**1. SUBJECT: NOTICED PUBLIC HEARING:
THE FUTURE OF FIRE PROTECTION AND EMERGENCY MEDICAL
SERVICES IN SAN DIEGO COUNTY - FORMATION OF A
DEPENDENT FIRE PROTECTION DISTRICT (DISTRICTS: 1,2, AND 5)**

OVERVIEW

Over the past 15 years, the County of San Diego Board of Supervisors has taken several actions to improve fire and emergency medical services in San Diego County. Among the most important actions taken were the 2008 formation of the San Diego County Fire Authority (Fire Authority), and the implementation of a three-step hybrid plan to improve and consolidate fire services within 1.5 million acres of unincorporated San Diego County. The Fire Authority is currently part of County Service Area (CSA) No. 135, which provides the governance structure to organize and fund fire protection and emergency medical services in the unincorporated area. Since the creation of the Fire Authority, the Board has invested more than \$500 million to boost fire and emergency services capabilities. Today, the Fire Authority contracts with the California Department of Forestry and Fire Protection to provide services, collectively known, as County Fire.

In the last five years, County Fire has more than doubled in size: increasing the number of first responder personnel, the number of career-staffed fire stations, and the level of services provided to communities. In 2019, County Fire implemented a Community Risk Reduction Program to encourage community preparedness. That same year, the Board approved the 2020-25 San Diego County Fire Strategic Plan (Strategic Plan) to guide, identify and improve upon the capabilities and services of County Fire, including coordinating with the San Diego Local Agency Formation Commission (LAFCO) to explore reorganization of County Fire's governance structure.

LAFCO prepared a municipal service review of CSA No. 135 and its two service functions: (1) public safety radio communications and (2) fire protection and emergency medical services. The report suggests a reorganization of CSA No. 135 is appropriate to formally separate the two active service activities to better meet current and future demands. The preferred reorganization option is to divest CSA No. 135 of its fire protection and emergency medical service powers and concurrently form a new dependent fire protection district (to be called "San Diego County Fire Protection District") to serve as the successor agency, leaving CSA No. 135 with only public safety radio communications powers. Today's request seeks approval to take the necessary actions to implement the key recommendations in the report.

RECOMMENDATION(S)

SUPERVISOR DIANNE JACOB AND VICE-CHAIRMAN JIM DESMOND

On June 2, 2020:

1. Consider the implementation of the recommendations included in the Municipal Service Review on County Service Area (CSA) No. 135 Final Report, dated May 4, 2020 (Attachment A, on file with the Clerk of the Board).

2. Adopt the Resolution entitled:
RESOLUTION OF INTENTION OF THE BOARD OF SUPERVISORS OF THE COUNTY OF SAN DIEGO TO HOLD A PUBLIC HEARING TO CONSIDER THE PROPOSED REORGANIZATION OF COUNTY SERVICE AREA (CSA) NO. 135; DIVESTITURE OF FIRE PROTECTION AND EMERGENCY MEDICAL SERVICES FROM CSA NO. 135 AND FORMATION OF A DEPENDENT FIRE PROTECTION DISTRICT (Attachment B, on file with the Clerk of the Board).
3. Find that adoption of the proposed resolution of intention for divestiture of portions of CSA No. 135 is not subject to the California Environmental Quality Act (CEQA) pursuant to state CEQA Guidelines Sections 15378(b)(4) and (5) because the proposed action involves government fiscal activities which do not involve any commitment to any specific project that may result in a potentially significant physical impact on the environment and because the proposed action involves organization or administrative activities of governments that will not result in direct or indirect physical changes in the environment. CEQA Guidelines Section 15320 also applies because the proposed actions involve a reorganization of local governmental agencies where the changes do not alter the geographical area in which existing powers are exercised.

If, on June 2, 2020, the Board takes action as recommended, then on July 7, 2020:

1. Adopt the Resolution entitled:
RESOLUTION OF INTENTION OF THE BOARD OF SUPERVISORS OF THE COUNTY OF SAN DIEGO TO INITIATE PROCEEDINGS WITH THE SAN DIEGO LOCAL AGENCY FORMATION COMMISSION (LAFCO) TO DIVEST STRUCTURAL FIRE AND EMERGENCY MEDICAL SERVICES LATENT POWERS FROM COUNTY SERVICE AREA (CSA) NO. 135 (Attachment C, on file with the Clerk of the Board).
2. Adopt the Resolution entitled:
RESOLUTION OF APPLICATION OF THE BOARD OF SUPERVISORS OF THE COUNTY OF SAN DIEGO TO INITIATE PROCEEDINGS WITH THE SAN DIEGO LOCAL AGENCY FORMATION COMMISSION (LAFCO) TO FORM A DEPENDENT FIRE PROTECTION DISTRICT (SAN DIEGO COUNTY FIRE PROTECTION DISTRICT) FOR STRUCTURAL FIRE AND EMERGENCY MEDICAL SERVICES IN UNINCORPORATED SAN DIEGO COUNTY (Attachment D, on file with the Clerk of the Board).
3. Find that adoption of the proposed resolution for divestiture of portions of CSA No. 135 and resolution of property tax exchange are not subject to the California Environmental Quality Act (CEQA) pursuant to state CEQA Guidelines Sections 15378(b)(4) and (5) because the proposed actions involve government fiscal activities which do not involve any commitment to any specific project that may result in a potentially significant physical impact on the environment and because the proposed actions involve organization or administrative activities of governments that will not result in direct or indirect physical changes in the environment. CEQA Guidelines Section 15320 also appropriately applies given the proposed actions involve a reorganization of local governmental agencies where the changes do not alter the geographical area in which existing powers are exercised.

