- SUBJECT: ORDINANCE AMENDING SECTIONS OF THE SAN DIEGO COUNTY CODE OF REGULATORY ORDINANCES RELATING TO THE SOCIAL HOST LIABILITY FOR CONSUMPTION OF ALCOHOLIC BEVERAGES AND/OR MARIJUANA BY MINORS (FIRST READING OF ORDINANCE - 4/30/2019; SECOND READING OF ORDINANCE - 5/21/2019) (DISTRICTS: ALL)**

OVERVIEW

In 2003, the County of San Diego established a social host ordinance which imposes civil and criminal liability on adults owning or controlling private residences or premises who fail to properly supervise minors and prevent them from obtaining, possessing, or consuming alcoholic beverages. However, with the passage of Proposition 64 in 2016, which made the use of marijuana legal for adults under certain circumstances, minors are now more likely to be exposed to marijuana and the harmful effects on their health.

Since marijuana may be dangerous for children and minors' brain development, and can lead to other substance abuse, today's board action seeks to amend the County's Social Host Ordinance, which makes it illegal to provide an environment where underage drinking takes place, to now include marijuana as a substance that cannot be consumed by a minor in such social settings, except for medical purposes if authorized under state law.

RECOMMENDATION(S)

CHIEF ADMINISTRATIVE OFFICER

Approve the introduction of the Ordinance (first reading), read title and waive further reading of the Ordinance:

AN ORDINANCE AMENDING SECTIONS OF THE SAN DIEGO COUNTY CODE OF REGULATORY ORDINANCES RELATING TO THE SOCIAL HOST LIABILITY FOR CONSUMPTION OF ALCOHOLIC BEVERAGES AND/OR MARIJUANA BY MINORS.

If, on April 30, 2019, the Board takes the action as recommended, then on May 21, 2019 consider and adopt the Ordinance (second reading):

AN ORDINANCE AMENDING SECTIONS OF THE SAN DIEGO COUNTY CODE OF REGULATORY ORDINANCES RELATING TO THE SOCIAL HOST LIABILITY FOR CONSUMPTION OF ALCOHOLIC BEVERAGES AND/OR MARIJUANA BY MINORS.

FISCAL IMPACT

There is no fiscal impact associated with today's requested actions to amend the San Diego County Code. There will be no change in net General Fund costs and no additional staff years.

2. SUBJECT: SUPPORT FOR H.R. 838 (DISTRICTS: ALL)

OVERVIEW

House of Representatives Bill 838 (Congressman Brian Babin), the Threat Assessment, Prevention, and Safety (TAPS) Act, will standardize and provide a behavioral threat assessment and management process across the Country.

For decades, behavioral threat assessment and management has been in place to counter targeted violence for our presidents and foreign dignitaries. HR 838 will use these strategies to develop this threat assessment to protect our children and local communities.

The TAPS Act will provide states the training, resources, and support needed to establish community-based, multidisciplinary behavioral threat assessment and management units. These units will seek to enact best practices using locally driven efforts. The San Diego District Attorney's office has already implemented processes very much in line with the TAPS Act that have contributed to successful interventions in potential high threat situations, especially targeting our schools.

The TAPS Act recognizes that threat assessment and management processes must become part of the culture and fabric of contemporary law enforcement. It is through efforts like these that we can best protect our schools and communities from tragic violent events.

Today's action directs the Chief Administrative Officer to draft a letter expressing this Board of Supervisors' support for House of Representatives Bill 838 to San Diego County's legislative representatives in Washington, DC, and adds to the County's legislative program support for legislation that would create a national strategy to prevent targeted violence through behavioral threat assessment and management, or funding to support training and implementation of a behavioral threat assessment.

RECOMMENDATION(S)

CHAIRWOMAN DIANNE JACOB AND DISTRICT ATTORNEY SUMMER STEPHAN

1. Direct the Chief Administrative Officer to draft a letter expressing this Board of Supervisors' support for House of Representatives Bill 838 to San Diego County's legislative representatives in Washington, DC.
2. Direct the Chief Administrative Officer to add to the County's Legislative Program support for legislation that would create a national strategy to prevent targeted violence through behavioral threat assessment and management or funding to support training and implementation of a behavioral threat assessment.

