**1. SUBJECT: A BETTER COORDINATED AND MORE ROBUST DISPATCH SYSTEM
IN THE REGION (DISTRICTS: ALL)**

OVERVIEW

The San Diego region is home to five separate fire and EMS dispatch centers. San Diego Fire, North County Dispatch (North Comm), Heartland Communications, Escondido and CAL FIRE/County Fire all operate dispatch centers at different locations in the region.

Recently, the City of San Diego commissioned a report to look at the future needs of their dispatch center since they have outgrown their existing location. Included in the report was the option to merge with other existing dispatch centers. The concept of merging fire dispatch centers has been a long-standing discussion among policy makers and public safety officials in San Diego County. The need to modernize and expand dispatch service isn't limited to the City of San Diego. North Comm and Heartland are both bursting at the seams and actively planning for replacement facilities.

Ideally, a merger or co-location of the four existing dispatch centers would bring cost savings and operational efficiencies. Most importantly, co-locating dispatch agencies in one location would offer a better coordinated and more robust dispatch of fire and EMS resources.

Today's action directs the Chief Administrative Officer to take the necessary steps to participate in the planning stages of a consolidated fire and EMS dispatch center that could include the CAL FIRE/County Fire, San Diego Fire, Heartland Communications, Escondido and North Comm.

RECOMMENDATION(S)

VICE-CHAIRWOMAN DIANNE JACOB AND SUPERVISOR BILL HORN

Direct to the Chief Administrative Officer to take the necessary steps to participate in the planning stages of a consolidated fire/EMS dispatch center that could include CAL FIRE/County Fire, San Diego Fire, Heartland, Escondido and North Comm.

FISCAL IMPACT

Funds for this request to participate in initial planning for a consolidated dispatch center are included in the Fiscal Year 2017-18 Operational Plan. There will be no change in net General Fund cost and no additional staff years. If additional appropriations are needed for planning activities, staff will return to the Board.

**2. SUBJECT: NOTICED PUBLIC HEARING:
FIRE MITIGATION FEE PROGRAM REVIEW COMMITTEE ANNUAL
REPORT AND ORDINANCE AMENDMENT (DISTRICTS: ALL)**

OVERVIEW

On December 11, 1985 (11), the Board of Supervisors adopted the Fire Mitigation Fee (FMF) Ordinance. The ordinance created a program to collect and allocate funds to fire agencies in unincorporated areas of San Diego County for the provision of capital facilities and equipment to serve new development. Since fire agencies lack legal authority to impose mitigation fees directly, the County collects a fee from applicants when building permits are issued and

distributes the funds to each of the fire agencies quarterly. The fire districts use these funds to purchase equipment that will serve new development. The fire districts cannot use the funds to offset shortages in their existing program budgets.

The Board established the FMF Review Committee to provide oversight of the FMF program. This includes reviewing the fire agencies' annual expense reports to ensure improvement projects were necessary to serve new development and making recommendations to the Board on adjustments in the mitigation fee amount. Fees can increase or decrease to keep pace with the actual costs of construction for fire and emergency medical services-related facilities in association with new development. This oversight requires two steps to be taken by the Board.

Today's proposed Board actions will authorize the receipt of the Fiscal Year 2016-2017 report by the FMF Review Committee and approve the introduction of an ordinance to implement fee changes recommended by the committee. If today's request is approved, the Board will then consider adoption of the ordinance on May 15, 2018.

RECOMMENDATION(S)
CHIEF ADMINISTRATIVE OFFICER

On May 8, 2018:

1. Receive the report from the FMF Review Committee for Fiscal Year 2016-2017, which shows that the participating fire agencies are in conformance with the County FMF Ordinance (Attachment A).
2. Approve introduction, read title, and waive further reading of the following ordinance (Attachment B) (first reading): AN ORDINANCE AMENDING SECTION 810.309 OF THE SAN DIEGO COUNTY CODE OF REGULATORY ORDINANCES RELATING TO FIRE MITIGATION FEES.

