

# June Primary Election for U.S. Senate, Congressional, State, and Local Candidates – What you need to know!

With COVID-19, it is more important than ever to make sure your voter registration mailing address is up-to-date in order to receive your June 30 Primary ballot at your proper location. To participate in the June Primary Election, you must be registered as a Democrat, Republican, Libertarian, or Unaffiliated voter.

Ballots for the June 30 Primary are mailed to all eligible voters beginning June 8. Here is what you need to know to participate:

- Registered **Democrats** will receive only the Democratic Party ballot. Registered **Republicans** will receive only the Republican Party ballot. Registered **Libertarians** will receive only the Libertarian Party ballot. No other parties are holding primaries.
- By law, unless a ballot preference was specified by June 1 (optional only), **unaffiliated voters** will be mailed both major party (Dem and Rep) ballots **but can only vote and return one ballot**.
- 17-year-olds who will turn 18-years-old by the General Election (November 3) can vote in the primary.
- There is no registration deadline. You can register and vote up to and including Election Day, however, given the urgent public health crisis with COVID-19, the Boulder County Elections Division is urging residents to register now and not wait so you can receive your mail ballot and avoid the need for an in-person visit.

If you have a Colorado Driver's License or State ID, you can register to vote or check your registration at [www.GoVoteColorado.gov](http://www.GoVoteColorado.gov). If you do not have a license or state ID, you can register by mail, just print and return the form found online at the same website.