3. SUBJECT: PROTECTING LAW ENFORCEMENT AND THE PUBLIC DURING USE OF FORCE INCIDENTS (DISTRICTS: ALL)

OVERVIEW

Current California law for use of force by law enforcement is based on parameters set in state code in 1872, which is outdated and does not reflect the decisions of the U.S. and California Supreme Courts on use of force matters. Over the past several years there has been a debate in Sacramento regarding law enforcement use of force policies. Senate Bill 230, authored by Senator Anna Caballero, sets a clear and enforceable standard for authorizing use of force.

In 2017, it was reported that there were 172 law enforcement related deaths in California. In 2018, the incidents in which officers had to use deadly force dropped to 114, a 34% reduction in one year. However, even one death is too many. Therefore, law enforcement throughout the state has been working with non-profits, businesses, neighborhood groups, and individuals and public safety organizations to develop an evidence-based approach to use of force policies.

Under SB 230, law enforcement agencies will be required to adhere to the use of force standard developed by the U.S. Supreme Court. Every department will be mandated to adopt comprehensive policies in all 13 categories viewed as best practices for preventing use of force, including de-escalation, an officer's duty to intercede and reporting requirements.

SB 230 is supported by the California Police Chiefs Association, Peace Officers Research Association of California, California Narcotic Officers Association, and the Deputy Sheriff's Association of San Diego.

Conversely, Assembly Bill 392 would criminalize law enforcement actions in life-threatening situations by creating an unclear, arbitrary, subjective use of force. AB 392 is lacking in collaboration, creates a disastrous disincentive for law enforcement officers to engage, and does not improve training standards nor does it incorporate best practices.

Today's action will put the County of San Diego on record in support for Senate Bill 230 and in opposition to Assembly Bill 392.

RECOMMENDATION(S)

CHAIRWOMAN DIANNE JACOB AND SUPERVISOR JIM DESMOND

1. Direct the Chief Administrative Officer to draft a letter expressing this Board of Supervisors' support for State Senate Bill 230 to San Diego County's legislative representatives in Sacramento.
2. Direct the Chief Administrative Officer to add to the County's Legislative Program support for legislation which establishes guidelines that law enforcement agencies may adopt on the use of force, utilization of de-escalation techniques and training for peace officers related to use of force.
3. Direct the Chief Administrative Officer to draft a letter expressing this Board of Supervisors' opposition for State Assembly Bill 392 to San Diego County's legislative representatives in Sacramento.

4. Direct the Chief Administrative Officer to add to the County's Legislative Program opposition to legislation which seeks to establish unreasonable limitations for when a peace officer is justified to use force during an arrest, to prevent escape or to overcome resistance of an individual.

OVERVIEW

The Medical Examiner's Department is fortunate to receive donations from partners in furtherance of its mission of investigating and certifying causes and manners of death for thousands of cases each year. Those partners include Lifesharing, a nonprofit that coordinates organ donation in the San Diego region. Subject to approval by the Board of Supervisors, County of San Diego Administrative Code Article III, Section 66 Acceptance of Gifts and Board of Supervisors Policy A-112, Acceptance and Use of Gifts and Donations, permit the acceptance of gifts by the administrative heads of each department in the County.

**7. SUBJECT: EXPANDING THE INNOVATIVE HOUSING TRUST FUND
(DISTRICTS: ALL)**

OVERVIEW

With affordable housing options in this region becoming increasingly scarce, the San Diego County Board of Supervisors responded in 2017 by creating the Innovative Housing Initiative (Initiative) to increase the regional supply of affordable housing. The Initiative, launched with \$25 million of County funding, was structured to address housing needs by leveraging construction, acquisition and/or rehabilitation of housing for low income households and vulnerable populations. To date, the Initiative has significantly demonstrated its return on investment through 453 permanent affordable housing units currently underway with allocations totaling almost \$12 million through an initial Notice of Funding Availability (NOFA). The total development cost of these projects is over \$177 million.