4. Authorize County departments to take all actions necessary to complete the LAFCO-approved reorganization of CSA No. 135, including the divestiture of fire and emergency medical services to establish a new and stand-alone dependent fire protection district.
5. Authorize County departments to take all actions necessary to establish new funds, transfer CSA No. 135 assets, liabilities, and monies, close out existing CSA No. 135 funds, and complete the transfer of any balances to existing and newly established fire protection district funds.
6. Direct the Auditor and Controller to establish special revenue funds for the special taxes collected for structural fire protection with interest earnings allocated and distributed to the new funds.

FISCAL IMPACT

The fiscal impact is unknown at this time. Upon approval by the San Diego Local Agency Formation Commission (LAFCO), the terms and conditions associated with the divestiture and reorganization of dependent fire protection district may result in a fiscal impact. A review of the assets and liabilities will be conducted as due diligence during the LAFCO process. The San Diego County Fire Authority (SDCFA) will return to the Board to appropriate funds as necessary. There will be no change in net General Fund cost and no additional staff years.

2. **SUBJECT: DISTRICT ATTORNEY - GRANT APPLICATIONS, ACCEPTANCE OF GRANT FUNDS AND RESOLUTIONS FOR INSURANCE FRAUD PROGRAMS (DISTRICTS: ALL)**

OVERVIEW

The District Attorney's Office works to enhance public awareness of insurance fraud, deter potential defrauders, and proactively investigate and prosecute insurance fraud crimes. These efforts ultimately lead to a reduction in the insurance fraud premium for consumers, lower workers' compensation rates, and ensure that injured workers receive the benefits they are entitled to collect. The District Attorney's Office has long leveraged grant funding resources to support the operation of its Insurance Fraud programs. These programs have been consistently recognized for their excellence.

If approved, today's actions will authorize the District Attorney (DA) to apply for and accept six grant applications from the California Department of Insurance in the estimated amount of \$13,175,964: Workers' Compensation Insurance Fraud Program (\$6,211,544), Automobile Insurance Fraud Program (\$2,923,965), Organized Automobile Fraud Activity Interdiction Program (\$1,686,836), Life and Annuity Consumer Protection Program (\$491,091), Disability and Healthcare Insurance Fraud Program (\$1,537,043), and High Impact Insurance Fraud Program (\$325,485) and to adopt resolutions for Fiscal Year 2020-21. The performance period is July 1, 2020 through June 30, 2021. Today's actions will also authorize the District Attorney to apply for and accept grant funding for these six grant programs from the California Department of Insurance in subsequent years if there are no material changes to the grant terms and funding levels. If authorized, the District Attorney will return to the Board of Supervisors for authorization to appropriate any awarded grant funds as necessary.

RECOMMENDATION(S)
DISTRICT ATTORNEY

1. Waive Board Policy B-29, Fees, Grants, Revenue Contracts - Department Responsibility for Cost Recovery which requires full cost recovery of grants and to the extent it requires separate applications for authority to apply for and accept grants.
2. Authorize the District Attorney to apply for and accept grant funds in the estimated amount of \$13,175,964, if awarded and there are no material changes to the grant terms and funding levels from the California Department of Insurance for the Workers' Compensation Insurance Fraud Program (\$6,211,544), Automobile Insurance Fraud Program (\$2,923,965), Organized Automobile Fraud Activity Interdiction Program (\$1,686,836), Life and Annuity Consumer Protection Program (\$491,091), Disability and Healthcare Insurance Fraud Program (\$1,537,043), and High Impact Insurance Fraud Program (\$325,485) for the period July 1, 2020 through June 30, 2021, and apply for and accept grant funds in subsequent years provided there are no material changes to the grant terms or funding level.
3. Authorize the District Attorney to review and execute all required or related grant documents for the Workers' Compensation Insurance Fraud Program, Automobile Insurance Fraud Program, Organized Automobile Fraud Activity Interdiction Program, Life and Annuity Consumer Protection Program, Disability and Healthcare Insurance Fraud Program, and High Impact Insurance Fraud Program for the period of July 1, 2020 through June 30, 2021, and in subsequent years provided there are no material changes to the grant terms or funding level. This authorization would include agreements for the distribution of grant funds where necessary to carry out the purposes of each grant and any annual extension, amendments, and/or revisions thereof that do not materially impact or alter the services or funding level.
4. Adopt a resolution entitled:
A RESOLUTION OF THE BOARD OF SUPERVISORS OF THE COUNTY OF SAN DIEGO RELATING TO THE WORKERS' COMPENSATION INSURANCE FRAUD PROGRAM.

