

FREE TRAINING

8:00am-12:00pm: Thursday, June 2 & Tuesday, June 21
Presented by: The Town of Vail

2021 CODE UPDATES

The Town of Vail is adopting the 2021 editions of the International Codes – effective July 5, 2022. This quick-hitting seminar will cover the significant changes between the 2018 and 2021 editions of the International Codes, as amended and adopted. The presentation will not be all-inclusive, but will cover numerous items of importance.

It is recommended that all local designers and contractors have representation at this informative session as the changes being discussed may have a direct impact on the design and construction of projects within the Town of Vail and the presentation will cover some of the local Town of Vail amendments to the codes.

Location: Grand View Room on top of the Lionshead Parking Structure, 390 S. Frontage Road W., VAIL, CO 81657

Continental style breakfast will be provided!

***40 SEATS AVAILABLE FOR EACH SESSION! You MUST RSVP to cjarecki@vailgov.com to reserve your seat at either session.**
