(DISTRICT: 5)**

**OVERVIEW**

When a property owner fails to pay property taxes by the end of the fiscal year, the property becomes tax defaulted. If the property remains tax defaulted for five years, the property then becomes subject to the Treasurer-Tax Collector's Power to Sell. Anza-Borrego Foundation has offered to purchase seven (7) parcels for the purpose of acquiring real property and interests in real property which are located within the boundary of the Anza-Borrego Desert State Park to preserve it as open space for public benefit. The property will be conveyed through a regular procedure to the California Department of Parks to become part of Anza-Borrego Desert State Park to be preserved for generations to enjoy as part of the park. defaulted and has become subject to the Treasurer-Tax Collector's Power to Sell for Defaulted Taxes.

This agreement includes seven (7) parcels 118-070-23-00, 119-050-17-00, 142-240-20-00, 201-050-06-00, 201-170-07-00, 252-080-58-00 and 297-070-03-00, which are immediately adjacent to Anza-Borrego Desert State Park. This acquisition is part of an ongoing effort of Anza-Borrego Foundation to acquire real property that is located within the boundary of Anza-Borrego Desert State Park to be preserved as open space for generations to enjoy as part of the park.

These parcels are fully described in Exhibit "A". The sale price includes, at a minimum, the amount to pay taxes and assessments including penalties and fees plus all costs of the sale per § 3793.1 of the California Revenue and Taxation Code.

Existing state law provides power for the Treasurer-Tax Collector to sell properties that are tax-defaulted for five or more years, or, in the case of a nuisance abatement, three or more years pursuant to Revenue and Taxation Code § 3691. For property damaged or destroyed by calamity and /or by a state, county, or federally declared disaster such as the Lilac Fire of December 2017, state law provides that the property not be offered at sale until five years from the date of the state, county or federally declared disaster. The Treasurer-Tax Collector makes a review of the parcels subject to and scheduled for sale to identify and remove properties affected by such declared disasters from the list of parcels to be offered at sale. Additionally, the County is notified of the availability of Power to Sell Properties to determine the potential benefit to the County in acquiring the properties for public use per Board Policy F-1.

Prior to sale, the Treasurer-Tax Collector's office thoroughly researches tax-defaulted property to identify parties of interest. Rigorous efforts are made to contact the owners and other parties of interest to provide them notice of sale, the effect of the sale on their interest in the property, and their right of redemption. All contact with parties of interest is purposed on facilitating the redemption (payment in full) of defaulted taxes.

Owners of record are sent notices each year starting with the first year of default. These notices consist of a defaulted tax bill in July and the regular tax bill in October, which contains the statement, "IN DEFAULT ON JUN 30 YYYY, PRIOR YRS TAXES DELINQUENT." Defaulted tax statements for parcels, which are delinquent for five years or more advise the taxpayer of the tax sale status and fees that have attached or will attach to the parcel prior to mailing. All owners' mailing addresses are researched prior to mailings for a more current address. Notices of the Treasurer-Tax Collector's Power to Sell for Defaulted Taxes are recorded, in accordance with § 3691.1, § 3691.2 and § 3691.4 of the Revenue and Taxation Code, and legal advertisement of the property's Tax-Default and Impending Power of the Treasurer-Tax Collector's Power to Sell is made for each of the properties itemized on the attached Exhibit. Prior to sale, taxing agencies are notified of the scheduled sale and provided an opportunity to object to the sale of individual property scheduled for public auction and acquire that property for public purpose, in accordance with § 3695 of the Revenue and Taxation Code. Additionally, prior to any tax sale, notice of the impending sale is mailed out to all known parties of interest, individually, and is also published in

local newspapers. It is only after all such means have been exhausted by the Treasurer-Tax Collector staff that property is scheduled for auction

**LINKAGE TO THE COUNTY OF SAN DIEGO STRATEGIC PLAN**

Today's proposed action to approve the sale of tax-defaulted property supports the Sustainability of Economy and Environment, and Equity of Health and Housing initiatives in the County of San Diego's 2025-2030 Strategic Plan by collecting validly assessed tax revenue which is turned over to the General Fund and made available to maintain fiscal stability and ensure long-term solvency; for the preservation of the natural environment for residents, visitors and future generations to enjoy; by focusing on policy approaches to ensure equal opportunity for health and well-being through partnerships and innovation; and by utilizing policies, facilities, infrastructure and finance to provide housing opportunities to meet the needs of the community.

