

IMAGINE YOURSELF HERE...

ON YOUR BIG RED BOAT

2022 AVALON GS CENTER CONSOLE FISHING BOAT

**BOAT LENGTH: 25 FEET
250 HORSEPOWER MERCURY MOTOR
GENTLY USED, LESS THAN 20 HOURS!**

The Avalon GS Fishing Boat is a fisherman's **dream**. This amazing pontoon contains two live wells, Garmin fish finder, Veethree Depth Finder, tackle trays, a lockable rod box and four fishing stations.

The build has been upgraded to the Ultrafine Vinyl package for a luxurious feel and easy clean experience. Other upgrades include the rough water package, GS Premium package, furniture series upgrade, full deck slate teak flooring, sport high back chairs, an adjustable seat pedestal, Greywood rectangular table, ottoman cooler, privacy station, wash down, and full enclosure.

Relax while streaming your music as you fish with the Bose audio system and light up the night with interior and underwater lighting. This boat is painted an eye catching red and includes seat covers. A matching red Boat Mate tandem trailer will help you get this beauty wherever you wish to go.

Currently this gem is living the good life in Frisco, Colorado, where boat slips are scarce. Buyer will have **first right of refusal of the slip** which can be transferred to the new owner.

At this time, wait list for a slip at the Frisco Bay Marina is roughly four years long with over 100 hopeful boaters on the waiting list.
