**1. SUBJECT: NOTICED PUBLIC HEARING:
SAN DIEGO COUNTY FIRE AUTHORITY - FIRE MITIGATION FEE
PROGRAM RESOLUTION TO ADOPT THE FIVE-YEAR CAPITAL
FACILITIES AND EQUIPMENT PLAN FOR COUNTY SERVICE AREA
NO. 135 AND RECEIVE THE FISCAL YEAR 2018-19
COMPREHENSIVE ANNUAL AND FIVE-YEAR REPORT
(DISTRICTS: ALL)**

OVERVIEW

On December 11, 1985 (11), the Board of Supervisors (Board) adopted the Fire Mitigation Fee (FMF) Ordinance, pursuant to its authority under the Mitigation Fee Act. The ordinance was adopted to authorize fees to offset the impacts of development projects on public facilities or services and created a program to collect and allocate funds to fire agencies in the unincorporated areas of San Diego County for the provision of capital facilities and equipment.

Both the Mitigation Fee Act and FMF Ordinance contain annual and five-year reporting requirements for participating agencies, including capital improvement plans and financial disclosures. Today's requested actions meet these requirements and will allow the continued use of FMFs to fund expenditures related to the growth within County Service Area (CSA) 135.

The initial actions proposed involve the adoption of a resolution approving the Five-Year Capital Facilities and Equipment Plan for CSA 135 for fiscal years 2020-21 through 2024-25. This resolution relates only to CSA 135, specifically its plans to alleviate the facility and equipment needs caused by new development within the CSA. The remaining requested actions concern all agencies participating in the County's FMF Ordinance. The actions will authorize: (1) the receipt of the FMF Program Fiscal Year 2018-19 Comprehensive Annual and Five-Year Report, which is a compilation of each participating agency's reporting under the Mitigation Fee Act and FMF Ordinance, and (2) maintenance of the current fee schedule for Fiscal Year 2020-21.

RECOMMENDATION(S)

CHIEF ADMINISTRATIVE OFFICER

1. Adopt the Resolution entitled:
A RESOLUTION OF THE BOARD OF SUPERVISORS OF THE COUNTY OF SAN DIEGO ADOPTING A FIVE-YEAR CAPITAL FACILITIES AND EQUIPMENT PLAN FOR COUNTY SERVICE AREA NO. 135 (Attachment A, on file with the Clerk of the Board).
2. Find that adoption of the proposed resolution for the Five-Year Capital Facilities and Equipment Plan for County Service Area No. 135 (CSA 135) is not subject to the California Environmental Quality Act (CEQA) pursuant to state CEQA Guidelines Section 15378(b)(4) because the proposed actions involve government fiscal activities which do not involve any commitment to any specific project that may result in a potentially significant physical impact on the environment, and CEQA Guidelines Section 15378(b)(5) because the proposed action involves organizational or administrative activities of governments that will not result in direct or indirect physical changes in the environment.
3. Receive the Fire Mitigation Fee (FMF) Program Fiscal Year 2018-19 Comprehensive Annual and Five-Year Report, which shows that the participating fire agencies are in conformance with the Mitigation Fee Act and County FMF Ordinance (Attachment B, on file with the Clerk of the Board).

4. Find that acceptance of this report is not subject to the California Environmental Quality Act (CEQA) pursuant to state CEQA Guidelines Section 15061(b)(3) because it can be seen with certainty that there is no possibility that the proposed action may have a significant effect on the environment. CEQA Guidelines Sections 15378(b)(4) and (5) also apply because the proposed action involves government fiscal activities which do not involve any commitment to any specific project that may result in a potentially significant physical impact on the environment and because the proposed action involves organization or administrative activities of governments that will not result in direct or indirect physical changes in the environment.
5. Maintain the current fee schedule for Fiscal Year 2020-21 (Attachment C, on file with the Clerk of the Board).

FISCAL IMPACT

There is no fiscal impact associated with the recommendations. During Fiscal Year 2018-19, the Fire Mitigation Fee (FMF) Program managed by the County collected \$2,114,736.34 in revenue and distributed the funds among local fire agencies on a quarterly basis. If approved, County Service Area No. 135 (CSA 135) will continue to use funds collected and distributed by the County through the Fire Mitigation Fee Program to purchase equipment and facilities for fire service needs related to new development within the boundaries of CSA 135. There will be no change in net General Fund cost and no additional staff years will be required.

2. **SUBJECT: ACCEPTANCE OF A DONATION FROM THE SAN DIEGO FIRE-RESCUE FOUNDATION FOR THE USE OF REGIONAL INTERRA SOFTWARE BY COUNTY FIRE (DISTRICTS: ALL)**

OVERVIEW

For more than 15 years, the County of San Diego Board of Supervisors (Board) has invested more than \$570 million to improve and consolidate fire protection and emergency medical services within the 1.5 million acres of unincorporated San Diego County (County). In 2019, the Board established a Community Risk Reduction Program to encourage community preparedness. That same year, the Board approved the 2020-25 San Diego County Fire Strategic Plan to guide, identify and improve the department's capabilities and services.

The County seeks opportunities to fund fire equipment and apparatus purchases with grants and donations. The San Diego Fire-Rescue Foundation (Fire-Rescue Foundation) was created by former firefighters and dedicated community leaders to help provide resources to support fire and emergency response efforts throughout the region. County Administrative Code Section 66 and Board of Supervisors Policy A-112, Acceptance of Gifts and Donations, permit the acceptance of gifts and donations upon approval by the Board of Supervisors.

This is a request to accept a donation and establish appropriations in the amount of \$100,000 from the Fire-Rescue Foundation provided by the SDG&E SAFE San Diego program. This donation will be used to augment the GIS Solutions Software contract with Intterra, funded by the San Diego County Fire Authority (SDCFA). Intterra software allows fire agencies to access data in one centralized, visual interface that can be used to develop community pre-plans, manage incidents, and share information to protect the residents, property, and environment of San Diego.