The remaining \$13 million of the Innovative Housing Trust Fund, with an application deadline of March 5, 2019, had tremendous interest. The notification for recommended funding for viable projects is planned to take place this summer. With the anticipated expenditure of the entire \$25 million Fund, today's action seeks a second infusion of \$25 million for additional affordable housing projects. The recommendations include revisions to the ordinance in order to broaden the criteria for use of future monies to provide more opportunities for critical housing assistance.

Today's action supports the Initiative and the County's *Live Well San Diego* vision by ensuring that veterans, persons with disabilities, seniors, transition-age youth and families who are homeless and at-risk of homelessness have access to affordable housing, thereby enhancing their quality of life and promoting a healthy, safe and thriving region.

RECOMMENDATION(S)

CHAIRWOMAN DIANNE JACOB AND VICE-CHAIRMAN GREG COX

1. Find pursuant to Section 15061(b)(3) of the State of California Environmental Quality Act (CEQA) Guidelines that the proposed actions are categorically exempt from environmental review because the actions do not constitute approval of a project and it can be seen with certainty that there is no possibility that the activity in question will have a significant effect on the environment.
2. Refer to budget the establishment of an additional \$25,000,000 appropriation in order to expand funding for the Innovative Housing Trust Fund and direct the Chief Administrative Officer to identify the funding source.
3. Direct the Chief Administrative Officer to:
 - a. Revise Section 232.5 of Article XV of the San Diego County Administrative Code to include transitional housing as eligible projects in the criteria for the use and distribution of the funds from the Innovative Housing Trust Fund.
 - b. Revise Section 232.5 of Article XV of the San Diego County Administrative Code to include a preference for affordable housing projects located in the unincorporated areas of San Diego County in the criteria for the use and distribution of the funds from the Innovative Housing Trust Fund.
 - c. Specify that the changes in Recommendation 3 apply to money added into the Innovative Housing Trust Fund on or after June 30, 2019.

FISCAL IMPACT

Funds for this request are not in the Fiscal Year 2018-19 Adopted Operational Plan. If approved, this request will result in a referral to the Fiscal Year 2019-20 Recommended Operational Plan to establish an additional \$25,000,000 appropriation to be deposited in the Innovative Housing Trust Fund. Appropriations for individual projects will be established in the future based on funding from the Innovative Housing Trust Fund.

BUSINESS IMPACT STATEMENT

This proposal will have a positive impact on the business community since funded projects will involve construction work to be performed at various sites throughout the county. Contracts resulting from these recommendations will be executed with nonprofit and private sector firms and will involve a competitive bid process.

8. SUBJECT: ACCEPT MEDI-CAL ADMINISTRATIVE ACTIVITIES REVENUE AGREEMENT AND RESOLUTION (DISTRICTS: ALL)

OVERVIEW

The County of San Diego Health and Human Services Agency (HHS) participates in Medi-Cal Administrative Activities (MAA) revenue recovery efforts to provide reimbursement for various Medi-Cal related activities performed by County of San Diego (County) programs and community-based providers. On October 4, 2016 (2), the San Diego County Board of Supervisors (Board) approved a MAA Revenue Agreement to support County and community participation in Medi-Cal Administrative Activities.

Today's action requests the Board to approve and authorize the Clerk of the Board, upon receipt, to sign a three-year Revenue Agreement with the State of California, Department of Health Care Services (DHCS), for participating County and community-based providers to be reimbursed for Medi-Cal related activities. Additionally, today's action requests the Board approve a resolution, required by DHCS, including the Revenue Agreement number, purpose, amount, and terms. The current agreement will expire June 30, 2019. This board letter extends the agreement from July 1, 2019 to June 30, 2022.

This action supports the *Live Well San Diego* vision of building better health, living safely, and thriving by ensuring that participating County and community-based providers receive eligible reimbursement for Medi-Cal administrative activities designed to make residents aware of and enroll in the Medi-Cal program.

