### Activity Descriptions

- **GARDENERS UNITE:** Connect with fellow gardening enthusiasts, share tips and ideas, and learn through hands-on gardening projects. It's a fun, welcoming space to grow your skills. *The Town is proud to partner with Elena Vargas Neil, general manager from Vargas Property Services.*
- **BINGOCIZE®:** Bingocize® isn't just another health program - it's a vibrant fusion of fitness and health education that seamlessly incorporates the beloved game of bingo! Join Bingocize® and create memorable experiences infused with music, movement, and social connections.
- **CARD GAMES:** Avoid scoring points in hearts, bid and win tricks in spades, or lay down sets and runs in rummy. Bring some friends down with you or make some new ones along the way while enjoying classic card games of your choice!
- **MAH JONGG:** Mah Jongg is a classic tile-based game of skill, strategy, and chance that originated in China and is traditionally played with four players. Here, we play the American version, which uses a yearly hands card from the National Mah Jongg League for added variety and challenge.
- **CREATIVE COLLECTIVE:** Looking to get crafty and connect with others? Come find some friends and get creative with our laid-back craft group! All skill levels are welcome, and we have materials for knitting, crocheting, and more. Bring your own project or participate in a pre-planned activity.
- **EUCHRE:** Players at any level are welcome to enjoy this trick-taking card game. Euchre is an offshoot of Juckerspiel, a game that became widely popular throughout Europe during the Napoleonic era.
- **POKER:** Come learn when to hold 'em and when to fold 'em here at poker! Players of any skill level are welcome, and we will teach you the rules and strategies. It is free to enter, and points are tallied through the quarter. Try to win the end-of-season tournament and hoist the trophy!