A RESOLUTION OF THE BOARD OF SUPERVISORS OF THE COUNTY OF SAN DIEGO RELATING TO THE AUTOMOBILE INSURANCE FRAUD PROGRAM.

3. **SUBJECT: OFFICE OF EMERGENCY SERVICES - MEMORANDUM OF UNDERSTANDING WITH SOUTHERN CALIFORNIA EDISON FOR SAN ONOFRE NUCLEAR GENERATING STATION OFFSITE EMERGENCY PLANNING FUNDS (DISTRICTS: ALL)**

OVERVIEW

On July 21, 2015 (2), The Office of Emergency Services (OES) entered into a Memorandum of Understanding (MOU) with Southern California Edison (SCE) to receive offsite emergency planning funding for the San Onofre Nuclear Generation Station (SONGS) through the later of fiscal year end 2019-2020 or when all spent fuel has been removed from the SONGS spent fuel pools and transferred to dry cask storage. The transfer of spent nuclear fuel is anticipated to be complete by this summer.

While the federal Nuclear Regulatory Commission and the State of California do not require decommissioned nuclear power plants to reimburse local jurisdictions for emergency planning, SCE has agreed to continue paying five local jurisdictions surrounding the plant, including the County of San Diego, for planning and preparation for radiological emergencies. Following lengthy negotiations with SCE, and as reflected in the amended Memorandum of Understanding, the utility will continue paying the County of San Diego for SONGS offsite emergency planning until all spent fuel has been removed from the site.

Today's requests authorize the Chief Administrative Officer and/or designee to amend and extend the MOU directly with SCE to continue receiving SONGS offsite emergency planning funds until all spent fuel has been removed from SONGS and to sign and execute any amendments, renewals, and extension that do not materially change the terms of agreement.

RECOMMENDATION(S)

CHIEF ADMINISTRATIVE OFFICER

1. Approve and authorize the Chief Administrative Officer and/or designee to execute a Memorandum of Understanding, for the period of 2020 through the later of 2049 or when all spent fuel is removed from plant grounds with Southern California Edison to provide offsite emergency planning for the San Onofre Nuclear Generating Station.
2. Authorize the Chief Administrative Officer and/or designee to execute any amendments, renewals, and extensions of the Memorandum of Understanding that do not materially change the terms of the agreement.

FISCAL IMPACT

Funds for this request will be included in the Fiscal Year 2020-21 CAO Recommended Operational Plan in the Office of Emergency Services. If approved, this request will result in estimated costs and revenue of \$366,500. The funding source is Southern California Edison (SCE). There will be no change in net General Fund cost and no additional staff years.

4. **SUBJECT: RECEIVE UPDATE ON THE COVID-19 RESPONSE, RATIFY ACTIONS AND AUTHORIZE ANY OTHER ACTION NECESSARY TO ADDRESS THE COVID-19 PANDEMIC (DISTRICTS: ALL)**

OVERVIEW

A novel coronavirus (COVID-19) was detected in Wuhan City, Hubei Province in China in December 2019. Since then, the virus has rapidly spread across the globe, resulting in the World Health Organization (WHO) declaring COVID-19 a pandemic on March 11, 2020.

On February 14, 2020, the San Diego County Public Health Officer issued a Declaration of Local Health Emergency, pursuant to California Health and Safety Code Section 101080. Additionally, on that day, pursuant to California Government Code 8630, the Chief Administrative Officer, serving as the County of San Diego (County) Director of Emergency Services and as the Coordinator of the Unified San Diego County Emergency Services Organization, issued a Proclamation of Local Emergency regarding COVID-19.

The County continues to make significant efforts to slow the spread of COVID-19. Today's action requests the Board of Supervisors (Board) receive an update on the local COVID-19 response. It is also recommended that the Board take any other action necessary to address the COVID-19 pandemic emergency response. Today's proposed actions support the County's *Live Well San Diego* vision by protecting the health of residents against the COVID-19 pandemic.

RECOMMENDATION(S)

CHIEF ADMINISTRATIVE OFFICER

1. Receive update on the COVID-19 response.
2. Ratify all actions taken by the Chief Administrative Officer, Public Health Officer, Director, Department of Purchasing and Contracting and Director, Department of General Services in response to the local health emergency and local emergency.

