

Boat for Sale

Irish Lord is a 1965 32ft Columbia Sabre sailboat, initially designed as a racing class or day sailing vessel with a fin keel and fractional sloop rigging. It has a cutty cabin that sleeps 2 comfortably and is equipped with accommodations for a sink, cooking stove and 'ice box'. It has a compartment for an outboard motor, storage compartments and tiller steering is provided. **The Irish Lord is well kept and was restored around 2015.** It has a hand laid and molded fiberglass hull. The trailer is a Four Winn's 38' steel frame with a manual winch.

The Irish Lord belonged to our brother. He passed away unexpectedly. He had planned to spend his retirement years sailing and sharing his love of sailing with others. He worked on restoring this boat for many years and any and all who visited him were put to work as free labor. **We need to find a new home for the Irish Lord.** We had a marine survey completed in December 2022 and can provide this to interested parties. We are selling this boat "as is". Price \$10,000.

From the Marine Survey: 32ft, Load Length Water Line 22ft, Beam 6ft, Draft 4ft, Weight 4,500 lbs., Ballast 2,800 lbs.

The Irish Lord is currently in a storage facility near Denver, Colorado.