RECOMMENDATION(S)

SUPERVISOR NATHAN FLETCHER

1. In accordance with San Diego County Administrative Code Section 66 and Board Policy A-112, authorize the acceptance of a donation from the San Diego Fire-Rescue Foundation (Fire-Rescue Foundation) to the San Diego County Fire Authority (Fire Authority) in the amount of \$100,000 to augment the existing GIS Solutions Software contract with Intterra.
2. Authorize the Chair of the Board of Supervisors to sign a letter of appreciation on behalf of the Board of Supervisors and the County of San Diego to the Fire-Rescue Foundation.
3. Establish appropriations of \$100,000 in Fire Authority, Services & Supplies, to augment the existing GIS Solutions Software contract with Intterra, based on a donation from the San Diego Fire-Rescue Foundation. **(4 VOTES)**

FISCAL IMPACT

Funds for this request are not included in the Fiscal Year 2020-21 Operational Plan for the San Diego County Fire Authority. If approved, this request will establish appropriations of \$100,000 to augment the existing GIS Solutions Software contract with Intterra, based on a donation from the San Diego Fire-Rescue Foundation. There will be no change in net General Fund cost and no additional staff years.

3. **SUBJECT: FIRE AUTHORITY - ACCEPTANCE OF DONATIONS FROM THE SAN DIEGO REGIONAL FIRE FOUNDATION (DISTRICTS: ALL)**

OVERVIEW

The San Diego County Fire Authority (Fire Authority) works with CAL FIRE to provide services as a joint agency, County Fire, across 1.5 million acres of unincorporated San Diego County (County). A critical area of focus is the timely and accurate sharing of incident information between dispatchers and fire stations. This collaboration allows personnel to respond quickly to incidents, while ensuring readiness upon arrival.

County Fire is fortunate to receive donations from partners that bolster its services and resources. One such partner, the San Diego Regional Fire Foundation (Fire Foundation), has been key in aiding the County's efforts to ensure the region's fire agencies have the tools needed to serve communities within the County. The Fire Foundation has offered to donate digital wall map displays to 40 of County Fire's fire stations and offices. Digital wall map displays improve information-sharing, situational awareness, and efficiency between dispatchers and fire stations. The wall maps identify the locations of all fire apparatus and incidents in the region, along with

the potential operational hazards. In addition, the Fire Foundation has offered to donate 189 initial area map books that will provide first responders with valuable information such as waterpoints, target hazards, and Temporary Safe Refuge Areas within their area of first response. County of San Diego Administrative Code Section 66 and Board of Supervisors Policy A-112, Acceptance of Gifts and Donations, permit the acceptance of gifts and donations upon approval by the Board of Supervisors.

Today's actions seek approval to accept the Fire Foundation's donation of 40 digital wall map displays, valued at \$105,736, and 189 initial area map books, valued at \$17,766.

RECOMMENDATION(S)

CHIEF ADMINISTRATIVE OFFICER

1. In accordance with Administrative Code Section 66 and Board Policy A-112, accept the donation of 40 digital wall map displays, valued at \$105,736, from the San Diego Regional Fire Foundation to increase the region's preparedness and response capabilities.
2. In accordance with Administrative Code Section 66 and Board Policy A-112, accept donation of 189 initial area map books, valued at \$17,766, from the San Diego Regional Fire Foundation to increase first responder situational awareness and preparedness.
3. Authorize the Chair of the Board of Supervisors to sign a letter of appreciation on behalf of the County of San Diego to the San Diego Regional Fire Foundation.

FISCAL IMPACT

There is no fiscal impact associated with today's request to accept the donation of 40 digital wall map displays, valued at \$105,736, and 189 initial area maps books, valued at \$17,766, from the San Diego Regional Fire Foundation. All future costs associated with the donations including, but not limited to, annual maintenance, will be budgeted in future years' Operational Plans for the San Diego County Fire Authority. There will be no change in net General Fund cost and no additional staff years.

4. **SUBJECT: SAN DIEGO COUNTY FIRE AUTHORITY - REQUEST TO EXECUTE ASSISTANCE-BY-HIRE REVENUE AGREEMENTS (DISTRICTS: ALL)**

OVERVIEW

The California Department of Forestry and Fire Protection (CAL FIRE) occasionally uses resources from local government agencies for its incident operations, using "Assistance-by-Hire" (ABH) requests for the needed equipment or personnel. The use of ABH agreements allow participating government agencies to receive reimbursement for resources deployed to assist with protecting the State Responsibility Area lands from wildland fires.

Today's request will authorize the continued execution of ABH revenue agreements with CAL FIRE, through August 31, 2025, for County-provided fire protection and emergency medical services.

RECOMMENDATION(S)

CHIEF ADMINISTRATIVE OFFICER

Authorize the Clerk of the Board of Supervisors, through August 31, 2025, to execute the Assistance-by-Hire revenue agreements with the California Department of Forestry and Fire Protection (CAL FIRE) for County-provided fire protection and emergency medical services.

FISCAL IMPACT

Funds for this request are included in the Fiscal Year 2020-21 Operational Plan for the San Diego County Fire Authority. If approved, this request is anticipated to result in costs and revenue of approximately \$300,000 in Fiscal Year 2020-21 and each subsequent year during the term of the agreement. The funding source is the Assistance-by-Hire revenue agreement with the California Department of Forestry and Fire Protection (CAL FIRE). There will be no change in net General Fund cost and no additional staff years.

OVERVIEW

A novel coronavirus (COVID-19) was detected in Wuhan City, Hubei Province in China in December 2019. Since then, the virus has rapidly spread across the globe, resulting in the World Health Organization (WHO) declaring COVID-19 a pandemic on March 11, 2020.

On February 14, 2020, the San Diego County Public Health Officer issued a Declaration of Local Health Emergency, pursuant to California Health and Safety Code Section 101080. Additionally, on that day, pursuant to California Government Code 8630, the Chief Administrative Officer, serving as the County of San Diego (County) Director of Emergency Services and as the Coordinator of the Unified San Diego County Emergency Services Organization, issued a Proclamation of Local Emergency regarding COVID-19.

The County continues to make significant efforts to slow the spread of COVID-19. Today's action requests the Board to receive an update on the COVID-19 response and to receive an update on the allocation of \$5 million of CARES Act Funds for testing, tracing, and treatment (T3) strategies for K-12 schools. Additionally, today's action requests the Board to ratify all actions taken by the Chief Administrative Officer, Public Health Officer, Director, Department of Purchasing and Contracting and the Director, Department of General Services and take all other actions necessary to address the COVID-19 pandemic. In addition, today's action would authorize the Director of the Department of Purchasing and Contracting to enter into negotiations and award a contract for Safer at School Early Alert System for K-12 schools.

