1. SUBJECT: SHERIFF - ESTABLISH APPROPRIATIONS AND ADOPT A RESOLUTION FOR FISCAL YEAR 2021 ALCOHOLIC BEVERAGE CONTROL ALCOHOL POLICING PARTNERSHIP (DISTRICTS: ALL)

OVERVIEW
The Sheriff’s Department’s ability to provide the highest quality public safety services is enhanced by the receipt of funding from the California Department of Alcoholic Beverage Control (ABC).

On September 29, 2020 (4), the Board of Supervisors adopted a resolution related to the Fiscal Year 2020 ABC Alcohol Policing Partnership (APP) that includes authority to apply for and accept ABC APP funds in subsequent years provided there are no material changes to the grant terms or funding levels. This is a request to adopt a resolution and establish appropriations in the amount of $97,500 in grant funding from the ABC for the project period July 1, 2021 to June 30, 2022.

RECOMMENDATION(S)
SHERIFF
1. Waive Board Policy B-29, Fees, Grants, Revenue Contracts - Department Responsibility for Cost Recovery, which requires full cost recovery for grants, as these grant programs do not recover full cost.

2. Establish appropriations of $97,500 in the Sheriff’s Department, for Salaries & Benefits for overtime ($92,500) and Services & Supplies ($5,000), based on unanticipated revenue from the California Department of Alcoholic Beverage Control under its FY 2021-22 Alcohol Policing Partnership for the project period July 1, 2021 to June 30, 2022. (4 VOTES)

3. Adopt a Resolution entitled A RESOLUTION OF THE BOARD OF SUPERVISORS OF THE COUNTY OF SAN DIEGO RELATING TO THE CALIFORNIA DEPARTMENT OF ALCOHOLIC BEVERAGE CONTROL ALCOHOL POLICING PARTNERSHIP.

EQUITY IMPACT STATEMENT
The Sheriff’s Department provides the highest quality public safety services to make San Diego the safest urban county in the nation. The Alcoholic Beverage Control Alcohol Policing Partnership (ABC APP) funds will be used to strengthen partnerships between ABC and local law enforcement agencies to address problematic businesses, keep alcohol away from minors, and implement education, prevention, and enforcement strategies, benefiting all of San Diego County residents.

FISCAL IMPACT
Funds for this request are partially included in the Fiscal Year 2021-22 Operational Plan for the Sheriff’s Department. If approved, this request will result in current year estimated costs of $126,119 and revenue of $97,500. The funding sources are grant revenue from the California Department of Alcoholic Beverage Control ($97,500) and existing General Purpose Revenue ($28,619) in the Sheriff’s Department. The grant revenue recovers Sheriff’s Department direct costs but does not reimburse all costs associated with administrative overhead and support estimated at $28,619. There will be no change in net General Fund cost and no additional staff years.

2. SUBJECT: NOTICED PUBLIC HEARING:
FISCAL YEAR 2020-21 CONSOLIDATED ANNUAL PERFORMANCE
AND EVALUATION REPORT FOR HOUSING AND COMMUNITY
DEVELOPMENT SERVICES ENTITLEMENT PROGRAMS; AND A
RESOLUTION APPROVING AN APPLICATION FOR FUNDING AND
THE EXECUTION OF A GRANT AGREEMENT AND ANY
AMENDMENTS THERETO FROM THE 2021-2022 FUNDING YEAR OF
THE STATE EMERGENCY SOLUTIONS GRANT PROGRAM,
CONTINUUM OF CARE ALLOCATION NOTICES OF FUNDING
AVAILABILITY (DISTRICTS: ALL)

OVERVIEW
The County of San Diego (County), as a recipient of the U.S. Department of Housing and Urban
Development (HUD) entitlement program funding, is required to prepare a Consolidated Annual
Performance and Evaluation Report (CAPER) summarizing the Fiscal Year 2020-21
accomplishments. During Fiscal Year 2020-21, the Health and Human Services Agency,
Housing and Community Development Services (HCDS) administered a wide variety of housing
and community development activities utilizing funds from the four federal entitlement
programs: Community Development Block Grant (CDBG), Home Investment Partnerships
(HOME), Emergency Solutions Grant (ESG), and Housing Opportunities for Persons with AIDS
(HOPWA). The County also administers funding provided by the State of California through the
State Emergency Solutions Grant (State ESG) program.