RECOMMENDATION(S)

CHIEF ADMINISTRATIVE OFFICER

1. Approve and authorize the Clerk of the Board, upon receipt, to execute the Medi-Cal Administrative Activities revenue agreement with the State of California, Department of Health Care Services, in an amount of up to \$37 million, for the period of July 1, 2019 through June 30, 2022, and to execute subsequent amendments, extensions and renewals of the agreement that do not materially impact or alter the program or funding level.
2. Adopt a Resolution entitled: A RESOLUTION OF THE BOARD OF SUPERVISORS OF THE COUNTY OF SAN DIEGO AUTHORIZING ACCEPTANCE OF MEDI-CAL ADMINISTRATIVE ACTIVITIES REVENUE AGREEMENT.

FISCAL IMPACT

Funds for this request are included in the Fiscal Year 2018-20 Operational Plan in Health and Human Services Agency. If approved, this request will have no fiscal impact in Fiscal Year 2018-19 and result in costs and revenue of approximately \$5.9 million in Fiscal Year 2019-20, of which \$473,000 is from administrative fees that the County of San Diego may receive as a designated Medi-Cal Administrative Activities (MAA) Local Government Agency (LGA). The funding source is federal Medicaid revenue passed through the State of California, Department of Health Care Services. There will be no change in net General Fund cost and no additional staff years.

9. **SUBJECT: AUTHORIZATION TO APPLY FOR, ACCEPT, AND ADMINISTER CALIFORNIA EMERGENCY SOLUTIONS AND HOUSING PROGRAM FUNDS, AND ADOPT A RESOLUTION TO ACCEPT AND ADMINISTER THESE FUNDS (DISTRICTS: ALL)**

OVERVIEW

The State of California (State) recognizes the growing need to allocate significant investments to address the current homelessness crisis in California. As such, the State has provided unique and flexible funding opportunities that are intentionally broad to allow local communities to develop programs that meet specific identified needs.

The enacted FY 2018-19 state budget includes \$82 million for the California Emergency Solution and Housing (CESH) Program, providing grants to assist persons who are experiencing or are at risk of homelessness. In August 2018, the State of California Department of Housing and Community Development (State HCD) issued a first round of CESH funds, which on October 9, 2018 (5), the Board of Supervisors (Board) authorized the Health and Human Services Agency (HHS) to apply for and accept. On March 21, 2019, State HCD issued a second and final NOFA, which made additional funds available through CESH, of which, San Diego County is allocated \$1,402,727. HHS, in collaboration with the Regional Task Force on the Homeless, proposes to use this unique opportunity and flexible funding to serve individuals and families that are experiencing or are at risk of homelessness.

Over the past several years, the Board has made significant investments in outreach, treatment, and housing services to people experiencing mental illness and homelessness. Efforts include the creation of the Innovative Housing Trust Fund with a \$25 million investment, identifying excess County properties to build affordable housing, and development of the Whole Person Wellness, Drug Medi-Cal Organized Delivery System, Project One for All, and Stepping Up programs to assist people who are homeless or are at risk of homelessness to obtain and sustain housing. Pursuit of funding to support outreach, engagement, and shelter will further these efforts and build upon the significant work being done in the region.

Today's actions request the Board authorize HHS to apply for, accept, and administer CESH funds and adopt a Resolution as required by the State of California, authorizing the acceptance and administration of these funds on behalf of the San Diego Region. In addition, today's actions also request the Board authorize the procurement of related services to assist people that are experiencing or are at risk of homelessness.

These actions align with the County of San Diego's *Live Well San Diego* vision by ensuring that vulnerable populations have assistance and support to access services to most appropriately meet their needs.