### **SUBJECT**

**CHAPTER VIII AGREEMENT NO. 7099 TO PURCHASE TAX-DEFAULTED LAND  
BY THE SAN DIEGO RIVER PARK FOUNDATION (DISTRICT: 2)**

### **OVERVIEW**

When a property owner fails to pay property taxes by the end of the fiscal year, the property becomes tax defaulted. If the property remains tax defaulted for five years, the property then becomes subject to the Treasurer-Tax Collector's Power to Sell. Statutory requirements are met pursuant to Revenue and Taxation Code § 3691, et seq. prior to the property being offered at sale. Prior to sale, taxing agencies including the County of San Diego and eligible non-profit organizations are notified of the scheduled sale and provided an opportunity to object to the sale of any of the properties being offered at public auction to acquire that property for public purpose, in accordance with § 3695 and Chapter VIII of the California Revenue and Taxation Code and County of San Diego Board Policy F-1 Screening of Tax-Deeded Land for Possible Public Use.

The San Diego River Park Foundation has offered to purchase one (1) parcel of tax-defaulted land for the purpose of acquiring certain properties for their wildlife, watershed, scenic, recreational and other values. The San Diego River Park Foundation will use the vacant land for wildlife conservation and public recreation; no development will be done. In accordance with Chapter VIII of the California Revenue and Taxation Code, we have prepared the proposed agreement for your approval.

**SUBJECT:** CHAPTER VIII AGREEMENT NO. 7099 TO PURCHASE TAX-DEFAULTED LAND BY THE SAN DIEGO RIVER PARK FOUNDATION (DISTRICT: 2)

### **EQUITY IMPACT STATEMENT**

The Treasurer-Tax Collector recognizes the systemic impacts that inequitable policies may create for residents of the County of San Diego. Impacts have historically included outcomes related to racial justice and issues of belonging that are reflected in the programs, services and resources allocated to communities. To more proportionally serve the community, The San Diego River Park Foundation has agreed to purchase the land from the County as part of an on-going effort to acquire certain properties for their wildlife, watershed, scenic, recreational and other values. The San Diego River Park Foundation will use the vacant land for wildlife conservation and public recreation; no development will be done. It is anticipated that these actions will have a positive impact on all equity-seeking groups to include Black, Indigenous, People of Color (BIPOC), women, people with disabilities, immigrants, youth and the LGBTQ community as the mission of The San Diego River Park Foundation within the California Department of Parks and Recreation is to help to preserve the state's extraordinary biological diversity, protect its most valued natural and cultural resources, and create opportunities for high-quality outdoor recreation.

### **SUSTAINABILITY IMPACT STATEMENT**

This acquisition would have a positive impact on sustainability. The San Diego River Park Foundation is acquiring certain properties for their wildlife, watershed, scenic, recreational and other values. The San Diego River Park Foundation will use the vacant land for wildlife conservation and public recreation; no development will be done.

### **FISCAL IMPACT**

If approved, proceeds of \$1,300.00 from the sale of one (1) parcel to The San Diego River Park Foundation will be used to redeem the delinquent prior year and current year taxes, costs and fees. Any funds remaining after satisfaction of all taxes, fees and costs of sale will be retained in the delinquent Tax Sale Trust Fund for a period of one year following the recordation of the tax deed to the purchaser of the property. During that period, any party of interest in the property at the time of the sale may apply for the proceeds by submitting a claim. Any excess proceeds remaining after processing valid claims will be transferred to the General Fund. There will be no additional change in net General Fund cost and no additional staff years.

### **BACKGROUND**

Pursuant to the California Revenue and Taxation Code, Division 1, Part 6, Chapter 8, public and non-profit agencies are eligible to purchase tax-defaulted properties which are subject to public auction. The San Diego River Park Foundation will, upon Board approval, execute the attached Chapter VIII Agreement No. 7099 to purchase one (1) parcels of land which is more than five years tax-defaulted and has become subject to the Treasurer-Tax Collector's Power to Sell for Defaulted Taxes.

**SUBJECT: CHAPTER VIII AGREEMENT NO. 7099 TO PURCHASE TAX-  
DEFAULTED LAND BY THE SAN DIEGO RIVER PARK FOUNDATION  
(DISTRICT: 2)**

This agreement includes one (1) parcel 290-041-21-00. This acquisition is part of an on-going effort of The San Diego River Park Foundation to purchase or acquire certain properties for their wildlife, watershed, scenic, recreational and other values. The San Diego River Park Foundation will use the vacant land for wildlife conservation and public recreation; no development will be done. These parcels are fully described in Exhibit "A". The sale price includes, at a minimum, the amount to pay taxes and assessments including penalties and fees plus all costs of the sale per § 3793.1 of the California Revenue and Taxation Code.

Existing state law provides power for the Treasurer-Tax Collector to sell properties that are tax-defaulted for five or more years, or, in the case of a nuisance abatement, three or more years pursuant to Revenue and Taxation Code § 3691. For property damaged or destroyed by calamity and /or by a state, county, or federally declared disaster such as the Lilac Fire of December 2017, state law provides that the property not be offered at sale until five years from the date of the state, county or federally declared disaster. The Treasurer-Tax Collector makes a review of the parcels subject to and scheduled for sale to identify and remove properties affected by such declared disasters from the list of parcels to be offered at sale. Additionally, the County is notified of the availability of Power to Sell Properties to determine the potential benefit to the County in acquiring the properties for public use per Board Policy F-1.

Prior to sale, the Treasurer-Tax Collector's office thoroughly researches tax-defaulted property to identify parties of interest. Rigorous efforts are made to contact the owners and other parties of interest to provide them notice of sale, the effect of the sale on their interest in the property, and their right of redemption. All contact with parties of interest is purposed on facilitating the redemption (payment in full) of defaulted taxes.

Owners of record are sent notices each year starting with the first year of default. These notices consist of a defaulted tax bill in July and the regular tax bill in October, which contains the statement, "IN DEFAULT ON JUN 30 YYYY, PRIOR YRS TAXES DELINQUENT." Defaulted tax statements for parcels, which are delinquent for five years or more advise the taxpayer of the tax sale status and fees that have attached or will attach to the parcel prior to mailing. All owners' mailing addresses are researched prior to mailings for a more current address. Notices of the Treasurer-Tax Collector's Power to Sell for Defaulted Taxes are recorded, in accordance with § 3691.1, § 3691.2 and § 3691.4 of the Revenue and Taxation Code, and legal advertisement of the property's Tax-Default and Impending Power of the Treasurer-Tax Collector's Power to Sell is made for each of the properties itemized on the attached Exhibit. Prior to sale, taxing agencies are notified of the scheduled sale and provided an opportunity to object to the sale of individual property scheduled for public auction and acquire that property for public purpose, in accordance with § 3695 of the Revenue and Taxation Code. Additionally, prior to any tax sale, notice of the impending sale is mailed out to all known parties of interest, individually, and is also published in local newspapers. It is only after all such means have been exhausted by the Treasurer-Tax Collector staff that property is scheduled for auction.

**LINKAGE TO THE COUNTY OF SAN DIEGO STRATEGIC PLAN**

Today's proposed action to approve the sale of tax-defaulted property supports the Sustainability of Economy and Environment, and Equity of Health and Housing initiatives in the County of San Diego's 2025-2030 Strategic Plan by collecting validly assessed tax revenue which is turned over to the General Fund and made available to maintain fiscal stability and ensure long-term solvency; for the preservation of the natural environment for residents, visitors and future generations to enjoy; by focusing on policy approaches to ensure equal opportunity for health and well-being through partnerships and innovation; and by utilizing policies, facilities, infrastructure and finance to provide housing opportunities to meet the needs of the community.
