

12745 Earhart Dr
Auburn, CA 95602

We are immediately hiring for all positions

Currently we are filling the 1st position hours are 6am to 4:30pm.

Air International is looking for qualified (Or very eager to learn) Production/Assembly Line workers. We are manufacturing HVAC units for cars. Each station will add a part to the HVAC unit and then the unit will be tested and ready to ship. This requires standing, lifting and close attention to detail. Weekends (Saturday work) will be mandatory, this all depends on meeting our Customer's quota. We are trying to switch between shifts for alternating our Saturday work.

Currently we are filling the 2nd position hours are 5pm to 3:30am.

Air International is looking for qualified (Or very eager to learn) Production/Assembly Line workers. We are manufacturing HVAC units for cars. Each station will add a part to the HVAC unit and then the unit will be tested and ready to ship. This requires standing, lifting and close attention to detail. Weekends (Saturday work) will be mandatory, this all depends on meeting our Customer's quota. We are trying to switch between shifts for alternating our Saturday work.

You will be paid bi-weekly, every 2 weeks and Friday is payday.