The activities, as described in the CAPER, predominately benefited lower-income residents. To
provide an opportunity for public input, HUD requires a public comment period and a public
hearing to be held before the CAPER is submitted. This hearing provides an opportunity for the
San Diego County Board of Supervisors (Board) to receive public comment on the Fiscal Year
2020-21 CAPER. The CAPER has also been posted on the HCDS website at www.sdhcd.org and
made available at the HCDS office for public comment since August 27, 2021. The public
comment period ends on September 14, 2021. Today’s action also seeks to obtain an authorizing
resolution for authority to apply for, accept, and administer State ESG funds. State ESG
supplements the federal ESG program and provides funding for emergency shelter and rapid
re-housing programs, which serve persons who are experiencing or at risk of homelessness. The
County is estimated to receive an allocation of approximately $500,000 in ESG funds from the
State of California. Today’s action supports the County’s Live Well San Diego vision by
increasing quality of life for low-income residents and providing assistance to vulnerable
populations within San Diego County.

Today’s action also supports the Board’s Framework for Our Future by targeting key priorities
through investing in historically disadvantaged communities through creating parks and green
spaces. The CAPER serves as a public record of activities and accomplishments undertaken over
the past year and consequently supports the Board’s movement towards further government
transparency.
RECOMMENDATION(S)
CHIEF ADMINISTRATIVE OFFICER
1. Hold this public hearing to receive public comment on the Fiscal Year 2020-21 Consolidated Annual Performance and Evaluation Report (CAPER).

3. Authorize the Agency Director, Health and Human Services Agency or designee, to apply for State of California ESG grant funds of up to $500,000 and to execute any agreements, certifications, amendments, or any other documents necessary to accept and implement the State ESG grant.

4. In accordance with Section 401 et seq. of the County Administrative Code and where determined appropriate, authorize the Director, Department of Purchasing and Contracting, to issue competitive solicitations for the Fiscal Year 2022-23 State ESG grant funds, and upon successful negotiations and determination of a fair and reasonable price, award contracts for a term of one (1) year with a six (6) month option, and, if needed, to amend contracts as required to reflect changes to services and funding or services requirements, subject to the availability of funds and the approval of the Agency Director, Health and Human Services Agency.

EQUITY IMPACT STATEMENT
The Community Development Block Grant (CDBG), Home Investment Partnerships (HOME), Emergency Solutions Grant (ESG), Housing Opportunities for Persons with AIDS (HOPWA), and the State of California Emergency Solutions Grant (State ESG) programs were established to meet community development, housing, and public service needs of low-income households and certain limited clientele groups. These limited clientele groups include persons experiencing homelessness, domestic violence survivors, abused or neglected children, seniors, and individuals with disabilities. The U.S. Department of Housing and Urban Development entitlement programs support the San Diego County Board of Supervisors’ Framework for Our Future by prioritizing the needs of these vulnerable communities.

As an entitlement grantee, Housing and Community Development Services (HCDS) holds community forums in eligible jurisdictions to ensure all the voices in that community, including low-income and historically underrepresented residents, can express their community’s needs. Robust community engagement is held every five (5) years for the development of the Consolidated Plan, as well as annual community forums to update the community and receive feedback on HUD entitlement programs. Forums for the 2020-2024 Consolidated Plan were held throughout the San Diego County unincorporated area, including Borrego Springs, Campo, Fallbrook, Julian, and Lincoln Acres, as well as in central San Diego. The input gathered from the community forums guide the County of San Diego (County) on how best to utilize its entitlement funds equitably. All projects incorporated into the HCDS Annual Plan and CAPER are aligned to key Consolidated Plan goals prioritizing affordable housing, homelessness, community infrastructure, and housing for individuals living with HIV/AIDS.
Data collected during the development of the 2020-2024 Consolidated Plan found that approximately 61% of low-income households in the County’s jurisdiction is housing-cost burdened and nearly 40% of all households experience some form of housing problem, such as overcrowding or nonfunctional utilities. Community forums and surveys revealed that residents see the rehabilitation or preservation of existing affordable units and the construction of new affordable units to be the highest need. Additionally, data found that the region’s special needs populations are particularly vulnerable to housing instability. Approximately 25% of the region’s population with a disability lives under 125% of the federal poverty line and housing was the top concern for the region’s more than 7,500 transition-aged youth. Lastly, the community strongly prioritized community infrastructure, with a particular interest in street and sidewalk improvements and urban greening.