RECOMMENDATION(S)

CHIEF ADMINISTRATIVE OFFICER

1. Authorize the Agency Director or designee, Health and Human Services Agency, to apply for, accept, and administer California Emergency Solutions and Housing Program funds.
2. Adopt a Resolution entitled: A RESOLUTION OF THE SAN DIEGO COUNTY BOARD OF SUPERVISORS AUTHORIZING THE ACCEPTANCE AND ADMINISTRATION OF CALIFORNIA EMERGENCY SOLUTIONS AND HOUSING PROGRAM FUNDS.
3. Authorize the Agency Director or designee, Health and Human Services Agency, in consultation with the Department of Purchasing and Contracting, to issue Notices of Funding Availability; publish notices, award contracts; execute agreements; amend existing contracts as needed to reflect changes to services and funding; execute certification forms; prepare and execute all necessary documents for the submittal, regulatory processing and implementation; and take any other actions necessary for projects associated with California Emergency Solutions and Housing Program.
4. In accordance with Section 401, Article XXIII of the County Administrative Code, authorize the Director, Department of Purchasing and Contracting, to issue Competitive Solicitation(s) for the California Emergency Solutions and Housing Program funds; and upon successful negotiations and determination of a fair and reasonable price, award one or more contracts; and to amend the contracts to reflect changes in program, funding, or service requirements, subject to the availability of funds and the approval of the Agency Director, Health and Human Services Agency.

FISCAL IMPACT

Funds for the California Emergency Solutions and Housing program are not included in the Fiscal Year 2018-20 Operational Plan for the Health and Human Services Agency (HHS). If approved, this request will allow HHS to apply for and receive \$1,402,727 for the second and final allocation of the California Emergency Solutions and Housing program. HHS will return to the Board to request approval for additional appropriations if needed. There will be no change in net General Fund cost and no additional staff years.

BUSINESS IMPACT STATEMENT

This proposal will have a positive impact on the business community as the recommended actions may result in contracts with service providers in the community and will involve a competitive bid process.

On April 9, 2019 (6), the Board of Supervisors introduced the Ordinance for further Board consideration and adoption on April 30, 2019.

Today's recommendations request the Board of Supervisors (Board) review and approve an Ordinance to amend fees charged for services for the following Health and Human Services Agency (HHSA) divisions: Public Health Services (PHS) and Behavioral Health Services (BHS). On April 17, 2018 (4), Board action was taken to update fees and rates - charged in each of these divisions; today's action provides an adjustment to rates based on updated actual cost information.

A total of 80 HHSA fees and their associated costs were reviewed in consideration of Board Policy B-29 (Fees, Grants, and Revenue Contracts-Department Responsibility for Cost Recovery) and County Administrative Code XV-B, Section 239. To ensure continued compliance with Board Policy B-29 and County Administrative Code XV-B, today's item requests action on 28 of these fees, to adjust rates on 22, add five new fees, and no change to one. The fee recommendations represent a comprehensive package that seeks to support the cost of providing HHSA services while maintaining fees that are fair and equitable for customers and the public. The Auditor and Controller has reviewed and approved the supporting documentation and the methodology for establishing the fees in this proposal for Fiscal Year 2019-20.

Today's request requires two steps. On April 9, 2019, it is requested that the Board introduce an Ordinance amending sections of the San Diego County Administrative Code related to HHSA fees (first reading) so that it can be acted upon at the April 30, 2019 meeting (second reading). If the Board takes the actions recommended for April 9, 2019, then on April 30, 2019, the Board is requested to approve the revised fees and rates for HHSA services.

This action contributes to the *Live Well San Diego* vision by ensuring that the County of San Diego has optimized its health and social services delivery system to ensure efficiency, integration and innovation while maintaining fiscal stability in support of a healthy, safe and thriving region.

**17. SUBJECT: ADOPTING A RESOLUTION URGING THE TRUMP
ADMINISTRATION AND CONGRESS TO PROVIDE FEDERAL
FUNDING TO INVEST IN TRANSBOUNDARY SEWAGE
INFRASTRUCTURE ALONG THE U.S.-MEXICO BORDER
(DISTRICTS: ALL)**

OVERVIEW

Communities along the U.S.-Mexico border are suffering the consequences of poorly maintained and sometimes non-existent transboundary sewage infrastructure on both sides of the border. Communities in the southern portion of San Diego County have been subjected to a relentless barrage of untreated sewage dumped into the Tijuana River that flows into the County's coastal waterways since the 1930's.

