you would like to have multiple team members from your organization attend, [click here](#) to receive a very special discount code for 50% off additional registrations!
