The **Prijon Cruiser 430** is a tandem kayak designed for touring and adventure. Here are the dimensions and some details about this kayak:

- **Length:** 430 cm (approximately 14 feet)
- **Width:** 68 cm (approximately 26.75 inches)
- **Cockpit:** Open cockpit design
- **Hull Type:** Diamond hull for stability and maneuverability
- **Seating:** Comfortable padded seating
- **Purpose:** [Ideal for long-distance travel in open and rough water<sup>1</sup>.](#)

Keep in mind that the Cruiser 430 is a bit wider than some other models, which contributes to its stability. However, it may not accelerate as quickly from a stop due to its weight. [Overall, it's a versatile kayak suitable for various water conditions and adventures!](#)