Accomplishments outlined in the Fiscal Year 2020-21 CAPER have narrowed the gap in services and housing for these populations. Today’s action ensures compliance with federal reporting requirements that allows the County to continue utilizing more than $11.7 million annually for historically vulnerable populations.

Recommendation #1 (Consolidated Annual Performance and Evaluation Report (CAPER))
There is no fiscal impact associated with this action. There will be no change in net General Fund costs and no additional staff years.

Recommendations #2, #3 and #4 (Emergency Solutions Grant (ESG))

There will be no change in net General Fund cost and no additional staff years.

3. SUBJECT: DECLARING THE COUNTY OF SAN DIEGO A CHAMPION FOR REPRODUCTIVE FREEDOM (DISTRICTS: ALL)

OVERVIEW
In 1973, the Supreme Court’s decision in Roe v. Wade ruled that the Constitution of the United States protects a pregnant person’s liberty to choose whether to terminate a pregnancy or not. This was a landmark legal decision that struck down a Texas statute banning abortion, effectively legalizing the procedure across the United States. Prior to Roe v. Wade, abortion had been illegal throughout much of the country.

For decades, the State of California has served as a model for providing and protecting access to reproductive health care. In 1969, even before the United States Supreme Court decision in Roe v. Wade, the California Supreme Court recognized that the fundamental right of a person to choose whether to bear children is protected by the U.S. Constitution. Additionally, in 1972, the people of California recognized the significance of a person’s right to reproductive freedom by amending the California Constitution to enshrine a right to privacy.
California has been recognized as the state with the strongest protections of rights to reproductive freedom. As the second largest county in the state, and in light of recent attacks on abortion rights in other states, the County of San Diego should serve as a model and commit to defend and fight for reproductive freedom. Although abortions are legal in San Diego County, individuals still face barriers to reproductive access. On a daily basis, healthcare providers across the county work to reduce the number of unintended pregnancies and keep people healthy. As the agency tasked with promoting wellness, self-sufficiency, and a better quality of life for our residents, the County of San Diego has a responsibility to be a champion for reproductive freedom.

Today’s action demonstrates the County of San Diego’s strong commitment to safe and legal abortion access.

RECOMMENDATION(S)

VICE-CHAIR NORA VARGAS
Adopt the Resolution titled: A RESOLUTION DECLARING THE COUNTY OF SAN DIEGO A CHAMPION FOR REPRODUCTIVE FREEDOM

EQUITY IMPACT STATEMENT
Restrictions and bans that violate reproductive freedom disproportionately impact populations that already face barriers to accessing care—people of color, people with low incomes, immigrants, and young people. Access to abortion continues to be a right in name only, with many unable to access the medical procedure due to restrictive laws, financial hardships, and other barriers. As states around the country enact extreme laws that violate the fundamental right to decide whether or not to terminate a pregnancy, the County of San Diego must continue to uphold reproductive freedom for all.

FISCAL IMPACT
There is no fiscal impact associated with this recommendation.

4. SUBJECT: RATIFY THE APPLICATION FOR GRANT FUNDS FROM THE FEDERAL COMMUNICATIONS COMMISSION’S EMERGENCY CONNECTIVITY FUND TO PROVIDE LAPTOPS AND MOBILE INTERNET HOTSPOTS TO HOUSEHOLDS IN NEED IN THE COUNTY LIBRARY’S SERVICE AREA (DISTRICTS: ALL)

OVERVIEW
The San Diego County Library (County Library) plays a critical role in providing free access to the internet services and resources in the communities we serve. Part of County Library’s effort to provide resources is through a partnership with the San Diego Supercomputer Center on the campus of the University of California, San Diego. This connection is the local node of the California Research and Education Network, a very high-speed, high-quality internet node that connects all our library branches. In addition to providing free Wi-Fi, with approximately 500,000 Wi-Fi connections annually, computers and laptops are also available at all our library branches.
County Library has considered expanding its internet service program for customers to be able to access the internet in their own homes or dwelling places without having to be at a library branch, use modems, or internet utility services. Using data from the National Telecommunications and Information Administration (NITA) from the United States Department of Commerce, which maps the extent of the digital divide to the census tract level, County Library has estimated that there are 7,400 households in our service area that do not have internet access nor a smartphone or computer to access the internet. The estimated cost for such a program to be implemented to meet this need is up to $5 million.