If, on May 8, 2018 the Board takes the actions recommended above, then on May 15, 2018:

1. Find that the adoption of the proposed ordinance is exempt from the California Environmental Quality Act (CEQA), as specified under Section 15273(a) of CEQA Guidelines.
2. Consider and adopt the following ordinance (second reading): AN ORDINANCE AMENDING SECTION 810.309 OF THE SAN DIEGO COUNTY CODE OF REGULATORY ORDINANCES RELATING TO FIRE MITIGATION FEES.

FISCAL IMPACT

There is no fiscal impact associated with this request. During Fiscal Year 2016-2017 the FMF Program, which is managed by the County, collected \$1,424,796.99 in revenue and distributed the funds among local fire agencies on a quarterly basis. There will be no change in net General Fund cost and no additional staff years will be required.

BUSINESS IMPACT STATEMENT

The proposed FMF increases are \$0.02 per square foot for general buildings and \$0.01 per square foot for agricultural buildings without sprinklers. The proposed increases will raise the fee ceiling from 56 cents per square foot to 58 cents per square foot for general buildings and from 15 cents per square foot to 16 cents per square foot for agricultural buildings without sprinklers.

3. **SUBJECT: SHERIFF - ESTABLISH APPROPRIATIONS FOR THE FISCAL YEAR 2016 HOMELAND SECURITY GRANT PROGRAM; ESTABLISH APPROPRIATIONS FOR THE FISCAL YEAR 2017 HOMELAND SECURITY GRANT PROGRAMS FROM THE U. DEPARTMENT OF HOMELAND SECURITY PASSED THROUGH THE CALIFORNIA GOVERNOR'S OFFICE OF EMERGENCY SERVICES FOR THE STATE HOMELAND SECURITY PROGRAM (SHSP) AND PASSED THROUGH THE CITY OF SAN DIEGO OFFICE OF HOMELAND SECURITY FOR THE URBAN AREA SECURITY INITIATIVE (UASI); AND ESTABLISH APPROPRIATIONS FOR THE FISCAL YEAR 2018 DOMESTIC CANNABIS ERADICATION/SUPPRESSION PROGRAM (DCE/SP) FROM THE U. S. DEPARTMENT OF JUSTICE DRUG ENFORCEMENT ADMINISTRATION (DISTRICTS: ALL)**

OVERVIEW

On February 14, 2017 (1), the Board of Supervisors approved the acceptance of Fiscal Year (FY) 2016 Homeland Security Grant Program (HSGP) funds from the U.S. Department of Homeland Security (DHS), passed through the California Governor's Office of Emergency Services (Cal OES), and subgranted to the County of San Diego Office of Emergency Services and the City of San Diego Office of Homeland Security (OHS). HSGP is comprised of three interconnected grant programs: State Homeland Security Program (SHSP), Urban Areas Security Initiative (UASI), and Operation Stonegarden (OPSG).

The U.S. DHS, under its FY 2017 Homeland Security Grant Program, awarded the Sheriff's Department a total of \$5,355,020. Of that, \$1,389,903 supports the State Homeland Security Program (SHSP) for the project period of September 1, 2017 to May 31, 2020 and \$3,965,117 supports the Urban Areas Security Initiative (UASI) for the project period of September 1, 2017 to December 31, 2019.

On September 29, 2015 (2), the Board of Supervisors authorized the Sheriff to execute the annual revenue contract with the U.S. Department of Justice Drug Enforcement Administration and annual Memorandum of Agreement with participating local law enforcement agencies for the Domestic Cannabis Eradication/Suppression Program (DCE/SP), and on July 19, 2016 (4), the Board of Supervisors authorized the Sheriff to apply for the U. S. DOJ DEA's DCE/SP funding.