If approved, today's actions would authorize the acceptance of COVID-19 Epidemiology and Laboratory Capacity Enhancing Detection funding from the Centers for Disease Control and Prevention. Through the California Department of Public Health, the County has been allocated \$20,177,680. These funds are intended to provide critical resources to local health departments in support of a broad range of COVID-19 testing and epidemiologic surveillance related activities, including the establishment of modernized public health surveillance systems.

Today's proposed actions support the County's *Live Well San Diego* vision by protecting the health of residents against the COVID-19 pandemic.

RECOMMENDATION(S)
CHIEF ADMINISTRATIVE OFFICER

2. Ratify all actions taken by the Chief Administrative Officer, Public Health Officer, Director, Department of Purchasing and Contracting and Director, Department of General Services in response to the local health emergency and local emergency.
3. Receive an update on the allocation of \$5 million of CARES Act Funds for testing, tracing, and treatment (T3) strategies for K-12 schools.
4. Authorize the acceptance of approximately \$20,177,680 in funding from the California Department of Public Health from the Centers for Disease Control and Prevention for Epidemiology and Laboratory Capacity for the period of May 18, 2020 through November 17, 2022, and authorize the Clerk of the Board to execute all required documents, upon receipt, including any annual extensions, amendments, or revisions thereto that do not materially impact or alter the services or funding level.

5. In accordance with Board Policy A-87, Competitive Procurement, approve and authorize the Director of the Department of Purchasing and Contracting to enter into negotiations with University of California, San Diego and subject to successful negotiations and a determination of a fair and reasonable price, award a contract for Safer at School Early Alert System for K-12 schools for up to one year and an additional six months if needed, and to amend the contracts as needed to reflect changes to requirements and funding.
6. Take any other action necessary to address the COVID-19 pandemic emergency response.

FISCAL IMPACT

The County of San Diego (County) has been allocated a total of \$387.8 million of CARES Act, Coronavirus Relief Fund (CRF) revenue to address the COVID-19 emergency. In Fiscal Year 2019-20 the associated County costs were \$124.6 million and for Fiscal Year 2020-21 the costs, through December 30, 2020, are estimated at \$263.2 million in the use of the CARES Act CRF revenue, for a total use of \$387.8 million. These costs include public health and medical services, testing, tracing, treatment, temporary housing assistance, sanitation, food distribution services, allocations to the 17 cities that did not receive direct CARES Act funds, child care vouchers, child care provider grant program, economic stimulus program, child welfare outreach, Behavioral Health telehealth, compliance efforts, rental assistance and administrative support. The total CARES Act CRF allocation is estimated to be fully used by the end of December 2020. In addition, the County is pursuing other federal and State stimulus revenue, including FEMA and funding from the Centers for Disease Control and Prevention (CDC) per today's recommendations.

If approved, recommendation #4 would result in estimated costs and revenue of \$20,177,680 for the CDC's Epidemiology and Laboratory Capacity - Enhancing Detection Funding. While funds are available to be spent through November 17, 2022, it is currently estimated that funds would be fully expended by the end of Fiscal Year 2021-22, with \$8,647,577 spent in Fiscal Year 2020-21 and \$11,530,103 spent in Fiscal Year 2021-22. This funding would also support recommendation #5, which if approved would result in estimated costs of \$3.6 million in Fiscal Year 2020-21.

Funding for recommendations #4 and #5 are not included in the Fiscal Year 2020-22 Operational Plan in the Health and Human Services Agency. If needed, additional appropriations will be requested through future Board action. There are no changes in the net General Fund cost and no additional staff years associated with approval of the recommendations.

BUSINESS IMPACT STATEMENT

This action will help support individuals, families and small businesses impacted by COVID-19.

8. SUBJECT: RECEIVE UPDATE ON THE AGING ROADMAP AND THE COUNTY'S AGING INITIATIVES (DISTRICTS: ALL)

OVERVIEW

In 2010, there were nearly 688,000 San Diegans over the age of 55, and by 2025, that number will be more than one million. Given this projected growth, it is crucial that we take the needs of our region's older adults into account as we plan for the future. The Aging Roadmap is the County of San Diego's (County) regional plan to ensure that the region has programs and communities that support the needs and celebrate the contributions of the growing population of older adults in the San Diego region. Launched at the direction of the San Diego County Board of Supervisors (Board) on September 24, 2019 (04), the Aging Roadmap identifies specific goals and action steps in ten priority areas:

- Health and Community Support
- Housing
- Social Participation
- Transportation
- Dementia-Friendly
- Caregiver Support
- Safety
- Preparedness and Response
- The Silver Economy
- Medical and Social Services

The Aging Roadmap is designed to be flexible to address emerging needs with appropriate adaptations to policy and service delivery goals. This flexibility has been necessary during the COVID-19 pandemic, when older adults and individuals with disabilities confronted new and pressing needs across all ten Aging Roadmap priority areas. Aging Roadmap teams and infrastructure adapted to the COVID-19 pandemic. Food insecurity and public health outreach and education became primary issues. New collaborations and partnerships were formed, and emergency response processes were developed. Going forward, partnerships and lessons learned will be key in addressing the long-term impact of the COVID-19 pandemic, including social isolation and increased use of technology. The Aging Roadmap offers a guiding framework to reimagine services and supports and ensure that older adults are acknowledged and included as co-creators of safe and thriving communities.

Today's actions request the Board receive the first annual report of the Aging Roadmap. These actions support the County's *Live Well San Diego* vision by supporting older adults and persons with disabilities to live healthy, safe, and thriving lives and helping to ensure a community that is livable for persons of all ages.

**RECOMMENDATION(S)
CHIEF ADMINISTRATIVE OFFICER**

Receive update on the Aging Roadmap and the County's aging initiatives.

On July 16, 2020, the California Department of Housing and Community Development made available \$600 million of Homekey Program funds. Homekey is a statewide effort to rapidly sustain and expand housing opportunities for persons experiencing homelessness or at risk of homelessness and impacted by COVID-19.

The Homekey program provides funds on a competitive basis for local public agencies to purchase motels and other housing types to increase housing options and better respond to the needs of those experiencing homelessness or at risk of homelessness and are impacted by the COVID-19 pandemic. Of the \$600 million dollars available, \$550 million is from the State's allocation of federal CARES Act Coronavirus Relief Fund (CRF), for the acquisition and/or

rehabilitation of permanent or interim housing. The additional \$50 million is derived from the State's General Fund to fund operating subsidies for up to 24 months. The \$550 million of federal CRF must be expended by December 30, 2020 and the \$50 million State General Fund must be expended by June 30, 2022.