These ongoing events were highlighted by a spill of unprecedented size in February 2017, when an estimated 143 million gallons of raw sewage flowed into the Tijuana River and the Pacific Ocean.

During a December 2018 spill, it was reported that six to seven million gallons per day of raw sewage flowed into our waterways due to a ruptured collector pipe in Tijuana, Baja California, Mexico.

These sewage spills threaten the health of U.S. citizens, harm important estuarine land and waters of international significance, force closure of beaches, compromise our border security and directly affect our military readiness at nearby installations. Similar situations exist along the 2,000-mile U.S.-Mexico border from Imperial Beach, California to Brownsville, Texas.

The need for additional infrastructure projects on both the U.S. and Mexican sides of the border to address sewage that enters the U.S. via transboundary flows is clear. Today's action will adopt a resolution urging the Trump Administration and Congress to provide federal funding to invest in transboundary sewage infrastructure along the U.S.-Mexico border. It will also direct the Chief Administrative Officer to draft a letter to the President of the United States providing a copy of the adopted resolution and transmit a copy of the communication to San Diego's Washington, D.C. legislative delegation and appropriate members of the Administration.

RECOMMENDATION(S)

VICE-CHAIRMAN GREG COX

**20. SUBJECT: SUPPORT FOR EFFECTIVE VETERANS SERVICES LEGISLATION
(AB 55, AB 408 AND AB 1588) (DISTRICTS: ALL)**

OVERVIEW

The County of San Diego is home to the nation's largest concentration of military personnel, with over one-third of county residents connected to the military. As of 2018, there are 143,000 active duty service members and over 241,000 veterans who reside in San Diego County. The need for adequate services and support is critical, especially as the veteran population grows annually with an average of approximately 7,000 active duty service members deciding to settle in San Diego County after leaving the military.

There are currently three State Assembly Bills moving through the legislative process that, if approved, would enhance services that support veterans to achieve successful reintegration into civilian life. First, State Assembly Bill 55 (AB 55), introduced by Assembly Member Eduardo Garcia, would appropriate \$11 million annually from the State General Fund to the Department of Veterans Affairs to be available for allocation to counties to fund the activities of county veterans service officers.

Second, State Assembly Bill 408 (AB 408), introduced by Assembly Member Jim Frazier, would require the California Department of Motor Vehicles to accept a certificate from a county veterans service officer in addition to the US Department of Veterans Affairs that certifies that the applicant for a special license plate or placard is a disabled veteran.

Third, State Assembly Bill 1588 (AB 1588), introduced by Assembly Members Todd Gloria and Adam Gray, would require the State Water Resources Control Board to provide full equivalent experience credit for tasks performed during military service directly related to the operation of water or wastewater facilities to members of the military and military service veterans applying for California water and wastewater certifications. Additionally, AB 1588 would require members of the military or military service veterans to receive equivalent educational credits for serving in certain military occupational specialties.

These legislative proposals will positively impact veterans in San Diego County by providing additional funding for county veterans service officers (CVSOs), offering better service to disabled veterans, and ensuring veterans receive appropriate certification credit for experience and education gained during military service when transitioning into civilian water and wastewater industries.

With today's action, the Board of Supervisors will take a position in support of each one of these legislative proposals.

RECOMMENDATION(S)

SUPERVISOR JIM DESMOND

1. Direct the Chief Administrative Officer to draft a letter expressing this Board of Supervisors' support for State Assembly Bill 55 to San Diego County's legislative representatives in Sacramento.
2. Direct the Chief Administrative Officer to add to the County's Legislative Program support for legislation that would provide adequate State and federal funding for programs that support veterans.

