LEVINE ACT NOTICE: DISCLOSURES REQUIRED ON SPECIFIED ITEMS (GOVERNMENT CODE § 84308)

The Levine Act states that parties to any proceeding involving a license, permit or other entitlement for use pending before the Board must disclose on the record of the proceeding any campaign contributions of more than \$250 (aggregated) made by the parties or their agents to Board Members within the preceding 12 months. Participants with financial interests, and agents of either parties or participants, are requested to disclose such contributions also. The disclosure must include the name of the party or participant and any other person making the contribution; the name of the recipient; the amount of the contribution; and the date the contribution was made. This disclosure can be made orally during the proceeding or in writing on a request to speak.

Agenda Items

CONSENT CALENDAR

All agenda items listed under this section are considered to be routine and will be acted upon with one motion. There will be no separate discussion of these items unless a member of the Board of Directors or the Chief Administrative Officer so requests, in which event, the item will be considered separately in its normal sequence.

Agenda #	Subject
1.	CONTINUATION OF STORM DRAIN EMERGENCY REPAIR IN THE UNINCORPORATED COMMUNITIES OF CASA DE ORO AND FALLBROOK [FUNDING SOURCE: AVAILABLE PRIOR YEAR FLOOD CONTROL DISTRICT FUND FUND BALANCE] (4 VOTES)

1. SUBJECT: CONTINUATION OF STORM DRAIN EMERGENCY REPAIR IN THE UNINCORPORATED COMMUNITIES OF CASA DE ORO AND FALLBROOK (DISTRICTS: 4 AND 5)

OVERVIEW

On January 22, 2024, the County experienced catastrophic flooding in the Spring Valley area from an extremely rare storm event. Based on a statistical analysis of historical rainfall records at this location, staff determined that the amount of rain that fell on the 22nd was considered an unprecedented storm event, an event that has a 0.1% chance of occurring in that location in any given year. Other areas of the County also experienced heavy rain and flooding.

Existing drainage infrastructure is not designed to convey stormwater flows from an event of this magnitude. Flood Control District-maintained facilities at the following nine locations were impacted and required immediate emergency response:

- 1243 & 1247 Purdy Street, Spring Valley, CA 91977
- 2117 Ildica Court, Spring Valley, CA 91977
- 9602 Casa de la Torre Court, Casa de Oro, CA 91977
- 3150 Rio Way, Spring Valley, CA 91977
- 4362 & 4368 Edgewood Court, Casa de Oro, CA 91941
- 9825 Dogwood Lane, Hidden Meadows, CA 92026
- 8575 Los Coches Road, Lakeside, CA 92021
- 2544 Buena Flores, Fallbrook, CA 92028
- 402 Potter Street, Fallbrook, CA 92028

In accordance with County Administrative Code Section 402, “Emergency Preparedness,” notices to proceed were issued to repair or replace damaged storm drains and any other related drainage facilities and remove mud and debris.

On May 1, 2024 (FL01), the County Board of Supervisors, acting as the Board of Directors of the San Diego County Flood Control District (Board), found there was a need for the emergency repair for ongoing projects located in Casa de Oro, Lakeside and Fallbrook; and provided authorization to continue with ongoing emergency work. Pursuant to Public Contract Code section 22050, until the repairs are completed, the Board is required to determine at every regular scheduled Board meeting that there is a need to continue the emergency work. The cost for repairs at 2544 Buena Flores has increased by an additional \$400,000 due to the severity of the damage and the complexity of the repairs. Construction costs for all listed emergency repairs is currently estimated at \$6.25 million.

As of April 30, 2024, the following seven projects had been completed:

- 2117 Ildica Court, Spring Valley, CA 91977
- 9825 Dogwood Lane, Hidden Meadows, CA 92026
- 1243 & 1247 Purdy Street, Spring Valley, CA 91977
- 3150 Rio Way, Spring Valley, CA 91977
- 9602 Casa de la Torre Court, Casa de Oro, CA 91977

- 402 Potter Street, Fallbrook, CA 92028
- 8575 Los Coches Road, Lakeside, CA 92021

Today's request is for the Board to find that there is a need to continue the emergency repair work at the two locations identified immediately below in accordance with Public Contract Code section 22050:

- 4362 & 4368 Edgewood Court, Casa de Oro, CA 91941
- 2544 Buena Flores, Fallbrook, CA 92028

Additional appropriations are included to address the unanticipated increased cost of the emergency repairs at 2544 Buena Flores. The two emergency contracts listed above were previously ratified by the Board at the February 7, 2024 and March 13, 2024 hearings, and additional ratification for those emergency contracts is unnecessary.

RECOMMENDATION(S)

CHIEF ADMINISTRATIVE OFFICER

1. Find the projects are statutorily exempt from California Environmental Quality Act (CEQA) review pursuant to Section 15269(b) of the CEQA Guidelines because the projects involve emergency repairs to publicly owned service facilities necessary to maintain service essential to the public health, safety or welfare.
2. Pursuant to Public Contract Code section 22050(c)(2), find that there is a need to continue the emergency sinkhole repair, clog removal, and sediment/debris removal at the two locations in Casa de Oro (1 location) and Fallbrook (1 location) identified in this Board letter without giving notice for bids to let a contract. **(4 VOTES)**
3. Establish appropriations of an additional \$400,000 in the Department of Public Works, Flood Control District, Services & Supplies, for the increased costs of the repairs at the Buena Flores location in Fallbrook based on available prior year Flood Control District Fund fund balance. **(4 VOTES)**

EQUITY IMPACT STATEMENT

The failed storm drains are publicly maintained facilities that convey rainfall runoff and flood waters off the roadways and properties in the immediate vicinity. The San Diego County Flood Control District is responsible for the continued maintenance and proper function of the storm drain system in these areas. Approval of the emergency work will provide an overall benefit to the members of the residential communities and to those who use the public roads in the areas.

SUSTAINABILITY IMPACT STATEMENT

The emergency work will contribute to health and wellbeing sustainability benefits. The projects will reduce the risk to life and property by restoring the proper function of the storm drain system to convey runoff and flood waters, which will contribute to County of San Diego sustainability goals of protecting the health and wellbeing of local residents.

FISCAL IMPACT

Funds for this request are partially included in the Fiscal Year (FY) 2023-24 Operational Plan for the Flood Control District (District). If approved, this request will result in an additional cost of \$400,000 for a total cost and revenue of \$6,250,000 in FY 2023-24. The funding source is available prior year Flood Control District Fund fund balance. There will be no change in net General Fund cost and no additional staff years.
