About KP LAUNCH

Our vision for KP LAUNCH is to positively impact the lives of young adults from backgrounds that are currently underrepresented in health care careers, and build a pipeline of diverse talent that will become future leaders in health care. This is all part of Kaiser Permanente's commitment to high quality care, and being able to meet the cultural and linguistic needs of northern California's increasingly diverse communities.

General Application

Feel free to submit your application of interest for our summer 2023 cohort starting November 21, 2022. The application link will remain open until December 23, 2022.

As part of the application process, please be prepared to submit a resume and a personal statement about yourself and your interest in our summer program.