3. Take any other action necessary to address the COVID-19 pandemic emergency response.

FISCAL IMPACT

Fiscal Year 2019-20 costs of response efforts associated with the COVID-19 emergency response including public health and medical services, testing, surveillance, temporary housing assistance, sanitation, food distribution services, allocations to the 17 cities that did not receive direct CARES Act funds, child care vouchers, and other related costs are estimated to be approximately \$130 million. This number could grow as response efforts expand. The funding source is anticipated to be a combination of federal and State stimulus revenue, including CARES Act funding, program revenues, General Purpose Revenues, and General Fund fund balance.

BUSINESS IMPACT STATEMENT

This action will help support individuals, families and small businesses impacted by COVID-19.

5. **SUBJECT: ESTABLISHING THE HOUSING OUR YOUTH PILOT PROGRAM IN SAN DIEGO COUNTY (DISTRICTS: ALL)**

OVERVIEW

Research indicates foster youth experience rates of homelessness ranging from 11% to 38%, which are disproportionately higher than that of the general population. In San Diego County, a third of homeless youth have been in foster care, and 39% of homeless female youth are pregnant or parenting. At my State of the County Address in February 2020, I announced the creation of the Housing Our Youth (HOY) program to provide immediate, focused housing interventions for youth at-risk or experiencing homelessness with the goal of ending the intergenerational cycle of homelessness. This pilot will prioritize homeless youth countywide who are: (1) former foster youth who are pregnant or parenting, (2) former foster youth generally, and (3) at risk youth, such as those who are at risk of commercial sexual exploitation or human trafficking. HOY will provide specialized assistance to youth up to and including the age of 24 throughout San Diego County who are experiencing homelessness.

The County of San Diego has been actively engaged in implementing a seamless continuum of care for those at-risk or experiencing homelessness that includes outreach and proactive engagement, assistance in identifying and accessing housing and services to meet individualized needs, and ongoing support to assist people in remaining healthy and housed. Longitudinal care coordination models will be used to serve the specific needs of young people who are homeless and have been in foster care, are parenting, and/or are at risk. For the HOY program, these services will additionally include assessment, case management, job preparation and placement, subsidized employment, school/work productivity and other wrap-around services as needed to help them remain stable and housed.

RECOMMENDATION(S)

CHAIRMAN GREG COX

1. Direct the Chief Administrative Officer to utilize all of the remainder of the County of San Diego's Homeless Housing, Assistance and Prevention grant funds that the Board of Supervisors has accepted and for which the Board of Supervisors has not previously designated for other purposes for the implementation of the Housing Our Youth pilot program.

2. In accordance with Board Policy A-87, Competitive Procurement, and Administrative Code Section 401, authorize the Director, Department of Purchasing and Contracting to issue solicitations by any lawful method and, upon successful negotiations and determination of fair and reasonable price, award a contract or contracts, and amend existing contracts, for services and supplies associated with implementation of the program described in Recommendation #1.

FISCAL IMPACT

Funds for this request are not included in the Fiscal Year 2019-20 Operational Plan in the Health and Human Services Agency (HHS). This request will result in costs and revenue of approximately \$3,000,000 in Fiscal Year 2020-21 and costs and revenue of \$3,000,000 in Fiscal Year 2021-22. The funding source is State funding from the Homeless Housing, Assistance and Prevention grant. There will be no change in net General Fund cost and no additional staff years.

6. **SUBJECT: RELEASE OF 2019 LIVE WELL SAN DIEGO REPORT CARD ON CHILDREN, FAMILIES, AND COMMUNITY (DISTRICTS: ALL)**

OVERVIEW

On January 10, 2006, the Board of Supervisors authorized staff to transition the production of the County Report Card to the Children's Initiative, a local non-profit agency that works to improve the well-being of children and youth in San Diego County through strategic alliances with government agencies, school districts, non-profits and businesses. The 2019 Live Well San Diego Report Card on Children, Families, and Community supports the Live Well San Diego vision of healthy, safe, and thriving communities. Reporting on trends and comparative data illustrates the well-being of our children and families in the domains of health, safety, education, welfare, and economic support.

During the challenging COVID-19 pandemic, collecting and monitoring data on health, safety, economic security and education for children, youth and families is more vital than ever. Live Well San Diego Report Cards position the County of San Diego to consistently and effectively collect and analyze data to help guide decisions that can improve the health and safety of our communities. The ability for our elected officials, educators, law enforcement, community leaders and residents to review relevant data specific to their jurisdictions, school districts and communities helps all of us to work collectively to support and advance our families and communities.

The 2019 edition of the Live Well San Diego Report Card continues to provide a comprehensive picture of the health and well-being of our children, youth, and families using best practices to improve outcomes and specific recommendations to facilitate progress. Recommendations are provided in the three following categories: Policy, Programs and Services, and Family and Community.

RECOMMENDATION(S)

CHAIRMAN GREG COX AND SUPERVISOR DIANNE JACOB

Receive the 2019 Live Well San Diego Report Card on Children, Families, and Community and direct the Chief Administrative Officer to distribute to community stakeholders.