This is a request to authorize the Sheriff to establish appropriations as follows:

4. **SUBJECT: BORREGO SPRINGS LIBRARY - THIRD AMENDMENT TO LEASE AGREEMENT AT 587 PALM CANYON DRIVE, SUITES 125 & 128, BORREGO SPRINGS (DISTRICT: 5)**

OVERVIEW

On April 22, 2008 (08), the Board of Supervisors approved a lease agreement for 3,787 square feet of space in a retail center for a library in Borrego Springs. The Borrego Springs Library has become a popular gathering place for the community. Due to increased demand for library services at the Borrego Springs branch, on May 10, 2016 (07), the Board of Supervisors authorized the advertisement and award of a design-build contract for construction of a new Borrego Springs Library which is scheduled to be completed in December 2018.

Today's request is for approval of a Third Amendment to Lease Agreement with James L. Wermers, lessor of the existing library lease. The proposed amendment will extend the term of the lease to provide flexibility for the library to remain open in the existing leased space until construction of the new library is completed.

RECOMMENDATION(S)**CHIEF ADMINISTRATIVE OFFICER**

1. Find that the proposed project is exempt from the California Environmental Quality Act (CEQA) pursuant to State CEQA Guidelines section 15301.

2. Approve and authorize the Director, Department of General Services, to execute the Third Amendment to Lease Agreement for the existing library premises at 587 Palm Canyon Drive, Borrego Springs, with James L. Wermers, the lessor.
3. Authorize the Director, Department of General Services, to exercise the option(s) to extend the lease prior to its expiration, if appropriate.

FISCAL IMPACT

Funds for this request are included in Fiscal Year 2017-19 Operational Plan for Library. 5. **SUBJECT: GENERAL SERVICES - ESTABLISH JOB ORDER CONTRACT CAPACITY AND AUTHORIZE THE DIRECTOR OF PURCHASING AND CONTRACTING TO ADVERTISE AND AWARD JOB ORDER CONTRACTS (DISTRICTS: ALL)**

OVERVIEW

The Department of General Services requests authority to establish \$121 million in job order contracting capacity to execute approved capital and major maintenance repair and remodeling work. The job order contracting authority would be utilized for work budgeted within departments for the Major Maintenance Improvement Program, minor capital remodels, along with other general maintenance and repairs. Contracts are advertised periodically based on major maintenance and department forecasts of work, with job orders issued under these contracts on an as-needed basis as projects are funded. The County would continue to issue smaller, specialty, job order contracts that provide greater opportunity for smaller, local, contractors to participate in this program.

Today's action requests the Board of Supervisors to authorize the advertisement and award of job order contracts to execute capital and major maintenance programs, including unanticipated and emergency work identified by departments.

RECOMMENDATION(S)

CHIEF ADMINISTRATIVE OFFICER

1. Find that the proposed action is not subject to the California Environmental Quality Act (CEQA) under Article 5, Section 15060(c)(3) of the State CEQA Guidelines because it is not a project as defined by Section 15378.
2. Authorize the Director, Department of Purchasing and Contracting to advertise and award job order contracts and to take any action in accordance with Section 401, et seq. of the Administrative Code and Public Contract Code section 20128.5, with respect to job order contracting.

3. Designate the Director, Department of General Services as the County officer responsible for the administration of all contracts associated with job order contracting for the County of San Diego.

FISCAL IMPACT

There is no direct fiscal impact as a result of today's requested action. If approved, this request will result in the establishment of contracts totaling up to \$121 million in capacity. Funding for issuance of job orders under the awarded contracts is budgeted by departments for specific project requests. There will be no change in net General Fund costs and no additional staff years.

BUSINESS IMPACT STATEMENT

Expenditures resulting from this action would create private sector jobs and economic opportunities in San Diego County. Contractors in the job order contracting program provide jobs for small sub-contractors who may not have the insurance or bonding capabilities to bid directly for County of San Diego projects.

