Activity Descriptions

- **GARDENERS UNITE:** Connect with fellow gardening enthusiasts, share tips and ideas, and learn through hands-on gardening projects. It's a fun, welcoming space to grow your skills.
- **MOVE & GROOVE BINGO:** In this fun Bingo twist, we alternate between calling a few numbers of Bingo and a minute of exercise focusing on strength, flexibility, and balance. Get your weekly movement in and dance it out after every win!
- **CARD GAMES:** Avoid scoring points in hearts, bid and win tricks in spades, or lay down sets and runs in rummy. Bring some friends or make new ones while enjoying classic card games of your choice.
- **MAH JONGG:** A classic tile-based game of skill, strategy, and chance that originated in China and is traditionally played with four players. We play the American version, using a yearly hands card from the National Mah Jongg League for added variety and challenge.
- **CREATIVE COLLECTIVE:** Come find some friends and get creative with our laid-back craft group! All skill levels are welcome, and we have materials for knitting, crocheting, and more. Bring your own project or participate in a pre-planned activity.
- **EUCHRE:** Players at any level are welcome to enjoy this trick-taking card game. Euchre is an offshoot of Juckerspiel, a game that became widely popular throughout Europe during the Napoleonic era.
- **POKER:** Players of any skill level are welcome, and we will teach you the rules and strategies. It is free to enter, and points are tallied through the quarter. Try to win the end-of-season tournament and hoist the trophy!
- **WALK WITH A DOC:** An international nonprofit that aims to get people of all ages, fitness levels, and backgrounds moving and talking with their local health providers.