Eligible applicants are cities, counties, or other Local Public Agencies who may apply independently or jointly with a for-profit or non-profit corporation. Prioritization of the applications is based on a tiered criteria and date of submission. The Priority Application Review Period opened on July 22, 2020 and closed on August 13, 2020. In order to meet the required development and operations experience thresholds as well as the abbreviated time frame allotted by the State, the County of San Diego (County) Health and Human Services Agency partnered with Affirmed Housing Group, Inc. to submit an application for Homekey Program funds to the State of California on August 13, 2020. In addition to the Homekey application, a Resolution authorizing the joint application with Affirmed Housing Group, Inc. to the Homekey program, will need to be submitted. Today's action will adopt this Resolution. Furthermore, today's action supports the County's Live Well San Diego vision by ensuring homeless residents have access to suitable living environments.

- 11. SUBJECT: AUTHORIZATION TO APPLY FOR AND ACCEPT FUNDING FOR THE HOUSING NAVIGATORS PROGRAM AND ADOPT A RESOLUTION AUTHORIZING APPLICATION AND ACCEPTANCE OF ALLOCATION AWARD UNDER THE HOUSING NAVIGATORS PROGRAM (DISTRICTS: ALL)**

OVERVIEW

According to the 2020 WeAllCount report from the Regional Task Force on the Homeless, San Diego County is home to at least 659 homeless youth. When left without adequate support or resources, young adults between the ages of 18 to 24 can face significant barriers to finding safe, affordable homes. As a result, many of these youth are at risk of falling into homelessness.

On September 27, 2019, Governor Newsom signed California Senate Bill (SB) 109 to help reduce homelessness among foster care youth. SB 109 provides \$5 million in one-time funding to county child welfare services agencies for the support of housing navigators to help young adults ages 18 to 21 secure and maintain housing, with priority given to young adults in the foster care system. County allocations are distributed based on each county's percentage of the total statewide number of 17 through 21 year-olds in foster care. The County of San Diego, Health and Human Services Agency, Child Welfare Services (CWS) was informed on July 8, 2020 that they would be receiving an allocation of \$212,565. CWS currently supports approximately 560 youth to help them find safe and affordable homes and reduce their risk of falling into homelessness. The proposed total Fiscal Year 2020-21 Housing Navigators Program (HNP) funding allocation of \$212,565 will support housing navigator activities for youth ages 18 to 21 currently in or seeking transitional housing.

Today's action requests the San Diego County Board of Supervisors to accept \$212,565 for the HNP in funding allocated to CWS for the anticipated funding period of Fiscal Year 2020-21. This item supports the *Live Well San Diego* vision by furthering efforts to improve outcomes for youth entering adulthood from the foster care system and avoiding youth homelessness.

RECOMMENDATION(S)

CHIEF ADMINISTRATIVE OFFICER

1. Authorize the application for and acceptance of \$212,565 in Housing Navigators Program funds from the California Department of Housing and Community Development, for the anticipated funding period of Fiscal Year 2020-21 to help youth secure and maintain housing, and authorize the Agency Director, Health and Human Services Agency, to execute all required allocation award documents, including all amendments thereto.

2. Adopt a resolution entitled:
A RESOLUTION OF THE BOARD OF SUPERVISORS OF
THE COUNTY OF SAN DIEGO AUTHORIZING APPLICATION FOR AND
ACCEPTANCE OF THE COUNTY ALLOCATION AWARD UNDER THE HOUSING
NAVIGATORS PROGRAM.

FISCAL IMPACT

Funds for this request are not included in the Fiscal Year 2020-21 Operational Plan in Health & Human Services. If approved, this request will result in the costs and revenue of \$212,565 in Fiscal Year 2020-21, which will be covered by existing appropriations. The funding source is funding from the Department of Housing and Community Development for the Housing Navigators Program. There will be no change in net General Fund cost and no additional staff years.

12. **SUBJECT: APPROVAL OF AND AUTHORIZATION TO EXECUTE THE CALIFORNIA MUTUAL AID REGION I AND VI INTER-REGION COOPERATIVE AGREEMENT FOR EMERGENCY MEDICAL AND HEALTH DISASTER SERVICES, AND TO PURSUE FUTURE FUNDING OPPORTUNITIES TO SUPPORT THIS MUTUAL AID COLLABORATION (DISTRICTS: ALL)**

OVERVIEW

The County of San Diego (County) Health and Human Services Agency is responsible for coordinating emergency medical response to public health disasters or emergencies, and has an integral role in responses to natural and other disasters, including pandemics, fires, floods, earthquakes, hazardous spills, and other catastrophes that may occur in San Diego County. To maximize available resources and ensure the most effective response, the County enters into cooperative agreements with other jurisdictions and regions in California to provide mutual assistance and share resources, such as equipment, supplies, and staff during these types of events.

Currently, there are two such Agreements in place: one for Region VI, which includes the Counties of Imperial, Inyo, Mono, Riverside, San Bernardino, and San Diego; and one for Region VI, Region I, and neighboring Counties of Monterey and Kern, which all in all covers Los Angeles, Orange, San Luis Obispo, Santa Barbara, Ventura, Monterey, Kern, Imperial, Inyo, Mono, Riverside, San Bernardino, and San Diego Counties. On February 26, 2019 (4), the San Diego County Board of Supervisors (Board) approved the California Mutual Aid Region VI Intra-Region Cooperative Agreement for Emergency Medical and Health Disaster Services, which updated the original 1990 California Governor's Office of Emergency Services (Cal OES) Region VI Disaster Medical/Health System Inter-County Cooperative Agreement. On January 21, 1997 (14), the Board approved the Inter-Region Cooperative Agreement for Emergency Medical and Health Disaster Assistance which established mutual aid between Cal OES Regions I and VI.

Recently, the Medical Health Operational Area Coordinator programs within the Cal OES Region VI counties, the Regional Disaster Medical Health Specialist, and the Regional Disaster Medical Health Coordinator reviewed the 1997 Agreement and determined updates were needed to add and/or clarify language and requirements. If approved, today's action would authorize execution of a California Mutual Aid Region I and VI Inter-Region Cooperative Agreement for Emergency Medical and Health Disaster Services, which includes updated changes to definitions, insurance requirements, dispute procedures, roles and responsibilities, and the inclusion of behavioral health services. This Agreement would supersede the 1997 Inter-Region Cooperative Agreement for Emergency Medical and Health Disaster Assistance, currently in place.