6. SUBJECT: NEIGHBORHOOD REINVESTMENT PROGRAM GRANTS (DISTRICT: 2)

OVERVIEW

2. Find that the grant award described above have a public purpose.
3. Authorize the Deputy Chief Administrative Office/Auditor and Controller to execute a grant agreement with the organization awarded Neighborhood Reinvestment Program funds establishing terms for receipt of the funds and to make minor amendments to the agreement that are consistent with the general purpose of the grant but does not increase the grant.
4. Find that the proposed grant identified in Recommendation No. 1 is exempt from review under the California Environmental Quality Act (CEQA) by Section 15301 of the CEQA Guidelines.

FISCAL IMPACT

The County contribution to this project is \$8,500. Funds for this request are included in the Fiscal Year 2017-2018 Operational Plan for the Neighborhood Reinvestment Program (Org 15655). SECOND CONSIDERATION AND ADOPTION OF ORDINANCE: AN
ORDINANCE ADDING SECTION 86.02 TO THE SAN DIEGO COUNTY
CODE OF ADMINISTRATIVE ORDINANCES, AUTHORIZING
INTER-COUNTY TRANSFERS OF BASE YEAR VALUES FOR
PROPERTY TAX PURPOSES TO REPLACEMENT PROPERTY
FOLLOWING A DISASTER (FIRST READING: APRIL 24, 2018;
SECOND READING: MAY 8, 2018) (DISTRICTS: ALL)**

OVERVIEW

On April 24, 2018 (8), the Board introduced the Ordinance for further consideration and adoption on May 8, 2018.

The San Diego County Assessor is responsible for assessing all taxable property for property tax purposes. The Assessor is also responsible for reassessing real property upon a change in ownership or new construction.

Revenue and Taxation Code Section 60 defines a change in ownership as a transfer of a present interest in real property, including the beneficial use thereof, the value of which is substantially equal to the value of the fee interest.

Revenue and Taxation Code Section 110.1 requires assessors to reassess a property to its full cash value or market value as of the date of a change in ownership, thereby establishing the property's new base year value.

Revenue and Taxation Code Section 69.3 provides that the County Board of Supervisors may adopt an ordinance that authorizes the transfer of the base year value of real property that is located within another county and has been substantially damaged or destroyed by a Governor declared disaster to a comparable replacement property located within the adopting county.

Submitted for approval is an ordinance adding Section 86.02 to the San Diego County Code of Administrative Ordinances, authorizing inter-county transfers of base year values for property tax purposes to replacement property following a disaster. Today's request requires two steps: approval of the first reading of the ordinance on April 24, 2018 and adoption of the ordinance on May 8, 2018.

RECOMMENDATION(S)

**ERNEST J. DRONENBURG, JR., ASSESSOR/RECORDER/COUNTY CLERK AND
SUPERVISOR BILL HORN, DISTRICT 5**

Adopt the Ordinance entitled:

**AN ORDINANCE ADDING SECTION 86.02 TO THE SAN DIEGO COUNTY CODE OF
ADMINISTRATIVE ORDINANCES AUTHORIZING INTER-COUNTY TRANSFERS OF
BASE YEAR VALUES FOR PROPERTY TAX PURPOSES TO REPLACEMENT
PROPERTY FOLLOWING A DISASTER.**

FISCAL IMPACT

If adopted, this ordinance will result in a projected annual revenue loss averaging \$1,700 per property approved for the base year value transfer. This projection is based on historical data from the similar inter-county base year value transfer program for seniors pursuant to Revenue

and Taxation Code section 69.5. As of 2018, the counties of Los Angeles and Orange, for example, have processed and approved only one application for a base year value transfer pursuant to Revenue and Taxation Code section 69.3.

Adoption of this ordinance will require no additional staff or departmental budget to implement as the San Diego County Assessor's office currently processes a similar program with the inter-county base year value transfer program for seniors. There will be no change in net General Fund cost.

The Board of Equalization, in their "Report on Budgets, Workloads, and Assessment Appeals Activities 2015-16" report, estimated the total "number of single residential parcels affected by Misfortune/Calamity" statewide as of June 30, 2016 to be about 0.06%. There reflects the very limited number of homeowners that could possibly qualify for relief under this proposed ordinance.
