Title	Behavioral Health Services Act Contract Amendments

Behavioral Health Services (BHS) is issuing this informational notice to advise contracted providers of upcoming contract amendments associated with the implementation of the Behavioral Health Services Act (BHSA), effective July 1, 2026.

Providers with contracts subject to these changes will receive amendment documents beginning mid-April 2026. These amendments reflect funding and programmatic updates related to the transition to BHSA, including:

- Contracts currently funded with the Mental Health Services Act (MHSA) funds transitioning to BHSA or other funding sources; and
- Select contracts currently funded with non-MHSA sources that will transition to BHSA.

This notice does not apply to contracts that have previously received formal notice of discontinuation.

For additional information regarding BHSA implementation, including frequently asked questions, please visit the County of San Diego [BHSA webpage](#).

Providers are encouraged to contact their Contracting Officer’s Representative (COR) with any questions regarding this notice or upcoming amendments.
