

The County has partnered with our Deferred Compensation vendors Nationwide and AIG (aka VALIC) to offer individualized service in the workplace by offering weekly office hours in the County Administrative Center (CAC) in Conference Room 1 on the first floor.

By taking the time to understand your personal situation, the Deferred Compensation vendors can provide the guidance you need to help you plan your future with confidence and to:

- Identify your retirement goals
- Increase your savings potential
- Develop a personalized retirement plan
- Understand investment options
- Keep track of your retirement plan over time
- Make contribution changes

County employees may take full advantage of receiving professional advice from a qualified financial consultant through the County's Deferred Compensation Savings Plan vendors at no cost.