7. **SUBJECT: AUTHORIZATION TO ACCEPT CALIFORNIA DEPARTMENT OF PUBLIC HEALTH AND CENTERS FOR DISEASE CONTROL AND PREVENTION GRANTS FOR COUNTYWIDE TUBERCULOSIS TREATMENT AND CONTROL AND REFUGEE HEALTH ASSESSMENT SERVICES, AUTHORIZATION TO APPLY FOR ADDITIONAL TUBERCULOSIS TREATMENT AND CONTROL FUNDING OPPORTUNITIES (DISTRICTS: ALL)**

OVERVIEW

The County of San Diego (County) provides tuberculosis (TB) prevention and control services through a combination of federal, State, and local funding. Since 1982, the Centers for Disease Control and Prevention (CDC) has awarded federal funds to the County, under a non-competitive Tuberculosis Control Cooperative Agreement, to finance the costs of County personnel and programs that support TB surveillance and control. Since 1999, the San Diego County Board of Supervisors (Board) has authorized grants from the State of California Department of Public Health (CDPH) and the CDC for TB control, testing and treatment, and refugee health assessment services. In addition, the Board approved the development and launch of the San Diego County TB Elimination Initiative on July 23, 2019 (7). The Initiative is a coordinated effort between the County and local stakeholders to build a TB elimination plan that targets latent TB, which causes 80% of active TB cases, and will decrease the incidence of active TB cases in San Diego County.

Today’s action requests the Board to allow acceptance of approximately \$1,985,000 from the CDC for the TB Control Cooperative Grant, approximately \$975,000 from CDPH for TB treatment and control funding, and approximately \$415,000 from CDPH for Refugee Health Assessment Program Fee for Service Agreement and Refugee Health Prevention Program Agreement.

Today’s action supports the County’s *Live Well San Diego* vision by building a better service delivery system to reduce the spread of disease, improve health outcomes, and promote a healthy, safe, and thriving region.

RECOMMENDATION(S)

CHIEF ADMINISTRATIVE OFFICER

1. Waive Board Policy B-29, Fees, Grants, Revenue Contracts - Department Responsibility for Cost Recovery, which requires prior approval of grant applications and full-cost recovery of grants.

2. Authorize the acceptance of approximately \$1,985,000 in grant funds from the Centers for Disease Control and Prevention for the period of January 1, 2021 through December 31, 2021, for tuberculosis control and treatment services, and authorize the Clerk of the Board, upon receipt, to execute all required grant documents, including any annual extensions, amendments and/or revisions that do not materially impact or alter the services or funding level.
3. Authorize the acceptance of approximately \$975,000 in grant funds from the California Department of Public Health for the period of July 1, 2020 through June 30, 2021, for tuberculosis control and treatment services, and authorize the Clerk of the Board, upon receipt, to execute all required grant documents, including any annual extensions, amendments, and/or revisions that do not materially impact or alter the services or funding level.
4. Authorize the acceptance of approximately \$415,000 in grant funds from the California Department of Public Health for the period of October 1, 2020 through September 30, 2021, for the Refugee Health Assessment Program and Refugee Health Prevention Program to provide refugee health assessment services, and authorize the Clerk of the Board, upon receipt, to execute all required grant documents, including any annual extensions, amendments and/or revisions that do not materially impact or alter the services or funding level.
5. Authorize the Agency Director, Health and Human Services Agency, to pursue future funding opportunities to fund efforts that build capacity and enhance programs for prevention, early detection, care, and treatment needs for those impacted by tuberculosis, and ultimately for the elimination of tuberculosis as a public health threat.

FISCAL IMPACT

Funds for this request will be included in the Fiscal Year 2020-22 CAO Recommended Operational Plan in the Health and Human Services Agency. If approved, this request will result in estimated costs of \$3,309,000 and revenue of \$2,258,424 for Fiscal Year 2020-21 and estimated costs of \$1,636,000 and revenue of \$1,116,576 for Fiscal Year 2021-22. Combined estimated costs are \$4,945,000 and estimated revenue is \$3,375,000 for the terms of these grants. The funding sources are federal grant funds from the Centers for Disease Control and Prevention and State grant funds from the California Department of Public Health. A waiver of Board Policy B-29 is requested because the funding does not offset all costs. These unrecovered costs are estimated at \$1,570,000 for the terms of these grants. The funding source for these costs will be existing Health Realignment funds allocated for these programs. The public benefit for providing these services far outweighs the B-29 unrecoverable costs. There will be no change in net General Fund cost and no additional staff years.

CONDUCT ASSESSMENT BALLOT ELECTION TO LEVY AN
ASSESSMENT IN PROPOSED PERMANENT ROAD DIVISION NO.
1000, ZONE NO. 1017 - KALBAUGH/HALEY/TOUB STREETS IN
RAMONA (DISTRICT: 2)**

OVERVIEW

On April 7, 2020 (8), the Board of Supervisors introduced an Ordinance for further Board consideration and adoption on June 2, 2020.