Today's action supports the countywide *Live Well San Diego* vision by ensuring timely and efficient response to emergency disasters in San Diego County, thereby promoting a healthy, safe, and thriving region.

RECOMMENDATION(S)

CHIEF ADMINISTRATIVE OFFICER

1. In accordance with Section 21065 of the State of California Environmental Quality Act (CEQA) and Section 15378 of the CEQA Guidelines, find that this action is not a project subject to CEQA, because it is an organizational or administrative action that will not result in direct or indirect physical changes in the environment.
2. Approve and authorize the Agency Director, Health and Human Services Agency, to execute the California Mutual Aid Region I and VI Inter-Region Cooperative Agreement for Emergency Medical and Health Disaster Services/Personnel/Equipment/Supplies, for the period from the date of execution and to be reviewed every five years.
3. Authorize the Agency Director, Health and Human Services Agency, or their designee, to execute any extensions, amendments, and or revisions thereof that do not materially impact or alter the program or level.
4. Authorize the Agency Director, Health and Human Services Agency, or their designee, to pursue future funding opportunities within four years that support this mutual aid collaboration.

FISCAL IMPACT

There is no fiscal impact associated with executing the agreement. Should the County request assistance from any of the signatories of the agreement, the County would be responsible for reimbursing that party for the cost of the aid provided to support emergency response in San Diego County at that party's rates. Similarly, the County would receive reimbursement of any aid provided in response to mutual aid requests made by signatories of the agreement. There will be no change in net General Fund costs and no additional staff years.

13. SUBJECT: AUTHORIZATION FOR AMENDMENTS TO EXTEND EXISTING BEHAVIORAL HEALTH SERVICES CONTRACTS, EXECUTE REVENUE AGREEMENT AND AMEND A MEMORANDUM OF UNDERSTANDING (DISTRICTS: ALL)

OVERVIEW

In a series of actions since 1999, the County of San Diego (County) Board of Supervisors (Board) approved initiatives to redesign and implement an expanded continuum of comprehensive behavioral health care for children, adolescents, transition age youth, adults, older adults, and families. In pursuit of these initiatives, the Board approved the procurement of various contracted services.

As the impact of the novel coronavirus (COVID-19) continues to be evaluated, the County Health and Human Services Agency's Behavioral Health Services (BHS) remains focused on maintaining continuity of critical mental health and substance use services and serving the most vulnerable individuals and families within our community. Approval of today's recommended actions authorizes amendments to extend existing behavioral health services contracts to maintain continuity of critical behavioral health services in the wake of the COVID-19 pandemic. Additional recommendations include entering into a revenue agreement and amending a Memorandum of Understanding for two critical training programs. These recommended actions support the continuation of critical work to advance the Behavioral Health Continuum of Care in alignment with Board direction.

Today's action supports the County's *Live Well San Diego* vision by ensuring access to services; promoting health and well-being in children, adults, and families; and encouraging self-sufficiency, which together promote a region which is building better health, living safely, and thriving.

RECOMMENDATION(S)

CHIEF ADMINISTRATIVE OFFICER

1. In accordance with Board Policy A-87, Competitive Procurement, and Administrative Code Section 401, authorize the Director, Department of Purchasing and Contracting, subject to successful negotiations and a determination of a fair and reasonable price, to amend the contracts listed in Attachment A, Table 1 extending the contract term up to December 31, 2021, and up to an additional six months if needed; expand services, subject to the availability of funds; and amend the contracts as required in order to reflect changes to services and funding allocations, subject to the approval of the Agency Director, Health and Human Services Agency.
2. In accordance with Board Policy B-29, authorize the Clerk of the Board to execute a revenue agreement with the City of San Diego for \$332,514 for the Inebriate Sobering Services and Prosecution and Law Enforcement Assisted Diversion Services program for the period of July 1, 2020 through June 31, 2021, amendments thereto, and future years' Agreements and amendments, provided terms, conditions, program services and funding are not materially impacted or altered. In addition, waive Board Policy B-29 requirement of full cost recovery of revenue agreements.

3. Authorize the Agency Director, Health and Human Services Agency, or designee, to amend the Memorandum of Understanding (MOU) between the Southern Counties Regional Partnership and the County of San Diego Health and Human Services Agency for Workforce, Education and Training, as required, in order to reflect changes to services and funding allocations, subject to the approval of the Agency Director, Health and Human Services Agency, transfer funding of \$919,431 by July 31, 2024, as the required County match, as outlined in the terms of the MOU, and to extend the term of the MOU to June 30, 2026.

FISCAL IMPACT

Funds for these requests are included in the Fiscal Year (FY) 2020-22 Operational Plan in the Health and Human Services Agency.

Recommendation #1: Contract Extensions

If approved, this request will result in estimated costs and revenue of approximately \$2,200,000 in FY 2020-21 and \$4,700,000 in FY 2021-22. The funding sources are Mental Health Services Act, Substance Abuse Block Grant, and Realignment. There will be no change in net General Fund cost and no additional staff years.

Recommendation #2: Revenue Agreement Acceptance

If approved, this request will result in costs of \$665,028 for FY 2020-21, funded with \$332,514 in revenue from the City of San Diego and \$332,514 in Health and Human Services Realignment funding. A waiver of Board Policy B-29 is requested because the City of San Diego funding does not offset all costs, with the balance covered by Realignment. The public benefits of providing these services outweigh the required contribution for uncovered costs. There will be no change in net General Fund cost and no additional staff years.

Recommendation #3: Authorization to Amend the Memorandum of Understanding

If approved, this request will authorize amending the Memorandum of Understanding (MOU) between the Southern Counties Regional Partnership (SCRIP) and the County for Workforce, Education and Training (WET). This will result in a total of \$3,281,356 in funding, available through June 30, 2026, allocated for WET services benefitting the San Diego region. These funds will be administered by the SCRIP and will require that the County transfer matching funds of \$919,431 to the State prior to July 31, 2024. The funding source for the required match is Mental Health Services Act revenue and is not anticipated to be transferred until FY 2021-22 at the earliest. There will be no change in net General Fund cost and no additional staff years.

OVERVIEW

On April 26, 2017, the Board of Supervisors unanimously approved a Strategic Plan to reduce County waste. In the plan, the County committed to achieve 75% waste diversion for County operations by 2020 and zero waste (90% diversion) by 2040.

