1. SUBJECT: TRUTH ACT COMMUNITY FORUM REGARDING IMMIGRATION AND CUSTOMS ENFORCEMENT ACCESS TO INDIVIDUALS DURING 2019 (DISTRICTS: ALL)

OVERVIEW

In 2016, the State of California enacted the Transparent Review of Unjust Transfers and Holds Act, also known as the “TRUTH Act.”

The TRUTH Act requires, per Government Code Section 7283.1(d), that the governing body of a county shall hold an annual community forum if a local law enforcement agency within that county provided federal Immigration and Customs (ICE) access, as defined in the Act, to individuals during the previous year.

This is a request for the Board of Supervisors to hold a TRUTH Act community forum in order to provide information about ICE’s access to individuals, and to receive and consider public comment. Due to the high public interest in the forum and in an effort to make it accessible to those who may not be able to attend due to work, we are requesting a 5 p.m. time certain forum on the November 17 regular meeting of the Board of Supervisors.

RECOMMENDATION(S)

CHAIRMAN GREG COX AND SUPERVISOR NATHAN FLETCHER

Hold a community forum at 5 p.m. time certain at the November 17, 2020 regular meeting of the Board of Supervisors in accordance with Government Code Section 7238.1 (d).

2. SUBJECT: EMERGENCY SERVICES - RECEIVE AN UPDATE ON THE 2019 WILDFIRE RESILIENCE REVIEW REPORT (DISTRICTS: ALL)

OVERVIEW

In 2018, the Board of Supervisors (Board) established the County Resilience Program to tackle the County of San Diego’s (County) most challenging issues and identify creative solutions. The cornerstone of this program is the Resilience Review Process, which brings together teams of diverse experts from across the County to analyze and assess specific threats or hazards.

The Board of Supervisors on September 10, 2019 (2) received the 2019 Wildfire Resilience Review Report (Report), the County’s most comprehensive wildfire analysis to date. The Report found that wildland fire remains one of the region’s greatest threats and that there continues to be more the County can do to reduce wildfire risk while increasing preparedness, response, and recovery capabilities.

Over the past year, the County accomplished many of the Report's objectives through the completion of key tasks. Many of these tasks overlapped with goals set out in San Diego County Fire's 2020-2025 Strategic Plan. In some cases, County staff have achieved these tasks while simultaneously responding to the novel coronavirus. This update highlights the County's accomplishments over the past year, offers a glimpse of the 2020 wildfire outlook, and provides next steps for continued progress.

RECOMMENDATION(S)

3. **SUBJECT: DISTRICT ATTORNEY - REQUEST TO APPLY FOR AND ACCEPT GRANT FUNDS AND AUTHORIZATION TO AMEND A SINGLE SOURCE SERVICE CONTRACT TO CONTINUE THE COUNTY VICTIM SERVICES (XC) PROGRAM (DISTRICTS: ALL)**

OVERVIEW

On May 3, 2016 (1), the Board of Supervisors authorized the District Attorney's Office to apply for and accept grant funding from the California Governor's Office of Emergency Services (Cal OES) County Victim Services (XC) Program. The County Victim Services (XC) Program, administered through the District Attorney's Victim Services Division, provides supportive services to victims or witnesses of crime. Program priorities for the County Victim Services (XC) Program were established through a community collaborative and multi-agency partnership to identify and address the gaps and needs in victim services. The services provided by this program have included forensic medical exams, mental health treatment, housing assistance, crisis intervention, and case management. The District Attorney's Office in partnership with the Health and Human Services Agency has continued to provide these vital services utilizing \$5.8 million in total grant funds.

Cal OES has published another Request for Application that will enable counties to continue their Victim Services (XC) Programs for the period of January 1, 2021 through December 31, 2021.