A Permanent Road Division (PRD) Zone is a special district which provides property owners a mechanism to assess their properties to pay the County of San Diego (County) to perform private road maintenance. There are currently 67 PRD Zones managed by the County within the unincorporated area that provide maintenance of approximately 100 miles of private roads.

Property owners have filed a petition with the County requesting that assessment ballot proceedings be initiated to form a new PRD and impose an assessment to fund annual road maintenance. The proposed Permanent Road Division No. 1000, Zone No. 1017 - Kalbaugh/Haley/Toub Streets (PRD 1017) includes 59 parcels and is located in the unincorporated area of Ramona. Maintenance will include once-a-year-grading of approximately one mile of private roads within the boundary of the proposed PRD 1017 and will establish a reserve fund for unanticipated road maintenance.

An assessment engineer has reviewed the petition that was signed by 73% of property owners and determined that the petition meets the requirements established by state law. Today's requested actions are to accept the petition, adopt a resolution accepting the Engineer's Report, set the public hearing, call for an assessment ballot election, and adopt a resolution of intention to establish PRD 1017.

If the Board takes the recommended actions, mailed ballots will be sent to property owners with notification that there will be a public hearing to receive and confirm the results on June 2, 2020. Assessment ballots must be received prior to the close of the public hearing in order to be counted. The ballots will be tabulated following the close of the public hearing. The assessment may be imposed if 50% or more of the weighted ballots received from the property owners support the assessment.

If the property owners approve the formation of PRD 1017, the Board will be asked to adopt a resolution declaring portions of Kalbaugh, Haley, and Toub Streets to be public roads; the declaration will not result in the inclusion of the roads in the County-maintained road system but will allow the County to maintain the roads using property owner assessments. The Board will also be asked to approve the Engineer's Report, adopt a resolution establishing PRD 1017, and adopt an ordinance imposing the assessment approved by the property owners. If the assessment is not approved by the property owners, the PRD Zone will not be established.

RECOMMENDATION(S)

CHIEF ADMINISTRATIVE OFFICER

If on April 7, 2020 the Board takes the actions recommended in Items 1-6, then on June 2, 2020 the following recommendations will be considered:

1. Conduct public hearing on the proposed assessment.

2. Direct the Clerk of the Board at the conclusion of the public hearing to tabulate all valid ballots received and certify election results.
3. Receive and confirm results of the ballot tabulation for the proposed Permanent Road Division No. 1000, Zone No. 1017 - Kalbaugh/Haley/Toub Streets.

If at the conclusion of the public hearing on June 2, 2020 there is not a majority protest, the following actions will be considered:

1. Adopt a Resolution entitled:
RESOLUTION OF THE BOARD OF SUPERVISORS OF THE COUNTY OF SAN DIEGO DECLARING PORTIONS OF KALBAUGH, HALEY, AND TOUB STREETS TO BE PUBLIC ROADS DECLARING SAID STREETS NOT A COUNTY HIGHWAY AND NOT ACCEPTED INTO THE COUNTY MAINTAINED ROAD SYSTEM.

AN ORDINANCE PROVIDING A PROCEDURE FOR FIXING AND COLLECTING CHARGES ON THE TAX ROLL FOR PERMANENT ROAD DIVISION NO. 1000, ZONE NO. 1017 - KALBAUGH/HALEY/TOUB STREETS.
5. Direct the Auditor and Controller to create an operating fund to be designated "PRD Zone 1017 - Kalbaugh/Haley/Toub Streets" for assessment amounts collected for road maintenance services within PRD Zone 1017, with interest earned to be retained within the fund.
6. Authorize the Director, Department of Public Works and the Auditor & Controller, and their designees, to take any action necessary to form the PRD and levy the assessments in Countywide Permanent Road Division No. 1000, Zone No. 1017 - Kalbaugh/Haley/Toub Streets.

FISCAL IMPACT

Funds for the formation of proposed PRD 1017 are included in the Fiscal Year 2019-20 Operational Plan in the Department of Public Works General Fund. Costs are approximately \$25,000. If PRD 1017 is formed, these costs will be reimbursed by assessments collected from the property owners within PRD 1017. If PRD 1017 is not formed, this expense will be funded by General Purpose Revenue in the Department of Public Works. OVERVIEW

The County of San Diego (County) owns approximately 2.69 acres located at 34560 Engineers Road in the unincorporated community of Julian, identified as County Parcel Number 2018-0174-B (Property). The Property is comprised of Assessor’s Parcel Numbers 294-070-45 and 294-070-48 and is improved with a 3,325-square-foot two-story building and a 600-square-foot storage building formerly used as the Julian-Cuyamaca Fire Station #57. In 2019, the San Diego Local Agency Formation Commission (LAFCO) certified the dissolution of the JCFPD and expansion of County Service Area 135’s latent power fire protection and emergency medical service area to include the former JCFPD territory. As a result, the Property transferred to County ownership.

