

## Commuting Solutions

Try the FlexRide in Superior for FREE!

**Commuting Solutions** wants to help you give the **FlexRide** a try. **From now until December 31, you can sign up to receive a free Local RTD day pass on our website.**

RTD's **FlexRide** is one of the most versatile transit services available to the northwest metro area. It's a call-ahead, on-demand neighborhood transit service ideal for connecting to other RTD services at stations and Park-n-Rides or to shopping malls, schools, businesses, recreational centers, libraries and more.

Anyone can order or schedule a **FlexRide** trip by calling, making reservations online or using the app. This service complements fixed bus routes to help riders complete trips between RTD stations and their final destinations, and can even be used to travel between destinations within the service area.

Superior is serviced by the **FlexRide**. It connects to the US 36 & McCaslin station, Flatiron Crossing, Superior Marketplace, the future Downtown Superior and more. You can call **720-645-5128** to schedule your ride or visit [rtd.denver.com/flexride/](https://rtd.denver.com/flexride/) to book online.
