

Did you know that you can receive a full Energy Audit of your home, efficiency upgrades, LED bulbs and more, all for free? While supplies last, the Town of Superior is covering the cost of a Home Energy Squad Plus visit for residents. All installation, labor, and materials are covered - a \$600 value! Visit [Xcel Energy's website](#) and use promo code SUPERIOR2025 to register for your free visit. There is a limited quantity of visits covered by the Town this year.

[Energy Outreach Colorado's CARE Program](#) can provide substantial no-cost energy upgrades, such as new insulation and energy-efficient appliances, for Boulder County households earning less than 80% Area Median Income (for example, \$81,760 for a one-person household or \$93,440 for two people).

Rebates through [Boulder County EnergySmart](#) are available for appliance electrification and efficiency measures like insulation and air sealing. Residents making 100% Area Median Income or less (\$102,200 for a one-person household, \$116,800 for a two-person household) can receive additional help with [Boulder County's Income Qualified Services](#).