13. SUBJECT: PROTECTING VICTIMS OF SEXUAL ASSAULT, SENIORS, AND CONSUMERS (DISTRICTS: ALL)

OVERVIEW

Public Safety is San Diego County's top priority. Protecting the vulnerable amongst us such as victims of sexual assault, seniors, and distressed consumers during a pandemic is of utmost importance.

Assembly Bill 1927 (Boerner Horvath) would provide sexual assault victims and witnesses with amnesty to encourage participation in a sexual assault prosecution. Current law makes it a crime to possess or use a controlled substance and for a minor to purchase and consume alcohol, which can create situations where sexual assault victims and witnesses choose not to come forward out of fear of prosecution in a separate trial.

Assembly Bill 2471 (Maienschein) would extend the time for a senior, age 65 or older, to cancel certain contracts from three business days to five. By extending the timeframe for which a senior can cancel certain contracts, this bill protects seniors by providing more time to carefully review and consult with others before moving forward with a contract.

Lastly, Senate Bill 1196 (Umberg) strengthens current law by clarifying that price gouging penalties also apply during a pandemic or epidemic disease outbreak, that all sales, including online sales, are covered by a price gouging prohibition, establishes a price measure of cost to determine price gouging, and authorizes the Governor or the Legislature to extend the duration of price gouging prohibitions past 30 days.

Today's action will put the County of San Diego on record in support of AB 1927, AB 2471, and SB 1196.

1. Direct the Chief Administrative Officer to draft a letter expressing this Board of Supervisors' support for Assembly Bill 1927 to San Diego County's legislative representatives in Sacramento.

The buildings' major systems infrastructure is primarily original to the building construction and has been in operation for nearly 25 years without any major renovations, and with only basic maintenance and repairs occurring as required.

The proposed project is to renovate the entire Hall of Justice for life safety and major mechanical, electrical and plumbing systems, vertical transportation, and architectural items with an estimated total cost of \$65 million.

Today's request is for the Board of Supervisors (Board) to authorize the Director, Department of Purchasing and Contracting to advertise and award an Architectural and Engineering (A/E) contract for design and engineering for a renovation project at the Hall of Justice. If approved, initial conceptual design including construction phase planning is expected to occur in Fiscal Year 2020-21. If further additional funding is approved design would occur in Fiscal Year 2021-22 and a future request would be made to advertise and award a construction contract. Today's request also includes approval in principle for the lease of property to serve as interim facilities during the Hall of Justice renovation work. Upon completion of successful negotiations for leased space, staff would return to the Board for approval of the lease(s).

RECOMMENDATION(S)

19. **SUBJECT: ADMINISTRATIVE ITEM:
SECOND CONSIDERATION AND ADOPTION OF ORDINANCE:
ELIMINATING JUVENILE JUSTICE FEES TO SUPPORT
REHABILITATIVE GOALS FOR YOUTH AND FAMILIES
(DISTRICTS: ALL)**

OVERVIEW

On May 19, 2020 (15), the Board of Supervisors introduced an Ordinance for further Board consideration and adoption on June 2, 2020.

Nationally, researchers estimate one million youth appear before juvenile courts each year, acquiring debts for costs such as days in custody, legal assistance, and community supervision, among others. Locally, about 9,100 families are affected by these fees. Juvenile fees can negatively impact families by focusing their priorities on paying back local governments instead of supporting their child's ability to quickly and successfully complete their probation terms. It's critical that families play a positive role in their child's rehabilitation efforts and strengthen their ability to permanently exit the justice system. These fees impact the County of San Diego's rehabilitative goals for youth and families, many of whom already live below the poverty line. The debt follows families well after the child's offense and term of probation is completed, affecting their ability to invest in basic needs such as education and healthcare, or financially preparing their child for life as an adult. The long-term consequences of these outstanding debts further exacerbate conditions of poverty for not only the affected families but for their surrounding community and can lead to further unintended costs to society.

In 2017, the San Diego County Probation Department, at the Board of Supervisors approval, began working with Georgetown University's Center for Juvenile Justice Reform (CJJR) to align our local juvenile justice systems operations to national best practices of family restoration, youth rehabilitation, and developing a positive youth development philosophy. National experts find that juvenile debt correlates with a greater likelihood of recidivism or reoffending rates and is counterproductive to supporting families while protecting public safety. Collecting this outstanding debt has no positive impact on public safety and does not support the rehabilitation of our youth, hindering the families' ability to positively invest in their child and the community.

The Board of Supervisors has supported the County of San Diego's efforts to move toward a positive youth development model in our juvenile justice system and Chairman Cox highlighted this proposal in his State of the County Address. The County of San Diego spends one dollar for every dollar and sixty-seven cents collected and has only collected six percent of past fee debts since 2018. By eliminating these fees, we are strengthening families and freeing them from this financial burden so they can focus on their relationship with their child resulting in safer and more thriving communities.