Measures have been taken by the State of California and local municipalities to discourage the use of single-use plastics. Installing water fountains to include a water bottle filling station at County facilities will encourage the County workforce, customers, and visitors to use refillable water bottles. Today's recommendations would direct the Chief Administrative Officer to develop a plan to retrofit drinking fountains at all appropriate County facilities with water bottle filling stations and report back to the Board with potential cost and options.

AN AGGREGATE AMOUNT NOT TO EXCEED \$90,000,000
(DISTRICT: 2)**

OVERVIEW

The County has received a request from the Colorado Health Facilities Authority ("Authority") to conduct a public hearing as required by the Internal Revenue Code and to approve the Authority's issuance of one or more series of revenue bonds in an aggregate principal amount not to exceed \$90,000,000 (the "Bonds"), for the benefit of Covenant Living Communities and Services (f/k/a Covenant Retirement Communities, Inc.), an Illinois not for profit corporation (the "Borrower"). The Borrower has applied for the financial assistance of the Authority. The proceeds of the Bonds will be allocated to separate projects located in various states across the United States to include California, Colorado, Florida, Illinois and Minnesota. Of the not to exceed \$90,000,000 in Bonds, it is anticipated that Covenant Living at Mt. Miguel located in Spring Valley, California will receive up to \$2,000,000 for the costs of constructing, renovating, remodeling and/or equipping certain facilities at Covenant Living at Mt. Miguel and pay certain expenses incurred in connection with the issuance of the Bonds. The only facility or Project which the Board resides over is the Covenant Village at Mt. Miguel located in the unincorporated area of the County in Spring Valley, California. The other facilities located outside of the County of San Diego will be subject to separate board hearings in the jurisdiction in which the respective facility resides.

The Authority is authorized to assist in financing for nonprofit public benefit organizations or for-profit corporations with a public benefit project wishing to issue revenue bonds, including the Borrower. In order to initiate such a financing, the Borrower is asking the County of San Diego, a member jurisdiction in which the project resides to: (1) conduct a public hearing to satisfy the public approval requirement of Section 147(f) of the Internal Revenue Code; and (2) approve the Authority's issuance of the Bonds. Although the Authority will be the issuer of the Bonds for the Borrower, the financing cannot proceed without the approval of an applicable legislative body.

Today's recommendations will provide the Authority with the required authorization to pursue its determination to issue the Bonds on behalf of the Borrower for the Project.

RECOMMENDATION(S)
CHIEF ADMINISTRATIVE OFFICER

1. Pursuant to Section 147(f) of the Internal Revenue Code, hold a public hearing regarding the financing of the Project.
2. Adopt a Resolution entitled:
RESOLUTION OF THE BOARD OF SUPERVISORS OF THE COUNTY OF SAN DIEGO APPROVING THE ISSUANCE OF THE COLORADO HEALTH FACILITIES AUTHORITY REVENUE BONDS IN AN AGGREGATE PRINCIPAL AMOUNT NOT TO EXCEED \$90,000,000 FOR COVENANT LIVING COMMUNITIES AND SERVICES (F/K/A COVENANT RETIREMENT COMMUNITIES, INC.) AND CERTAIN AFFILIATES.

FISCAL IMPACT

If approved, the proposal will result in approximately \$1,030 of unanticipated revenue to be used to reimburse the County for costs associated with this non-County financing.

The Borrower will be responsible for the payment of all present and future costs in connection with issuance of the financing. The County will incur no obligation of indebtedness as a result of these actions.

OVERVIEW

The County has received a request from the California Enterprise Development Authority ("CEDA" or "Authority") to conduct a public hearing as required by the Internal Revenue Code and to approve the Authority's issuance of one or more series of revenue obligations in an aggregate principal amount not to exceed \$3,000,000 (the "Revenue Obligations"), for the benefit of Junior Achievement of San Diego, Inc., a California nonprofit public benefit corporation ("Borrower"), and an organization described in Section 501(c)(3) of the Internal Revenue Code of 1986. The Borrower has applied for the financial assistance of the Authority to

finance or refinance the cost of acquisition, construction, development, improvement, furnishing and equipping of the Borrower's Headquarters located at 4756 Mission Gorge Place, San Diego, California 92120, which consists of an approximate 23,000 square foot commercial building with offices and assembly space ("Project"), and paying certain costs of issuance in connection with the financing and refinancing and other related costs. This financing plan will consist of both tax-exempt and/or taxable Revenue Obligations by the Authority. The portion of the Revenue Obligations that may be issued as taxable will be used to refinance costs that are not eligible for tax-exempt financing under the Internal Revenue Code.

The Authority is authorized to assist in financing of nonprofit public benefit organizations or for-profit corporations with a public benefit project wishing to issue or reissue Revenue Obligations, including the Borrower. In order to initiate such a financing, the Borrower is asking the County of San Diego, a member jurisdiction in which the project resides to: (1) conduct a public hearing to satisfy the public approval requirement of Section 147(f) of the Internal Revenue Code; and (2) approve the Authority's reissuance of the Revenue Obligations. Although the Authority will be the issuer of the Revenue Obligations for the Borrower, the financing cannot proceed without the approval of an applicable legislative body.

Today's recommendations will provide the Authority with the required authorization to pursue its determination to issue the Revenue Obligations on behalf of the Borrower.

RECOMMENDATION(S)
CHIEF ADMINISTRATIVE OFFICER

1. Pursuant to Section 147(f) of the Internal Revenue Code, hold a public hearing regarding the financing of the Project.

**24. SUBJECT: CITIZENS' LAW ENFORCEMENT REVIEW BOARD REPORT BACK
(DISTRICTS: ALL)**

OVERVIEW

San Diego County voters established the Citizens' Law Enforcement Review Board (CLERB) in 1990 to provide independent investigation and oversight of the Sheriff and Probation Departments. CLERB is composed of eleven volunteer board members nominated by the County's Chief Administrative Officer and appointed by the Board of Supervisors. In addition to the volunteer board members, five County employees support CLERB: an executive officer, three investigators and an administrative professional. CLERB has the power to subpoena witnesses and evidence for use in its investigations and employs its own independent investigators. CLERB provides an annual report, which summarizes the cases investigated, the policy recommendations made and tracking of the types of complaints received.

