"Nada Mas" - a South Coast 23' sailboat may be your answer.

Slip D32 has been her home for decades on Lake Dillon.

Wondering what a South Coast is? Have you seen an Ensign or a Cape Dory Typhoon? The South Coast is its sister. Carl Arlberg designed all three and many others. She is a day sailer with cabin and berths below.

Looking for 1-2 partners to take over for partners who are not spending as much time in Summit County and are pursuing other activities in their retirement. Price will be determined based on # of partners. All expenses divided by # of partners. Expenses include but not limited to slip, launch (shrink wrap removal, step, tune), summer trailer storage, fall haul out (shrink wrap, de-step mast), repair and maintenance, insurance, registration, etc. Expenses will start with fall haul out. Over the past three years, each partner has paid less than \$2k per year. If two partners, then estimate \$3k.

Let's chat - see what is possible!