California Senate Bill 190 ended the assessment of juvenile fees statewide on January 1, 2018, but it did not end the collection of fees that were assessed before 2018. To further these goals, pending legislation, Senate Bill 1290, in the State of California proposes eliminating past juvenile fee debt.

Today's action amends the San Diego County Administrative Code to be consistent with Senate Bill 190, and repeals and codifies portions of Ordinance No. 10227, which was accidentally not codified due to a clerical error after it was adopted in 2012. Today's action also directs staff to cease the collection of outstanding juvenile delinquency debt and provide relief of liability. This will enable our County to quickly respond to anticipated State legislation while ensuring alignment with our County's goals outlined in the Youth in Custody Practice Model to achieve the maximum public benefit from investments in new approaches to juvenile justice.

These actions would take effect immediately and the ordinance will have retroactive effect as of February 14, 2020, to provide urgent and direct financial relief to these families who are already facing unprecedented financial hardships due to the unintended consequences of the COVID-19 global pandemic.

RECOMMENDATION(S)

CHAIRMAN GREG COX AND SUPERVISOR KRISTIN GASPAR

Adopt the Ordinance entitled:

AN ORDINANCE AMENDING THE SAN DIEGO COUNTY ADMINISTRATIVE CODE, RELATING TO JUVENILE DELINQUENCY FEES.

FISCAL IMPACT

If approved, the action to cease collection of fees assessed prior to December 31, 2017, and to provide relief of liability, will result in additional costs and lost revenues. The action will reduce revenue to County departments by approximately \$300,000 in the current Fiscal Year 2019-20 and will reduce revenues by approximately \$1.5 million in Fiscal Year 2020-21. Future fiscal year collections of amounts assessed prior to December 31, 2017, would not be received. If approved, the action will also result in costs of \$26,000 in Fiscal Year 2019-20 related to the \$2 fee (\$18 of the \$20 charged by the County Recorder is waived) to record satisfaction of judgements. Funds for the increased costs are included in the Fiscal Year 2019-20 Adopted Operational Plan for the Office of Revenue and Recovery and the funding source is General Purpose Revenue.

22. SUBJECT: EXTENDING PROTECTIONS FOR TENANTS AND SMALL BUSINESSES AFFECTED BY THE NOVEL CORONAVIRUS (DISTRICTS: ALL)

OVERVIEW

The World Health Organization has declared a worldwide pandemic of the COVID-19 disease, also known as “novel coronavirus.” As of this writing, there are 7,100 positive cases and 260 deaths in San Diego County.

Because of the need to limit the spread of the virus, businesses have shuttered and the region’s unemployment rate continues to climb to unprecedented heights. According to the San Diego Association of Governments (SANDAG), the unemployment rate in San Diego County is now estimated to be 30.1 percent. The economic reality posed by COVID-19 impacts the ability of residents and businesses to pay rent. While our region moves cautiously to reopen in a safe manner, the economic impacts will continue to be felt by San Diego residents. Many businesses have permanently shuttered or partially reopened at reduced capacity. As such, a full recovery is a long time away. At a time when we are asking people to continue to stay at home, relief is needed.

San Diego County issued a Local Health Emergency on February 14, 2020, which was followed by a State of Emergency from the California Governor on March 4, 2020. The Governor issued Executive Order N-28-20 on March 16, 2020 which provided local jurisdictions with the authority to enact moratoriums to prevent residential and commercial evictions based on impacts related to the COVID-19 virus. San Diego County adopted an eviction moratorium on March 24, 2020 to protect residential and commercial tenants in the unincorporated area. Executive Order N-28-20 provided eviction moratorium relief through May 31, 2020, and thus the protections in San Diego County expire on May 31, 2020. Because it has been determined by the Public Health Officer that our Local Health Emergency is still warranted and there is still a health and safety risk associated with COVID-19, a one-month extension of the County’s Eviction Moratorium is necessary. Renters are encouraged to pay as much rent as they can, and to set up a rental payment program with their landlord, if feasible.

This action will approve the amended resolution extending the County’s current moratorium by 30-days on evictions for renters and small businesses unable to pay rent or a commercial lease due to COVID-19 (through June 30, 2020).

RECOMMENDATION(S)

CHAIRMAN GREG COX AND SUPERVISOR NATHAN FLETCHER

RESOLUTION OF THE BOARD OF SUPERVISORS OF THE COUNTY OF SAN DIEGO EXERCISING THE COUNTY'S POLICE POWER TO IMPOSE SUBSTANTIVE LIMITATIONS ON RESIDENTIAL AND COMMERCIAL EVICTIONS IN THE UNINCORPORATED AREA OF SAN DIEGO COUNTY BY EXTENDING RESOLUTION 20-027.
