

Reducing Chronic Absenteeism Community of Practice

Sept. 18 | 9:30 - 11 a.m.

OSSE Main Office 1050 First St. NE

The Reducing Chronic Absenteeism Community of Practice (RCA CoP) is a peer- and expert-led learning space for school leaders and attendance teams from schools designated for school improvement. Participating schools will build sustainable, school-wide attendance systems and strengthen strategies to reduce chronic absenteeism and truancy. The CoP includes interactive 90-minute full-group sessions held every other month, alternating with targeted technical assistance tailored to each school's needs.

WHO: School leaders and attendance teams from schools designated for school improvement