The San Diego County Library has identified an opportunity to respond to this digital divide through an emergency funding source called the Emergency Connectivity Fund (ECF) initiated by the Federal Communications Commission (FCC) and administered by the Universal Service Administrative Company (USAC). The ECF initiative is a $7.17 billion program with a purpose to “provide funding to schools and libraries for the costs of $400 per laptop and $250 per Wi-Fi Hotspot, of eligible equipment and services that can be provided to students, teachers, and library patrons who lack connected devices, such as laptop or tablet computers, and/or lack broadband access during the pandemic.”

This grant opportunity would respond to the community's need by funding 7,400 laptops and mobile internet hotspots for households that lack computers and internet access. The grant also includes a one-year data access plan for the mobile hotspot services to be covered. Once the year access plan ends, the E-Rate funding program, which funds 85% to 90% of County Library internet service costs, will fund continued costs for internet access along with the Library Fund operational budget. The County Library will make these devices available for a one-year loan, which includes one laptop and hotspot per household, to mitigate the digital divide. After the one-year loan, County Library will review how the program has addressed the need in its service area and will have the opportunity to extend loan periods for service equipment and data access plans.

The ratification and application period for the ECF grant did not provide time for the County Library to receive Board of Supervisors approval prior to applying due to the tight program deadlines. Today’s action is a request to ratify the County Library’s grant application to ECF requesting approximately $5 million to acquire and distribute laptops and mobile internet hotspots. This equipment will be used to provide resources to households impacted by the digital divide in the County Library service areas of the unincorporated communities and eleven incorporated cities within the County Library service area. In addition, this request will authorize the Director, County Library to conduct all negotiations and to execute and submit all documents necessary to apply for and accept grant funds if awarded. If these grants are awarded, the County Library will return to the Board to request the appropriations of grant funds. If today’s request is not approved, County Library will withdraw the application request.

RECOMMENDATION(S)

CHIEF ADMINISTRATIVE OFFICER

1. Waive Board Policy B-29, Fees, Grants, and revenue Contracts - Department Responsibility for Cost Recovery, which requires the Board of Supervisors to act upon the proposed actions at least 15 days before a grant application is submitted.
2. Ratify the grant application for approximately $5,000,000 of the FCC’s Emergency Connectivity Fund to provide laptops and mobile internet hotspots to households impacted by the digital divide in the County Library’s service areas and authorize the County Library to accept the grant funds if awarded.

3. Authorize the Director, County Library, or designee, as agent of the County of San Diego, to conduct all negotiations and submit all documents necessary to apply for and accept grant funds including, but not limited to, applications, grant contracts, payment requests, and, if funds are awarded, to execute the grant agreements, including any extensions or amendments thereof that do not materially impact or alter the grant program or funding levels.

EQUITY IMPACT STATEMENT
The County Library provides equitable access to educational classes, opportunities to develop literacy, study materials, and recreational reading at no cost to the communities and customers we serve. The County Library also provides access to broadband internet and computers so that customers can access the digital services they need to meet their goals of learning, connecting, job seeking, and acquiring safety-net services. This grant from the FCC will enable the County Library to extend free digital infrastructure from library branches into the households of residents in need of this digital access. This program is an opportunity to provide resources for the over 7,400 households impacted by the digital divide in the County Library service area.

FISCAL IMPACT
There is no fiscal impact associated with today’s recommendations. If approved, this request will ratify the County Library’s grant application for the Federal Communications Commission’s Emergency Connectivity Fund grant funds and authorize the County Library to accept grant funds of approximately $5,000,000 for providing laptops and internet-connected devices to households lacking computer and internet access.

If these grants are awarded, the County Library will return to the Board to request the appropriations of grant funds. There will be no change in net General Fund cost and no additional staff years.