If approved, today's action would authorize the District Attorney to apply for and accept grant funding in an estimated amount of \$1 million. Funds would be utilized to address identified gaps and needs in victim services through competitive procurements and through continuation of single source programs. This action would also authorize an extension and amendment of the single source service contract with Palomar Health Development, Inc. The service contract was previously approved by your Board on August 1, 2017 (1) and June 4, 2019 (7). Finally, this action would authorize the District Attorney to apply for and accept grant funding in subsequent years, if there are no material changes to the scope of services and funding levels. If required, the District Attorney would return to the Board of Supervisors to appropriate any funds as necessary.

RECOMMENDATION(S)

CHIEF ADMINISTRATIVE OFFICER

1. Pursuant to Board Policy B-29, authorize the District Attorney to apply for and accept approximately \$1 million in grant funds for the project period of January 1, 2021 through December 31, 2021 from the California Governor's Office of Emergency Services for the County Victim Services (XC) Program; and authorize the District Attorney to apply for and accept County Victim Services Program grants in subsequent years provided there are no material changes to the grant's purpose, services or funding level.
2. Authorize the District Attorney to execute all required grant documents, including any annual extensions, amendments and/or revisions that do not materially impact or alter the services or funding level.
3. In accordance with Board Policy A-87, Competitive Procurement, and Administrative Code Section 401, authorize the Director of the Department of Purchasing and Contracting to extend the agreement with Palomar Health Development, Inc. for forensic exams, trauma informed mental health services and case management for a period of January 1, 2021 through December 31, 2021, and three option years based on available funding, amend the agreement to add trauma-informed therapy and case management services and increase the contract amount up to \$1 million annually, subject to the availability of funds; and to amend the contract as needed to reflect changes to services and funding, subject to the approval of the District Attorney and the Agency Director, Health and Human Services Agency.

FISCAL IMPACT

Funds for this request are included in the Fiscal Year 2020-21 Operational Plan for the District Attorney and the Health and Human Services Agency. If approved, this request will result in estimated costs and revenue of \$1,000,000.00 from January 1, 2021 through December 31, 2021. The funding source is California Governor's Office of Emergency Services County Victim Services XC Grant. Subsequent year costs and revenues for the grant program will be included in future year Operational Plans for the District Attorney's Office and the Health and Human Services Agency. There will be no change in net General Fund cost and no additional staff years.

OVERVIEW

The Sheriff Department's ability to provide the highest quality public safety services is enhanced by the receipt of funding from the California Department of Alcoholic Beverage Control (ABC) and the California Office of Traffic Safety (CA OTS).

On August 6, 2019 (2), the Board of Supervisors adopted a resolution related to the Fiscal Year 2019 ABC Grant Assistance Program (GAP) that includes authority to apply for and accept ABC GAP funds in subsequent years provided there are no material changes to the grant terms or funding levels. This is a request to adopt a resolution and establish appropriations in the amount of \$97,500 in grant funding from the ABC for the project period July 1, 2020 to June 30, 2021.

Since October 9, 2012, the Sheriff has applied annually for and been awarded the Selective Traffic Enforcement Program (STEP) grant by the National Highway Traffic Safety Administration (NHTSA) passed through CA OTS. 6. **SUBJECT: AUTHORIZE ACCEPTANCE OF REACH GRANT FUNDS FROM THE CENTERS FOR DISEASE CONTROL AND PREVENTION FOR INCREASING INFLUENZA COVERAGE (DISTRICTS: ALL)**

OVERVIEW

On October 30, 2018 (04), the San Diego County Board of Supervisors (Board) approved the acceptance of \$3.96 million in grant funds from the Centers for Disease Control and Prevention (CDC) for the period of September 30, 2018 through September 29, 2023, for Racial and Ethnic Approaches to Community Health (REACH) to improve health, prevent chronic diseases, and reduce health disparities among racial and ethnic populations with the highest risk of chronic disease. On August 14, 2020, the CDC announced that optional, supplemental funding is available to current REACH grantees to support flu vaccination coverage for racial and ethnic groups experiencing disparities in vaccination rates. Approximately \$198,000 is available for the San Diego REACH program for the period starting on September 30, 2020.