SECOND CONSIDERATION AND ADOPTION OF ORDINANCE:
FINANCE AND GENERAL GOVERNMENT GROUP FEES AND RATES
RELATING TO THE TREASURER-TAX COLLECTOR, COUNTY
COUNSEL, AND DEBT SERVICES (DISTRICTS: ALL)**

OVERVIEW

On April 9, 2019 (12), the Board of Supervisors introduced the Ordinance for further Board consideration and adoption on April 30, 2019.

Today's actions request that the Board of Supervisors review and approve amendments to Article XX of the San Diego County Administrative Code related to fees for the Treasurer-Tax Collector and Debt Services and a resolution relating to rates for County Counsel.

Today's recommended ordinance and resolution represent a comprehensive package that seeks to support the Finance and General Government Group services and will result in fees and rates that are fair and equitable for customers and the public. The proposed changes are the result of an analysis of services provided to the public, processing times, and corresponding costs to provide those services. Over the past several months, the Finance and General Government Group reviewed a total of 39 fees, resulting in various proposed adjustments, additions, and determinations to maintain existing fees.

The Auditor and Controller has reviewed and approved the supporting documentation and the methodology for establishing the fees in this proposal.

Today's actions include introducing an Ordinance amending Article XX of the San Diego County Administrative Code (first reading) so that it can be acted upon at the April 30, 2019 meeting (second reading).

RECOMMENDATION(S)

TREASURER-TAX COLLECTOR AND CHIEF ADMINISTRATIVE OFFICER

Approve the adoption of the following Ordinance (second reading), read title and waive further reading of the Ordinance:

**AN ORDINANCE AMENDING ARTICLE XX OF THE SAN DIEGO COUNTY
ADMINISTRATIVE CODE RELATING TO FEES AND CHARGES.**

If approved, the proposed hourly rate for the Office of County Counsel's attorneys and paralegals will ensure full cost recovery for services provided and is projected that \$3,268,404 of County Counsel's funding will come from revenue generated from the hourly billable services provided to clients. 27. SUBJECT: PROMISES MADE NEED TO BE KEPT (DISTRICTS: ALL)

OVERVIEW

In November 2004, 67 percent San Diego’s voters approved a 40-year extension of TransNet, a half-cent sales tax to generate funds for highway, road, and public transit projects. San Diego Association of Governments (SANDAG) is responsible for leveraging these funds with state and federal resources; designing and engineering the projects identified in the 2004 TransNet Extension Ordinance; prioritizing and appropriating funds; and overseeing construction and implementation of the projects. SANDAG’s Regional Transportation Plan (RTP) integrates the 2004 TransNet Extension Ordinance projects, among other projects, into one regional plan.

On April 26, 2019, SANDAG staff presented to the Board of Directors a new vision for the RTP. The new vision identifies numerous new public transit projects while removing the majority of the 14 unconstructed highway projects that the San Diego voters were promised in the 2004 TransNet Extension Ordinance.

The purpose of this letter is for the County Board of Supervisors (Board) to direct the Chairwoman to send a letter addressed to SANDAG on behalf of the Board opposing any modification to the TransNet Extension Ordinance; advocating for inclusion of the highway and road projects in the RTP; and requesting SANDAG to pursue new sources of funding for projects not listed in the 2004 TransNet Extension Ordinance.

RECOMMENDATION(S)

SUPERVISOR JIM DESMOND AND SUPERVISOR KRISTIN GASPAR

1. Direct the Chief Administrative Officer to draft a letter for the Chairwoman’s signature addressed to the San Diego Association of Governments (SANDAG):
 - a. Opposing any modification to the 2004 TransNet Extension Ordinance, including changes to the highway projects and their funding;
 - b. Advocating for highway and road projects in the new Regional Transportation Plan; and,
 - c. Requesting SANDAG pursue new sources of funding for projects not listed in the 2004 TransNet Extension Ordinance.

BUSINESS IMPACT STATEMENT

Highways and roads are critical to our transportation system and a functioning road network is an essential element of our economy. Businesses throughout San Diego rely on the region's road network on a daily basis for a multitude of reasons. Today's action will solidify the County's position on the importance of a functioning road network and will promote inclusion of highway and road projects in the Regional Transportation Plan.