The County Charter directs CLERB to receive, review and investigate a wide variety of complaints regarding the conduct of peace officers or custodial officers employed by the County Sheriff's Department or the Probation Department. CLERB is only authorized to review these actions if there has been a complaint submitted by a member of the public. CLERB also has the authority to review all deaths that occur in custody or in connection with the actions of peace officers or custodial officers employed by the County Sheriff's Department or the Probation Department, regardless of whether a complaint has been filed. The Board of Supervisors may direct CLERB to undertake additional duties, by ordinance.

On June 23, 2020 (28), the Board of Supervisors ("Board") approved a series of actions to increase independence and strengthen oversight of the Citizens' Law Enforcement Review Board (CLERB):

1. Reassign CLERB functions and staff positions from the Public Safety Group of the County of San Diego to the Finance and General Government Group, effective July 1, 2020.
2. Request from CLERB a revised nomination and selection process that is more transparent to the public and incorporates community input as a part of the nomination and selection process.
3. Evaluate CLERB workload and responsibilities and, as appropriate, recommend changes to the budget for staffing, services and supplies to ensure the successful implementation of the recommendations in this board letter and the timely completion of all CLERB investigations, including those that are subject to the one-year timeline required by State law, and refer these changes to budget for consideration during the Fiscal Year 2020-21 budget deliberations and adoption.
4. Direct CLERB's Executive Officer to present CLERB's annual report to the Board of Supervisors within 60 days of CLERB's adoption of the yearly report.
5. Return to the Board within 60 days after the required process for approval with an ordinance amending Sec. 340.9 of the Code of Administrative Ordinances to reflect additions to CLERB's oversight role, including the following:
 - a. Authority to investigate any incidents involving the discharge of a firearm by peace officers or custodial officers employed by the County Sheriff's Department or the Probation Department.

- b. Authority to investigate the use of force by peace officers or custodial officers employed by the County Sheriff's Department or the Probation Department resulting in great bodily injury.
- c. Authority to investigate the use of force by peace officers or custodial officers employed by the County Sheriff's Department or the Probation Department at protests or other events protected by the First Amendment.

Today's action is for the Board to receive an update on the requested actions.

- 25. SUBJECT: ISSUANCE OF REVENUE BONDS BY THE CALIFORNIA MUNICIPAL FINANCE AUTHORITY FOR THE BENEFIT OF PH FBI SD, LLC, IN AN AGGREGATE AMOUNT NOT TO EXCEED \$225,000,000 (DISTRICT: 3)**

OVERVIEW

The County has received a request from the California Municipal Finance Authority ("CMFA" or "Authority") to approve the Authority's issuance of one or more series of taxable revenue bonds in an aggregate principal amount not to exceed \$225,000,000 (the "Bonds"), for the benefit of PH FBI SD, LLC, a Nevada limited liability company (the "Borrower"). The Borrower has applied for the financial assistance of the Authority to: (a) refinance all or a portion of the debt and/or equity of the Borrower and its affiliates incurred in connection with the acquisition, construction, improvement and equipping of the San Diego Field Office for the Federal Bureau of Investigation (the "Facility") owned and operated by the Borrower and located in San Diego, California, (b) financing all or a portion of certain capital improvements to the Facility, (c) funding certain reserve accounts in connection with the issuance of the Bonds, and (d) paying certain costs of issuing the Bonds.

The Authority is authorized to assist in financing for nonprofit public benefit organizations or for-profit corporations with a public benefit project wishing to issue revenue bonds, including the Borrower. In order to initiate such a financing, the Borrower is asking the County of San Diego, a member jurisdiction in which the project resides to approve the Authority's issuance of the Bonds. Although the Authority will be the issuer of the Bonds for the Borrower, the financing cannot proceed without the approval of an applicable legislative body. The financing will be a taxable financing, and therefore, does not require a public notice under the Internal Revenue Code.

Today's recommendations will provide the Authority with the required authorization to pursue its determination to issue the Bonds on behalf of the Borrower for the Project.

RECOMMENDATION(S)

CHIEF ADMINISTRATIVE OFFICER

Adopt a Resolution entitled:

RESOLUTION OF THE BOARD OF SUPERVISORS OF THE COUNTY OF SAN DIEGO AUTHORIZING AND APPROVING THE FINANCING TO BE UNDERTAKEN BY THE CALIFORNIA MUNICIPAL FINANCE AUTHORITY FOR THE BENEFIT OF PH FBI SD, LLC IN AN AGGREGATE AMOUNT NOT TO EXCEED \$225,000,000 FOR THE PURPOSE OF FINANCING OR REFINANCING EQUITY AND DEBT INCURRED FOR THE ACQUISITION, CONSTRUCTION, IMPROVEMENT AND EQUIPPING OF A FBI FIELD OFFICE AND CERTAIN OTHER MATTERS RELATING THERETO.

FISCAL IMPACT

If approved, the proposal will result in approximately \$1,030 of unanticipated revenue to be used to reimburse the County for costs associated with this non-County financing.

The Borrower will be responsible for the payment of all present and future costs in connection with issuance of the financing. The County will incur no obligation of indebtedness as a result of these actions.

31. SUBJECT: FEE WAIVERS FOR PROPERTY OWNERS IMPACTED BY THE SEPTEMBER 2020 VALLEY FIRE (DISTRICT: 2)

OVERVIEW

On March 6, 2002 (18), the Board of Supervisors amended the San Diego County Administrative Code to allow the waiver of plan check review and permit fees for the rebuilding of structures in the unincorporated area or areas in other jurisdictions needing County approvals that were damaged or destroyed by a wildfire or other natural disaster. When this occurs, the Board of Supervisors may adopt a resolution identifying the geographic areas affected by the disaster that are eligible for plan check review and permit fee waivers.

On May 20, 2014 (20), the Board of Supervisors authorized the Assessor/Recorder/County Clerk's Office to issue replacement marriage, birth, and death certificates free of charge for victims of wildfires and future declared emergencies whose documents were destroyed.

On September 5, 2020, a large catastrophic wildfire broke out near Alpine in the Cleveland National Forest prompting evacuations and road closures in numerous communities. Due to severe weather conditions, characterized by extreme high temperatures, Santa Ana wind gusts and low humidity, this wildfire quickly began to burn out of control.

As of September 10, 2020, more than 17,500 acres have been charred by the Valley Fire, with at least 30 homes and 29 accessory structures destroyed and roughly 11 structures damaged by the Valley Fire. In addition, there are nearly 900 fire personnel working around the clock trying to put out the fire which stands currently at 32% containment.

