

**Powder Coat Position**  
**6:30 am - 3:00 pm Monday - Friday**  
**3:00 pm – 1:30 am Monday - Thursday**

This position entails the following:

Preparation of parts for powder coating including but not limited to: cleaning parts with denatured alcohol, applying/removing heat resistant tape and/or plugs for the powder coating process, applying powder coat materials utilizing all safety gear, and all other duties as required.

The successful candidate will possess the following:

- ❖ A commitment to producing quality work with a strong attention to detail
- ❖ Skilled at multitasking in a fast-paced work environment
- ❖ The capacity and willingness to work well within a diverse team
- ❖ An eagerness to increase their skill-sets in manufacturing
- ❖ Ability to routinely lift, hang and move parts weighing 50 - 75 pounds

Work Conditions:

We offer a friendly, team-oriented work environment with an opportunity for overtime and benefits that include medical, dental, 401k plan, paid time off (PTO) and holidays upon successful completion of probation.

Experience in Powder Coating, Automotive Paint, or Metal Finishing are a plus for this position.

**All candidates must be able to successfully pass a pre-employment drug/alcohol screening as a condition of employment.** We are committed to maintaining a drug and alcohol-free workplace that promotes a safe, healthy and productive work environment for all employees.

Please submit a resume or work history outlining your relevant experience to be considered for this **immediate** opportunity.
