

OUR MISSION: ↙

EMPOWERING SENIORS THROUGH TECHNOLOGY

At Senior Tech Connect, our mission is to bridge the digital divide by empowering older adults with the skills and confidence to navigate today's tech-driven world.

LANGUAGES WE OFFER:

English • Spanish • Creole

WHAT WE TEACH: ↘

We offer tailored classes in critical areas, including:

- **Cybersecurity:** Protecting seniors from common scams like Medicare fraud, phishing, and romance scams.
- **Digital Literacy:** From navigating smartphones and computers to safely shopping online and connecting with loved ones.
- **Health Management Apps:** Teaching seniors to use apps that help them manage their health and well-being.
- **AI Basics:** Learn the fundamentals of artificial intelligence, how it's shaping the world, and how seniors can use AI tools to simplify everyday tasks and stay connected.
- **Assistive Tech & Accessibility Tools:** Empowering independence through tech that improves quality of life.