In an effort to assist property owners who lost legal structures in this wildfire, and who now must work through the grief and pain to rebuild their lives, today's action will formally declare the areas damaged by the September 2020 Valley Fire and declare property owners that are impacted by this disaster to be eligible for plan check review and permit fee waivers.

RECOMMENDATION(S)

SUPERVISOR DIANNE JACOB

1. Waive Board Policy B-29, Fees, Grants and Revenue Contracts, Department Responsibility for Full Cost Recovery to eliminate the plan check review and building permit fees related to the rebuilding of legal structures of like size and location in the unincorporated area that were damaged or destroyed by the September 2020 Valley Fire.
2. Waive the Assessor/Recorder/County Clerk's portion of fees collected pursuant to Health and Safety Code Section 103625 for fees collected for birth certificates, death certificates and marriage certificates, and grant the Assessor/Recorder/County Clerk's Office the authority to issue replacements of these documents free of charge for local residents who have lost their documents during the September 2020 Valley Fire.

3. Waive the Assessor/Recorder/County Clerk's fee for any copy of any property related document recorded or filed in the office of the recorder and grant the Assessor/Recorder/County Clerk's Office the authority to issue replacements of these documents free of charge for local residents who have lost their documents during the September 2020 Valley Fire.
4. Waive Board Policy B-29, Fees, Grants and Revenue Contracts, Department Responsibility for Full Cost Recovery and grant the Assessor/Recorder/County Clerk's Office the authority to issue birth certificates, death certificates and marriage certificates as well as replacement deeds and other property related documents free of charge for local residents who have lost their documents in the unincorporated area, or areas in other jurisdictions in which county approvals are required, within the perimeter of the areas affected by the September 2020 Valley Fire.
5. Adopt a resolution entitled: "A RESOLUTION OF THE COUNTY OF SAN DIEGO BOARD OF SUPERVISORS DECLARING THE REBUILDING OF LEGAL STRUCTURES IN THE UNINCORPORATED AREA THAT WERE DAMAGED OR DESTROYED IN THE SEPTEMBER 2020 VALLEY FIRE TO BE ELIGIBLE FOR PLAN CHECK REVIEW AND PERMIT FEE WAIVERS AND TO SUPPORT VICTIMS IN RECOVERING THEIR MARRIAGE CERTIFICATES, BIRTH CERTIFICATES, DEATH CERTIFICATES, DEEDS AND OTHER PROPERTY RELATED DOCUMENTS".
6. Authorize the Director of Planning & Development Services and the San Diego County Fire Authority to work with CALFIRE and other regional fire entities to finalize a map showing the boundaries of the September 2020 Valley Fire and the geographical area eligible for the waivers.

FISCAL IMPACT

If approved, the waiver of plan check review and permit fees associated with rebuilding damaged or destroyed homes, accessory structures and any property related documents will reduce revenues and increase the net general fund allocation by an unknown amount at this time. There will be no increase in staff years.

- 33. SUBJECT: INVESTING IN SAN DIEGO FAMILIES: EXPLORING LEARNING HUBS ON COUNTY CAMPUSES TO SUPPORT OUR EMPLOYEES AND THEIR CHILDREN WITH DISTANCE LEARNING (DISTRICTS: ALL)**

OVERVIEW

The beginning of the school year has already started for children across San Diego County, and our employees and families are faced with incredible childcare and technology challenges as they try to adapt to distance learning. Additionally, there are many families across our county that still do not have access to reliable internet service and parents are struggling to help their children be successful in a virtual learning environment.

In January of this year, our Board unanimously approved an initiative to explore opportunities for on-site childcare at County of San Diego campuses. Even before our region was grappling with the unintended consequences of the global pandemic, this Board committed to take a closer look into the regional childcare crisis and the needs of our employees who often struggle to find reliable and affordable childcare. County staff was directed to bring an innovative solution forward to support our employees and the community by identifying available space on County campuses that could be utilized for childcare. While the urgency of the public health crisis took center stage, this initiative is more critical than ever before. We have an immediate opportunity to build upon this enterprise-wide effort and explore opportunities for on-site childcare in the form of “learning hubs” for school-aged children. This model will address two significant challenges facing our County employees – the lack of available and affordable childcare options to support distance learning and the lack of reliable internet service.

Learning hubs are an innovative model that have already been implemented extensively throughout the City of San Francisco, utilizing City-owned spaces to provide community learning hubs in partnership with community-based providers. Today’s action will direct the Chief Administrative Officer to immediately convene a multi-disciplinary team focused on this initiative and to move forward with a sense of urgency to address this need for our employees and families across the county. This pandemic has forced us to redesign nearly every aspect of our daily life, including how we work and how our children learn. As a County government, we are being pressed to think and respond quickly to serve beyond our normal scope and responsibility. We will continue to adapt and assisting our employees and their school-aged children with nontraditional spaces for learning is critical.

RECOMMENDATION(S)

SUPERVISOR KRISTIN GASPAR

1. Direct the Chief Administrative Officer to immediately explore providing spaces for learning hubs to operate on County of San Diego campuses or other County facilities, in partnership with community-based providers, to increase support for our employees and their children as they adapt to distance learning.
2. Direct the Chief Administrative Officer to report back to the Board in 45 days and 90 days with updates on the progress and implementation of learning hubs.

- 34. SUBJECT: OPPOSITION TO CALIFORNIA PROPOSITION 15, TAX ON COMMERCIAL AND INDUSTRIAL PROPERTIES FOR EDUCATION AND LOCAL GOVERNMENT FUNDING INITIATIVE (DISTRICTS: ALL)**

OVERVIEW

Proposition 15 is a ballot initiative that is scheduled to be presented to California Voters on November 3, 2020. Proposition 15 would amend the California State Constitution to eliminate Proposition 13 protections by creating a *split tax* roll, where Proposition 13 protections for commercial and industrial properties will be eliminated and reassessed on current market value.

Passage of Proposition 15 would create the largest property tax increase in California history at a time when small businesses are already struggling to keep afloat during the historic COVID-19 Pandemic.

Additionally, the San Diego County Assessor's Office will need to substantially increase staff to complete real estate appraisals in San Diego and other counties, audit mixed-use housing projects, audit small businesses for number of employees, process a significant increase in assessment appeals, and defend and litigate valuations.

Today's action will ask the San Diego County Board of Supervisors to go on record opposing Proposition 15 by supporting the recommendation.
