

Community Wildfire Protection Plan

COMMUNITY ENGAGEMENT OPEN HOUSE

Agenda

What: The Community Wildfire Protection Plan Community Engagement event will be held as an open house, with stations that will be staffed with subject matter experts. Attendees will have an opportunity to ask questions, get helpful materials and handouts and participate in topic/category input activities that will gather attendees input on their concerns/what you perceive as risks and problems related to wildland fire. Each station will have a community input facilitator to help guide you through these activities. Planning maps and additional input stations will be available throughout! If you can't attend the event from the beginning, no worries, you can join the event any time and we will guide you through the community engagement and input process! We will give instructions on the flow of the event during our welcome and introduction at 9:00 a.m.

Date: Saturday June 10, 2023

Time: 9:00-11:30 a.m.

Where: Superior Community Center (1500 Coalton Road, Superior, CO. 80027)
