

Empowering Families Through Enhanced Care Management (ECM)

We begin with weekly in-home visits to understand your family's needs and set goals, gradually shifting to biweekly or monthly visits as appropriate.

What We Offer

- Therapeutic Support
- Connection to Community Resources & Services
- Support with Behavioral Challenges
- Access to Respite Care
- Visitation Support
- Build and Strengthen Your Support Network
- Navigation of Child & Family Well-Being System
- 24/7 After-Hours Support Hotline
- Advocacy for You and Your Child

Who Is Eligible?

Children or youth who meet one or more of the following criteria:

- Under 21 and currently in foster care
- Under 21 with a history of foster care within the last 12 months
- Under 18 receiving or eligible for Adoption Assistance Program (AAP)
- Under 18 in California receiving or eligible for Family Maintenance in the last 12 months

What Does It Cost?

It's free. ECM is fully covered by Medi-Cal health plans, including: Molina, Kaiser, and Blue Shield.

We can help you enroll in Medi-Cal or switch plans to access Angels ECM services.