Today's action requests that the Board approve and accept upon award by the CDC, the REACH supplemental funding to improve flu vaccination coverage among ethnic and racial groups experiencing disparities in flu vaccination rates. Flu vaccination is especially important this year during the COVID-19 pandemic. The CDC has prioritized the importance of flu vaccination for the entire flu season and is extending funding to local REACH recipients to conduct targeted communication outreach to specific groups who are at higher risk for complications from flu. These same groups are often at higher risk for COVID-19 and protecting them from the flu is important to decrease their risk of co-infection. Today's proposed action supports the County of San Diego's *Live Well San Diego* vision by protecting the health of residents against the flu.

RECOMMENDATION(S)

CHIEF ADMINISTRATIVE OFFICER

Authorize the acceptance of approximately \$198,000 in grant funds from the Centers for Disease Control and Prevention (CDC) for the Racial and Ethnic Approaches to Community Health (REACH) supplemental grant for the period beginning September 30, 2020, and authorize the Clerk of the Board to execute all required grant documents, upon receipt, including any annual extensions, amendments, or revisions that do not materially impact or alter the services or funding level.

FISCAL IMPACT

7. SUBJECT: APPROVAL OF THE EMERGENCY MEDICAL CARE COMMITTEE REVISED BYLAWS AND FACT SHEET (DISTRICTS: ALL)

OVERVIEW

In accordance with the San Diego County Board of Supervisors (Board) Board Policy A-74, Citizen Participation in County Boards, Commissions and Committees, the Board has the authority to establish and oversee special citizen boards that advise the Board and County of San Diego (County) staff on issues of policy and serve as links to the community. The EMCC is a citizen's advisory committee that advocates for continuous improvement of the emergency medical services system.

Today's action requests the Board approve amendments to the EMCC bylaws and fact sheet that govern their internal organization. The proposed amendments include:

- Changes to align with current practices: defining terms and provisions more clearly, correcting names, updating section numbers.

- Attendance Section: removes the provision that gives the authority to the full membership of the EMCC to vote to allow members an additional absence of full committee or subcommittee meetings due to extraordinary circumstances.
- Membership Section: reduce the total number of EMCC members from twenty (20) to seventeen (17).
- Representation on Emergency Medical Care Committee Section: change the representation of EMCC Organization Members by removing one (1) representative each from the League of California Cities, the San Diego County Emergency Physicians Society and the Bi-national Emergency Medical Care Committee due to no attendance in multiple years.

If approved, today's action would amend the bylaws and fact sheet for EMCC and support the County's *Live Well San Diego* vision by enhancing community involvement in the planning and provision of prehospital medical services and Building Better Health in the region.

- 12. SUBJECT: REPORT TO THE BOARD ON EXPLORING OPPORTUNITIES FOR ON-SITE CHILDCARE AT COUNTY OF SAN DIEGO CAMPUSES (DISTRICTS: ALL)**

OVERVIEW

The shortage of affordable and quality childcare options in our region is a major issue for working parents and the local economy. Acknowledging that County employees are affected by this issue, on January 28, 2020, Supervisor Kristin Gaspar brought forward a request to study the feasibility of providing on-site child care and the Board directed the Chief Administrative Officer to study the feasibility of providing on-site childcare at the County Operations Center (COC), the County Administration Center (CAC) and other County employee work locations. Staff was also directed to explore federal and State funding opportunities for the establishment of on-site childcare including consideration for providing designated subsidized childcare spaces.

To initiate the study, staff conducted a survey of County employees to determine the demand for childcare by geographic location. The employee survey indicated that the COC was the most requested location.

