

Request for Proposals:

Perinatal Outpatient Substance Use Disorder Services

Service Description

Perinatal Substance Use Disorder Outpatient programs provide capacity for Substance Use Disorder (SUD) Outpatient Services (OS), Intensive Outpatient Services (IOS), and Recovery Services. Services are available for pregnant and parenting women, including adolescent females aged 15 years and older, and women seeking gender-specific treatment. These programs operate under the Drug Medi-Cal–Organized Delivery System (DMC-ODS). All perinatal SUD treatment providers are required to follow [DHCS Perinatal Practice Guidelines](#) for service delivery.

COUNTY OF SAN DIEGO
PURCHASING & CONTRACTING

There is no charge to register or to use our system. If you are a supplier interested in doing business with the County of San Diego, please self-register in BuyNet. If you wish to receive commodity based notifications of new solicitations and changes to solicitations, you must also register for commodities within your BuyNet account profile using UNSPSC commodity codes.

Please email the [Department of Purchasing and Contracting](#) if you require further assistance on your vendor or commodity profile.

As a public agency, the County of San Diego must adhere to the California Public Records Act. Therefore, solicitation documents may become public records subject to disclosure at the conclusion of the procurement process. The County intends to publish contracts, which may contain some or all of the successful proposal(s), to its public web site. See the solicitation documents for more information about confidential or proprietary information.