9. SUBJECT: PROPERTY TAX RATES FOR FISCAL YEAR 2021-22 (DISTRICTS: ALL)

OVERVIEW
This is a request to set the annual countywide ad valorem tax rates and the tax rates for school district debt service funds.

State law requires that these rates be adopted by the Board on or before October 3rd so the rates can be used to prepare the property tax roll and property tax bills. State law also requires that taxes be levied upon the taxable property of the County.

RECOMMENDATION(S)
CHIEF ADMINISTRATIVE OFFICER
Adopt the resolution entitled: “RESOLUTION ADOPTING THE TAX RATES FOR THE FISCAL YEAR COMMENCING JULY 1, 2021” incorporating the various rates as computed by the Auditor and Controller for Fiscal Year 2021-22.

EQUITY IMPACT STATEMENT
General Obligation Bonds are a vital financing mechanism for school districts in our community. The proceeds from the voter approved bonds are used to provide much needed infrastructure and equipment to school districts that might not otherwise have the resources for the acquisition and/or construction of these public improvements. There is strong evidence that high-quality infrastructure facilitates better instruction, improves student outcomes, and reduces dropout rates, among other benefits. School districts must conduct an annual, independent performance and financial audit.

FISCAL IMPACT
Approval of the resolution will allow the Auditor and Controller to prepare the tax roll and produce the annual property tax bills. It will also allow the Tax Collector to collect property taxes for Fiscal Year 2021-22.

The collection of taxes will provide funds to satisfy debt service requirements and to finance operations of the County and other government entities.

10. SUBJECT: FISCAL YEAR 2021-22 APPROPRIATION LIMIT FOR THE COUNTY OF SAN DIEGO (DISTRICTS: ALL)

OVERVIEW
Each year, pursuant to Article XIII B: Government Spending Limitation of the California Constitution and Government Code Section 7910, the Board of Supervisors establishes its appropriation limit for the County of San Diego. Today’s action requests adoption of a resolution establishing the County’s Appropriation Limit for Fiscal Year 2021-22, calculated to be approximately $6.3 billion. Only revenues from Proceeds of Taxes (property tax and certain state subventions) are subject to this limit. The County is substantially under the limit, having approximately $2.4 billion of appropriations tied to Proceeds of Taxes that is subject to the limit in Fiscal Year 2021-22.

RECOMMENDATION(S)
CHIEF ADMINISTRATIVE OFFICER
Adopt the Resolution entitled: A RESOLUTION OF THE BOARD OF SUPERVISORS OF THE COUNTY OF SAN DIEGO RELATING TO ADOPTING APPROPRIATION LIMIT FOR COUNTY OF SAN DIEGO FOR FISCAL YEAR 2021-22

EQUITY IMPACT STATEMENT
The Appropriation limit is based on appropriations from tax revenue. It is intended to address potential inequities to the public by capping the growth of County expenditures and returning excess revenue from proceeds of tax to taxpayers.

FISCAL IMPACT
The recommended action has no fiscal impact to the County. There is no change to net General Fund cost and no additional staff years. The action authorizes the adoption of the Fiscal Year 2021-22 Appropriation Limit, pursuant to Article XIII B of the California Constitution and other applicable laws.

AN ORDINANCE AMENDING THE COMPENSATION ORDINANCE AND ESTABLISHING COMPENSATION.
AN ORDINANCE AMENDING THE ADMINISTRATIVE CODE.

EQUITY IMPACT STATEMENT
Today’s recommendations will improve the County’s enterprise-wide strategy to evaluate programs that enable the Board of Supervisors and County leadership team to make evidence-based policy decisions that are most in line with the County’s priorities, promote economic justice, combat wage theft, and ensure fair and equitable treatment of San Diego workers by enforcing and administering state and federal labor laws, enhance existing refugee programs and County resources for the immigrant population regardless of immigration status, and provide support and coordination across County groups.

Today’s recommendations will also enhance services and develop programs to address the immediate needs of the homeless population, expand the administration of fire protection and emergency medical services, in addition to furthering environmental and climate justice programs and priorities for communities disproportionately impacted by air quality environmental burdens and related health problems, while also addressing reduction of greenhouse gasses and food justice and transportation equity for the benefit of the community.

These actions are aligned to the County’s 2021-2026 Strategic Plan and its vision for a San Diego that is Building Better Health, Living Safely, and Thriving.