Establishing childcare centers at County campuses would require significant capital investment by the County or in partnership with a qualified provider, either through new construction or by repurposing office or program space in an existing County building. At present, there is no existing unoccupied space of sufficient size that meets childcare center requirements at the target County sites, but this may become an option if the County implements a teleworking strategy that continues beyond the current pandemic.

Presently, there are no other confirmed sources of funding to support adding capacity to the local childcare system. State and federal subsidy programs have income eligibility requirements that are either at the federal poverty or State median income guidelines and County employees are generally not eligible for these funds due to their income level.

Today's action is to receive the report from staff on the feasibility of providing childcare centers on certain County properties.

**RECOMMENDATION(S)
CHIEF ADMINISTRATIVE OFFICER**

Receive the report from staff on the feasibility of onsite childcare centers at County campuses.

FISCAL IMPACT

There is no fiscal impact associated with the Board's acceptance of the report; there is no change to net General Fund cost and no additional staff years. If requested, staff will return to the Board at a later date with a project proposal, including proposed costs, revenue, and funding sources.

15. **SUBJECT: ADOPT RESOLUTION TO SUMMARILY VACATE IRREVOCABLE OFFERS DEDICATION OF REAL PROPERTY (FEE TITLE) FOR PUBLIC SAFETY SERVICES IN THE EAST OTAY MESA AREA (VACATION NO. 2020-0152) (DISTRICT: 1)**

OVERVIEW

The Asset Management Division of the Department of General Services is processing a request to summarily vacate Irrevocable Offers of Dedication (IOD) of real property in fee for Public Safety Services. The real properties are located in East Otay Mesa, an unincorporated area of the County that is within the Otay Community Plan Area. An offer of dedication of real property for public purpose may be terminated through summary vacation if the subject interest is unused and determined to be excess. In this case, the real properties subject to the IOD’s have been unused since the IOD’s were recorded in 2009 and are no longer needed for the originally intended public purposes. The termination of the IOD’s through summary vacation will provide a benefit by removing the existing restriction on use of the real property allowing it to be put to productive use.

Today's request is for the Board of Supervisors to adopt a Resolution to summarily vacate the IODs which are unused and no longer required for the originally intended public safety and public fire purposes.

RECOMMENDATION(S)

CHIEF ADMINISTRATIVE OFFICER

1. Find the proposed vacation is not subject to review under the California Environmental Quality Act (CEQA) pursuant to State CEQA Guidelines section 15060(c)(2) and 15060(c)(3) because the action would not have a reasonably foreseeable direct or indirect effect on the environment and is not a project subject to CEQA review as it will only result in the summary vacation of public safety service fee parcels that are not, and independently the proposed vacation is categorically exempt under State CEQA Guidelines Section 15305 - Minor Alternation in Land Use Limitations.
2. Adopt a Resolution entitled:
RESOLUTION TO SUMMARILY VACATE IRREVOCABLE OFFERS OF DEDICATION OF REAL PROPERTY (FEE TITLE) FOR PUBLIC SAFETY SERVICES IN THE EAST OTAY MESA AREA (VACATION NO. 2020-0152).
3. Direct the Clerk of the Board to record the Resolution for Vacation No. 2020-0152 pursuant to State of California Streets and Highways Code Section 8336.

FISCAL IMPACT

Funds for this request are included in the Fiscal Year 2020-21 Operational Plan in the Department of General Services. If approved, this request will result in estimated expenses of \$4,500 to process the proposed vacation. The funding source is an internal agreement with the San Diego County Fire Authority supported by tax levies collected in County Service Area 135 (CSA 135). There will be no change in net General Fund cost and no additional staff years.

Only revenues from Proceeds of Taxes (property tax and certain state subventions) are subject to this limit. The County is substantially under the limit, having approximately \$2.2 billion of appropriations tied to Proceeds of Taxes that is subject to the limit in Fiscal Year 2020-21.

CHIEF ADMINISTRATIVE OFFICER**

Adopt the Resolution entitled:
