

SUD VOICES FOR CHANGE

# POLICY IS MADE IN SACRAMENTO. BUT DOES IT WORK FOR US?

Let's tell the State Capital What Recovery Really Looks Like.

## Join Our Listening Session!

SUD Voices for Change is building a movement to make sure "Capital Decisions" actually work for real people in our neighborhoods and rural towns.

### WE ARE LISTENING TO:

- Individuals in recovery, currently using, or fighting to get a loved one help
- Rural Residents: Do you have to drive an hour just to get medication or counseling?
- Tribal Members: Does the system honor your traditions and sovereignty?
- Families: Are high housing costs in the Valley pushing your family to the breaking point?

### WHY JOIN?

Your voice will shape how California should spend millions in our communities from the Opioid Settlement funds. Don't let politicians guess what you need. Tell them.

### YOUR TIME IS VALUABLE!

Participants will receive up to a \$45 Gift Card for participating. Breakfast & Lunch Provided.
